# COUNTY EXECUTIVE OF HOMA BAY

## Reports and Financial Statements

For the year ended June 30, 2019

### 2. FORWARD BY THE CEC

It is my pleasure to present the County Executive of Homa Bay financial statements for the year ended 30<sup>th</sup> June 2019. The financial statements present the financial performance of the County Government over the past year.

The promulgation of the Constitution of Kenya, 2010 under Chapter 11 ushered Kenya into a new system of governance, replacing the centralized system with a devolved system of governance. The devolved system of governance consists of the National Government and 47 County Governments.

#### Financing of the County Governments

Article 202 of the Constitution of Kenya provides that revenue raised nationally shall be shared equitably among the National Government and the County Governments. Each County Government's equitable share of revenue raised nationally, is determined yearly through the County Allocation of Revenue Act (CARA). The revenue sharing formula is developed by the Commission on Revenue Allocation and approved by Parliament in accordance with Article 217 of the Constitution. The County also finances its operations through own generated revenues. These are revenues collected within the County. The key local revenue sources for Homa Bay County included business permits, land rates, business plan approval, advertising fees, cesses and various other administrative charges.

The County continues to explore new and innovative ways of increasing its local revenue collections. Some of the steps that the County has taken towards improving its revenue collections include:

#### 1) REVENUE COLLECTION

The County Government Revenue is now on Unstructured Automation System where by all daily revenue collections are done online. We have distributed computers to all the Sub Counties in preparation for the Structured System whereby the revenues which normally fall due in quarterly, half yearly and yearly will be collected online. Our Ultimate programme is to synchronize payments of revenue in one portal and introduce a cash less system through Mpesa pay bill

## Reports and Financial Statements

For the year ended June 30, 2019

### 3. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Sections 163, 164 and 165 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the County Treasury shall prepare financial statements of each County Government entity, receiver of receipts and consolidated financial statements for all County Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

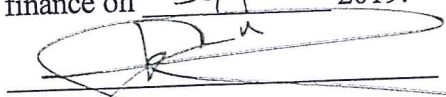

The County Executive Committee (CEC) member for finance of the County Government is responsible for the preparation and presentation of the County Government's financial statements, which give a true and fair view of the state of affairs of the County Government for and as at the end of the financial year ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Government; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Government; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The CEC member for finance accepts responsibility for the County Government's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The CEC member for finance is of the opinion that the County Government's financial statements give a true and fair view of the state of the County Government's transactions during the financial year ended June 30, 2019, and of its financial position as at that date. The CEC member for finance further confirms the completeness of the accounting records maintained for the County Government which have been relied upon in the preparation of the its financial statements as well as the adequacy of the systems of internal financial control.

The CEC member for finance confirms that the County Government has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Government's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the CEC member for finance confirms that the County Government's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

#### Approval of the financial statements

The County Government's financial statements were approved and signed by the CEC member for finance on 30/9 2019.

## REPORT OF THE AUDITOR-GENERAL ON COUNTY EXECUTIVE OF HOMA BAY FOR THE YEAR ENDED 30 JUNE, 2019

---

### REPORT ON THE FINANCIAL STATEMENTS

#### Adverse Opinion

I have audited the accompanying financial statements of the County Executive of Homa Bay set out on pages 6 to 38, which comprise of the statement of assets and liabilities as at 30 June, 2019, statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, because of the significance of the matter described in the Basis for Adverse Opinion section of my report, the financial statements do not present fairly, the financial position of the County Executive of Homa Bay as at 30 June, 2019 and of its financial performance and its cash flows for the year then ended, in accordance with the International Public Sector Accounting Standards (Cash Basis) and do not comply with the County Governments Act, 2012 and the Public Finance Management Act, 2012.

#### Basis for Adverse Opinion

##### 1. Irregular Use of Unbanked Receipts

As disclosed under Note 4 to the financial statements, the statement of receipts and payments reflects County own generated receipts of Kshs.215,039,531. Included in the figure is health sector revenue of Kshs.125,654,378. However, the hospitals did not bank the money into the County Revenue Fund account contrary to section 109(2) of the Public Finance Management Act, 2012. The money was instead directly spent at source after collection using the Authority to Incur Expenditure without undergoing the relevant approval process.

In the circumstances, the completeness and accuracy of county own generated receipts of Kshs.215,039,531 reflected in the statement of receipts and payments for the year ended 30 June, 2019 could not be ascertained.

## **2. Payments Made Outside Integrated Financial Management Information System (IFMIS)**

A review of the bank statements revealed transfer of funds to departmental operations accounts amounting to Kshs.452,463,000. The funds were utilized in the payments at the various departmental level. However, the transactions were made outside IFMIS and vouchers were used to support those payments.

In the circumstances, the accuracy, completeness and validity of the payments made outside the IFMIS of Kshs.452,463,000 for the year ending 30 June, 2019 could not be confirmed.

## **3. Unsupported Expenditure**

Examination of the statement of receipts and payments revealed the following unsatisfactory matters: -

### **3.1. Unsupported Construction of Finance Office**

As disclosed under Note 11 to the financial statements, the statement of receipts and payments reflects an expenditure amounting to Kshs.1,048,074,713 in respect of acquisition of assets which includes Kshs.44,257,616 for construction of a finance office block. However, Management did not provide the tender documents including the advertisement, opening minutes, technical evaluation report, letter of acceptance, bill of quantities and contract agreement for audit review.

### **3.2. Unsupported Expenditure - Routine Maintenance of Motor Vehicles and Other Transport Equipment**

As disclosed under Note 7 to the financial statements, the statement of receipts and payments reflects an expenditure amounting to Kshs.871,221,489 in respect of use of goods and services. The figure includes routine maintenance of motor vehicles and other transport equipment of Kshs.27,873,625 and Kenya Devolution Conference of Kshs.12,000,000. However, the Management did not provide for relevant documents including the payment vouchers, for audit review.

### **3.3. Unsupported Social Security and Benefits**

As disclosed under Note 10 to the financial statements, the statement of receipts and payments reflects social security benefits expenditure of Kshs.13,031,720. However, the Management did not provide for audit review the general ledger and other relevant documents to support the expenditure.

Consequently, the occurrence, completeness and accuracy of the statement of receipts and payments for the year ending 30 June, 2019 could not be confirmed.

## **4. Unsupported Prior Year Adjustments**

As disclosed under Note 16 to the financial statements, the statement of assets and liabilities reflects a prior year adjustment of Kshs.16,451,778. Although the Management

explained that the prior year adjustments were in respect of administrative expenses that were omitted in 2017/2018 financial year, journal entry vouchers and schedules in support of the adjustments thereof were not provided for audit review.

Consequently, the validity and accuracy of adjustment of Kshs.9,600,138 and subsequent effect in the financial statements could not be confirmed.

## **5. Incomplete Upgrading of Nyakwere Market**

As disclosed under Note 11 to the financial statements, the statement of receipts and payments reflects acquisition of assets of Kshs.1,048,074,713 which includes Kshs.24,343,271 paid for upgrading of Nyakwere Market. The contract was awarded to a contractor at Kshs.50,544,192 for a period of eight (8) months commencing in July, 2017. The project is co-funded by the County Executive and UN-Habitat. The UN-Habitat was to contribute US\$250,000 equivalent to Kshs.25,000,000 while the County Executive was to contribute Kshs.25,544,192.

Examination of the records and implementation agreement revealed that the Management made payments directly through the operations account outside the Integrated Financial Management Information System (IFMIS). The project was incomplete at the time of the audit and the total contribution received from the Donor had not been disclosed.

Consequently, the validity, accuracy and completeness of the Kshs.24,343,271 paid for the year ending 30 June, 2019 could not be confirmed.

## **6. Pending Accounts Payables (Bills)**

Annex 2 to the financial statements reflects pending accounts payables (bills) of Kshs.314,867,512 which were not settled during the year under review but were carried forward to the 2019/2020 financial year. However, included in the pending bills is Kshs.297,903,741 which constitutes bills that were not supported by authentic and verifiable source documents and schedules clearly indicating type of supply, contracted amount, amount paid during the year and the outstanding balances at the year end.

Whereas pending bills constitute a first charge during the subsequent budget, the validity, completeness and accuracy of the pending accounts payables(bills) of Kshs.314,867,512 under Annex 2 could not be ascertained.

## **7. Non-Accounting of Liquor Fees**

The Management had budgeted liquor licensing fees of Kshs.2,689,383. However, the Management did not prepare and submit for audit the financial statements of the Alcoholic Drinks Control Fund. Further, supporting documents by way of total revenue collected, bank statements, liquor outlets and licensing books were not provided for audit review. This is contrary to the requirements of Homa Bay County Alcoholic Drinks Control Act, 2015.

Under the circumstances, the accuracy, completeness and validity of the liquor licensing fees could not be ascertained.

## **8. Irregular Termination and Re-award of Contract**

Included in the acquisition of assets expenditure of Kshs.1,048,074,713 is an amount of Kshs.7,989,989 paid for construction of the proposed animal feeds factory and a Godown at Arujo Area. The contract was awarded to a contractor at a sum of Kshs.45,160,064 and the commencement date was 28 April, 2015 for a period of eight (8) months. The tender was however terminated on 11 April, 2018.

During the year under review, the contractor was paid Kshs.7,989,989 bringing the total payments to date to Kshs.37,701,989 as at 30 June, 2019. It was however, not explained how the tender was re-awarded to the same contractor. A physical verification of the project on 19 September, 2019 revealed that the project was incomplete.

Further, minutes of the meeting held on 2 November, 2018 indicated that the cost of the project had been varied from Kshs.45,160,064 to Kshs.66,715,364 leading to a cost variation of Kshs.21,555,300 or 48%. The total contract price was, therefore, varied by more than 25% contrary to section 139(4)(e) of the Public Procurement and Assets Disposal Act, 2015.

In addition, the Management had also entered into a contract with an engineering services firm to supply, install and commission a 9 ton-per-hour animal feeds equipment at the animal feeds factory at a cost of Kshs.42,245,280 on 12 June, 2014. The Management made an advance payment of Kshs.38,730,861 to the supplier. According to the contract, manufacturing was to start by August, 2014 but the equipment had not been delivered by the time of audit.

Consequently, the regularity and value for money of the expenditure of Kshs.38,730,861 incurred so far on the project could not be confirmed.

The audit was conducted in accordance with the International Standards of Supreme Audit Institutions (ISSAIs). I am independent of County Executive of Homa Bay Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my adverse opinion.

---

## **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **Other Matter**

### **1. Budget Control and Performance**

The summary statement of appropriation - recurrent and development combined reflects approved receipts budget and actual on comparable basis of Kshs.8,467,339,450 and Kshs.7,007,495,034 respectively resulting to a shortfall of Kshs.1,459,844,416 or 1.7% of the approved budget. Similarly, the statement reflects an approved expenditure budget and actual on comparative basis of Kshs.8,467,339,450 and Kshs.6,062,300,218 respectively resulting to an overall under expenditure of Kshs.2,405,039,232 or 2.8% of the budget.

Although the under collection and under expenditure are minimal, a review of the individual vote and components revealed that the County Executive utilized Kshs.3,136,349,023 on Compensation of employees against the approved budget of Kshs.2,972,262,653 thereby occasioning an unauthorized expenditure amounting to Kshs.164,086,370. Further, under acquisition of assets, the County Executive expended an amount of Kshs.1,048,074,713 against the approved budget of Kshs.3,010,026,009 resulting to significant under-expenditure of Kshs.1,961,951,296 or 65%. The under expenditure is indicative that some planned activities and programs for the year may not have been undertaken.

Consequently, under expenditure on development budget may impact negatively on service delivery to the residents of Homa Bay County.

### **2. Outstanding Imprests**

The statement of assets and liabilities reflects accounts receivables - outstanding imprests of Kshs.11,117,900 which were not surrendered within seven (7) days after the imprest holders had returned to their duty station. This represent a substantial amount of cash in the hands of the county employees which could lead to liquidity shortage.

The Management has not put in place mechanism to ensure that imprests are surrendered within 7 days after end of the assignment including recovery with interest at the Central Bank of Kenya exchange rate.

### **3. Prior Year Unresolved Issues**

In the audit report of the previous year, several paragraphs were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, although the Management has indicated that some issues have been responded to while others are awaiting feedback, the matters have remained unresolved as the Senate has yet to deliberate on the same.

## REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### Basis for Conclusion

#### 1. Stalled and Incomplete Projects

As disclosed under Note 11 to the financial statements, the statement of receipts and payments reflects acquisition of assets of Kshs.1,048,074,713. A review of records indicated that the Management entered into contract to undertake several projects across the County. However, physical verification in September, 2019 revealed the following unsatisfactory observations: -

#### Projects Verification

Project Name	Contract Duration	Contract price (Kshs.)	Amounts Paid (Kshs.)	Project status
Miyuga-Mawego Road	Four (4) Months from 27 March, 2018	4,263,572	3,932,795	Not implemented
Kogwe-Randung-Sinema Road	Twenty-seven (27) Weeks from 23 March, 2018	5,860,000	5,860,000	Not implemented
Nyangwethe – Sindo Road	Fifteen (15) weeks, from 4 April, 2018	4,287,360	4,287,360	Not constructed.
Rapedhi – Riat Road	Twenty-Seven weeks (27) from 23 March, 2018	5,860,000	5,860,000.	Not implemented
Kadongo-Gendia Road	Twelve (12) months from October, 2015	687,270,373	481,403,416	Road furniture works worth Kshs.23,900,000 was outstanding
Construction of Kobondo Water Pan Spillway		2,508,620	2,508,620	Spillway was washed away by water
Construction of A Perimeter Wall	One (1) year from 10 June, 2016	28,228,308	18,548,551	Project was less than 60%

Project Name	Contract Duration	Contract price (Kshs.)	Amounts Paid (Kshs.)	Project status
				complete & with NEMA Caveat
Construction of Outpatient and Casualty Block at Rachuonyo District Hospital	Five (5) months from 24 April, 2012	19,816,800	5,078,915	Work was not complete and the contractor was not on site.
Construction of Apuoche ECDE Classrooms	Twelve (12) Weeks from 13 October, 2018	0	650,000	Stalled and the contractor was not on site
Sixteen (16) Water Projects		99,917,204.	51,373,856	Projects were not complete and not in use and had not received WARMA approval.
Construction of Maize Processing Plant at Kigoto-Suba	Six (6) months July, 2015	0	12,940,392	Construction had stopped at window level and the contractor was not on site.
Construction of Post – Harvest Grain Handling Facility at Kigoto	Forty-two (42) weeks from June, 2016	23,139,180	9,860,396	Construction was at substructure level and the contractor was not on site
	<b>Total</b>	<b>881,151,417</b>	<b>602,304,301</b>	

Management paid for works that were not complete or had not been started. In the circumstances, it is not possible to confirm whether the citizens of Homa Bay County have received value for money on projects.

## 2. Compliance with the Public Finance Management Regulations, 2015 – Fiscal Discipline

The statements of receipts and payments reflects compensation of employees' of Kshs.3,136,349,023 which accounted for fifty percent (50%) of the total receipts of Kshs.6,273,065,867. The expenditure is above the thirty-five percent (35%) limit provided for under regulation 25(b) of the Public Finance Management (County Governments) Regulations, 2015.

Consequently, the Management is in breach of the regulations.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Basis for Conclusion**

#### **1. Summary of Assets Register**

Disclosed in Annex 7 to the financial statements is a summary of assets register indicating additions in 2018/2019 of Kshs.56,165,738 and the balance brought forward from 2017/218 of Kshs.1,347,545,717 all totalling Kshs.1,403,711,455 as at 30 June, 2019. However, a review of the assets' register and other records revealed that various assets inherited from the defunct local authorities and County Councils have not been disclosed or valued.

In the circumstances, the valuation and completeness of the assets recorded in the assets register cannot be confirmed.

#### **2. Lack of Risk Management Policy Framework**

The Management did not avail supporting evidence of the existence of a Risk Management Policy Framework that ensured all operations were performed within the approved risk tolerance levels for audit review. There was no documented Disaster Recovery Plan to deal with loss of data or information in case of systems failures or to protect the IT infrastructure in the event of disaster.

In the circumstances, I am unable to confirm existence of effective risk management measures.

#### **3. Lack of Approved Staff Establishment**

The Management did not avail supporting evidence, for audit review, of existence of a Human Resource Management Policy Framework or an approved staff establishment to

guide in determining optimal staffing levels, filling of vacancies, recruitment and placement of staff. As a result, the available and filled positions were not properly identified and defined in the organizational structure.

In the circumstances, effective management of human resources could not be confirmed.

#### **4. Integrated Payroll and Personnel Database**

Data analysis of the Integrated Personnel Payroll Database (IPPD) system revealed that two (2) staff members did not have Personal Identification Numbers (PIN) in the payroll, three (3) staff members had unusual PIN and a member of staff was removed from the payroll system in December, 2018 without any explanation in the personnel file yet the member was an employee during the year.

In the circumstances, the adequacy of the controls which are built to ensure the integrity of the data in the payroll system could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

#### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the County Executive's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of intention to dissolve the County Executive or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are

in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the County Executive monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become

inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the application basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County Executive's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Executive to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Executive to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

  
Nancy Gathungu  
**AUDITOR-GENERAL**

### 3.8 SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

#### 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The receivables and payables are disclosed in the Statement of Assets and Liabilities.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

#### 2. Reporting entity

The financial statements are for the County Executive of Homa bay. The financial statements encompass the reporting entity as specified under section 164 of the PFM Act 2012.

#### 3. Recognition of receipts and payments

##### a) Recognition of receipts

The County Government recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government.

##### Tax receipts

Tax Receipts is recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received.

##### Transfers from the Exchequer

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

# COUNTY EXECUTIVE OF HOMA BAY

## Reports and Financial Statements

For the year ended June 30, 2019

### SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

#### Donations and grants

Grants and donations shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary. In case of grant/donation in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice.

#### Proceeds from borrowing

Borrowing includes Treasury bill, treasury bonds, corporate bonds; sovereign bonds and external loans acquired by the entity or any other debt the County Government may take on will be treated on cash basis and recognized as receipts during the year of receipt.

#### Undrawn external assistance

These are loans and grants at reporting date as specified in a binding agreement and relate to funding for projects currently under development where conditions have been satisfied or their ongoing satisfaction is highly likely and the project is anticipated to continue to completion. During the year ended 30th June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

#### County Own Generated Receipts

These include Appropriation-in-Aid and relates to receipts such as trade licences, cess, fees, property income among others generated by the County Government from its citizenry. These are recognised in the financial statements the time associated cash is received.

#### Returns to CRF Issues

These relate to unspent balances in the development, recurrent and deposit accounts at the end of the year which are returned to the County Revenue Fund (CRF) and appropriated through a supplementary budget to enable the County to spend funds. These funds are recognised once appropriated through a supplementary budget process.

#### b) Recognition of payments

The County Executive of Homa Bay recognises all expenses when the event occurs and the related cash has actually been paid out by the entity.

COUNTY EXECUTIVE OF HOMA BAY  
Reports and Financial Statements  
For the year ended June 30, 2019  
SIGNIFICANT ACCOUNTING POLICIES (Continued)

---

**Compensation of employees**

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

**Use of goods and services**

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

**Interest on borrowing**

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

**Repayment of borrowing (principal amount)**

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made. The stock of debt is disclosed as an annexure to the County consolidated financial statements.

**Acquisition of fixed assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

**4. In-kind contributions**

In-kind contributions are donations that are made to the *entity* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *entity* includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

**COUNTY EXECUTIVE OF HOMA BAY**

**Reports and Financial Statements**

**For the year ended June 30, 2019**

**SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**5. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

**Restriction on cash**

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

There were no other restrictions on cash during the year

**6. Accounts Receivable**

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

**7. Accounts Payable**

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

**8. Non-current assets**

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

**9. Pending bills**

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the *County Executive of Homa bay* at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

**10. Budget**

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Executive of Homa Bay budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly on 30<sup>th</sup> June 2018 for the period 1<sup>st</sup> July 2019 to 30 June 2019 as required by law. There was one supplementary budgets passed in the year. A high-level assessment of the *County Executive of Homa bay* actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

**11. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**12. Subsequent events**

Events subsequent to submission of the financial year end financial statements to the National Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of National Treasury.

**13. Errors**

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

**14. Related party transactions**

Related party transactions involve cash and in kind transactions with the National Government, National Government entities and County Government entities. Specific information with regards to related party transactions is included in the disclosure notes.

## Reports and Financial Statements

For the year ended June 30, 2019

### 4.2 .PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Audit Query	Management Response	Current Status
<p>2.0 The figure of total net financial assets indicated as Kshs.734,322,532 while casting of the figure in statement of assets reflects a balance of Kshs.724,322,532 hence it is overstated by an unexplained difference of Kshs. 10,000,000. Further, the representation section of the statement of assets on casting of the totals is understated by Kshs. 245,736,826.</p> <p>In consequence, the statement of assets and liabilities correctness is in doubt.</p>	<p>The Management concurred with the auditor's observations on the casting errors as indicated in the financial statements. However, the management has done a prior year adjustment in the current financial year 2018/2019 to correct the anomaly.</p>	<p>The Prior year adjustment has been effected.</p>
<p>3.0 The statement of assets and liabilities reflects cash and cash equivalents balance of Kshs. 734,429,167 as at 30 June 2018 which could not be confirmed as correct due to the following: Included in cash and cash equivalents balance of Kshs. 734,429,167 is Kshs. 648,676,161 which was held in the Central Bank Revenue Account. However, the total closing bank statements balance of the same accounts was Kshs 500,804,129 resulting in an understatement of Kshs. 147,872,032 which has not been explained nor reconciled</p>	<p>Management concurred with the auditors observation on the non-disclosure. However, prior year adjustments has been made in the current financial year report to correct the anomaly.</p>	<p>The prior year adjustment has been effected .</p>
<p>35.0 Audit review of Cash management revealed that the main cash books for the sectors were not balanced</p>	<p>The management has taken note of the auditors observation and currently controls have been put in</p>	<p>Bank reconciliations and balancing of cash books are done on a monthly basis.</p>

**COUNTY EXECUTIVE OF HOMA BAY**  
**Reports and Financial Statements**  
**For the year ended June 30, 2019**

regularly as required. Other weaknesses involved huge cash withdrawals from the main accounts which were used to pay suppliers through cash payments. Further several entries in the departments cash books were not dated and the books were not balanced at the close of the year.

Consequently, these worsened the strength of the internal control system in place.

place: Monthly bank reconciliations are carried out, cash books are updated and balanced on a monthly basis

**ANNEXURE 1. ANALYSIS OF TRANSFERS FROM THE EXCHEQUER**

Period	Equitable Share	DANIDA	Level 5 hospitals allocation	Other transfers- Donor funds transferred through exchequer	Total Transfers from the National Treasury/ Exchequer
