## **1. KEY ENTITY INFORMATION AND MANAGEMENT**

### **(a) Background information**

The County Assembly of Migori is constituted as per the constitution of Kenya is headed by the Speaker of the County Assembly, who is responsible for the general policy and strategic direction of the Assembly. The County Assembly constitutes 57 Members of County Assembly (MCAs) elected and nominated to represent members of the public from their respective wards and various interests respectively. The MCAs are responsible for making any laws for effective performance of the County Government, approving plans and policies and playing the oversight role over the County Executive.

### **(b) Key Management**

The Migori County Assembly's day-to-day management is under the following key organs:

- The Speaker;
- The County Assembly Service Board;
- The Clerk; and
- Heads of Departments

### **(c) Fiduciary Management**

The key management personnel who held office during the year ended 30<sup>th</sup> June 2019 and who had direct fiduciary responsibility were:

No.	Designation	Name
1.	Accounting Officer	- Tom Opere Onyango
2.	Ag. principal Finance Officer	- Evans Ogutu Ouma

### **(d) Fiduciary Oversight Arrangements**

Here, provide a high-level description of the key fiduciary oversight arrangements covering (say):

- Internal Auditor
- Migori County Assembly Budget & Appropriation Committee
- Migori County Assembly Finance committee.
- Migori County Assembly CPIAC
- Beryl Pendo Mauko

## 2. FORWARD BY THE CLERK OF THE ASSEMBLY

<b>Budget performance</b>
Migori county assembly has largely recurrent budget estimate. During the financial year ended 30 <sup>th</sup> June 2019, Migori County Assembly's recurrent approved and supplementary budget estimate was Kshs. 828,127,065, the actual exchequer issuer through the Migori County revenue fund was KES 828,127,065, 100% recurrent budget funding. The development budget of Kshs. 100,000,000 was fully funded. Hence 100% development budget funding. Migori County Assembly received additional funding on special request from the county treasury for Kshs. 61,155,200 with definite program need.
<b>Operational Performance</b>
Migori County Assembly defined key delivery units in its programmes for the financial year 2018/2019; for instance, Training of MCAs and staff during the year, Enactment of county Assembly bills, benchmarking trips, programmed committee activities and these were largely achieved. Migori County Assembly passed bills including finance bill, which was later enacted among other bills. Migori county assembly's select and sectorial committees as constituted performed their key roles as approved by the liaison committee, the county assembly service board and the speaker. Due to delayed funding effects on the budget, the budget votes were relocated to meet the operational needs of the Assembly as approved by the Migori County Assembly Service Board.
<b>Performance of key development projects</b>
Migori County Assembly Development projects were largely accomplished as per the procurement plan for 2018/2019FY
<b>Comment on value-for-money achievements</b>
The fiduciary oversight arrangements and the internal control systems, ensured compliance for value for money.
<b>Challenges and Recommended Way Forward</b>
The key challenges during the financial year were; <ol style="list-style-type: none"> <li>1. Inadequate Migori county Assembly's motor vehicles,</li> <li>2. Inadequate office space for the personnel and MCAs</li> <li>3. Lack of strategic plan for the realization of the strategic objectives for the County Assembly</li> <li>4. Delayed exchequer funding during the first quarter of the financial year.</li> </ol>

  
Clerk of the County Assembly

### 3. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Sections 164 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer of a County Government Entity to prepare financial statements in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

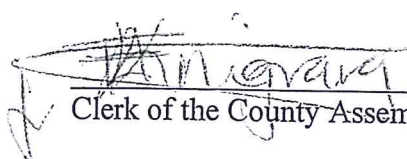

The Clerk of the County Assembly is responsible for the preparation and presentation of the County Assembly's financial statements, which give a true and fair view of the state of affairs of the County Assembly for the year, ended June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Assembly; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Assembly; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Clerk accepts responsibility for the County Assembly's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Clerk is of the opinion that the County Assembly's financial statements give a true and fair view of the state of the County Assembly's transactions for the year ended June 30, 2019, and of its financial position as at that date. The Clerk further confirms the completeness of the accounting records maintained for the County Assembly which have been relied upon in the preparation of the its financial statements as well as the adequacy of the systems of internal financial control.

The Clerk confirms that the County Assembly has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Assembly's funds received during the quarter under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Clerk confirms that the County Assembly's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

#### Approval of the financial statements

The County Government's financial statements were approved and signed by the Clerk of the County Assembly on 30/9/ 2019.

## REPORT OF THE AUDITOR-GENERAL ON COUNTY ASSEMBLY OF MIGORI FOR THE YEAR ENDED 30 JUNE, 2019

---

### REPORT ON THE FINANCIAL STATEMENTS

#### Qualified Opinion

I have audited the accompanying financial statements of County Assembly of Migori set out on pages 1 to 23, which comprise of the statement of financial assets and liabilities as at 30 June, 2019, statement of receipts and payments, statement of cash flows and the statement of comparison of budget and actual amounts-recurrent, development and combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Assembly of Migori as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and County Governments Act, 2012.

#### Basis for Qualified Opinion

##### 1. Unsupported Expenditure – Use of Goods and Services

As disclosed under Note 7 to the financial statements, the statement of receipts and payments reflects a balance of Kshs.373,310,630 under use of goods and services. Examination of available records revealed the following unsatisfactory matters: -

##### 1.1 Ward Operation Expenses

The balance includes an amount of Kshs.102,360,000 relating to rental of produced assets which was paid as ward operation expenses for forty (40) County Wards. Further, an amount of Kshs.6,120,000 was allocated to seventeen nominated Members of the County Assembly (MCAs) for operations. However, it was noted that the Management paid rental expenses of Kshs.30,000 per month to each nominated Member of County Assembly while each elected Member of County Assembly was

paid at flat rate of Kshs.200,000 per month. The expenditure was not supported with any verifiable and relevant documents.

## **1.2 Unsupported Domestic Travel and Subsistence Expenses**

Further, the balance includes payments amounting to Kshs.139,291,382 relating to domestic travel and subsistence. The latter includes an expenditure of Kshs.27,643,934 that was not supported with relevant documentation such as work tickets, evidence of travel in form of bus work-tickets, attendance registers, minutes of meetings attended, work plan and work programmes.

## **1.3 Other Operating Expenses**

In addition, the balance includes payments amounting to Kshs.17,115,832 relating to general operating expenses which were also not supported with relevant documents.

Consequently, the completeness, accuracy and validity of the use of goods and services of Kshs.373,310,630 reflected in the statement of receipts and payments for the year ended 30 June, 2019 could not be confirmed.

## **2. Unreconciled Balances - Compensation of Employees**

As disclosed under Note 4 to the financial statements, the statement of receipts and payments reflects a balance of Kshs.375,253,889 under compensation of employees. The balance includes an amount of Kshs.15,778,400 which was paid through manual payment vouchers outside the government recommended IPPD system in respect of committee allowances arrears and plenary sittings top up. Consequently, the accuracy, completeness and legality of the expenditure on committee allowance arrears of Kshs.15,778,400 could not be confirmed.

Further, the balance includes payments relating to pension and social security contributions of Kshs.25,041,177. The Management produced schedules totalling Kshs.25,049,179 in support of the expenditure, resulting in an unexplained variance of Kshs.8,002. Further, the approved supplementary budget reflects an amount of Kshs.17,826,768 for pension and other social security contributions while the actual expenditure is Kshs.25,041,177 leading to an over-expenditure of Kshs.7,214,409, which was not satisfactorily explained.

In the circumstances, the accuracy and completeness of the expenditure of Kshs.375,253,889 on pension and other social security contributions could not be confirmed.

## **3. Accuracy of the Financial Statements**

A review of financial statements revealed significant variances between the Integrated Financial Management Information System (IFMIS) figures and the financial statements. The statement of receipts and payments reflected total receipts of Kshs.989,82,265 while IFMIS records reflect a balance of Kshs.790,000,000 resulting to an unreconciled balance of Kshs.199,282,265. Similarly, the statement of receipts and payments reflects total payments of Kshs.945,900,493 while IFMIS records reflect a balance of Kshs.841,199,796 resulting to an unreconciled balance of Kshs.104,700,697. Management has not reconciled the differences between the two sets of reports.

Further, whereas the statement of receipts and payments for the County Executive of Migori reflects transfers to the County Assembly of Migori of Kshs.963,407,108, the amount differs with the Exchequer receipts of Kshs.928,127,065 reflected as transfers from the County Treasury received by the County Assembly during the year resulting to unreconciled variance of Kshs.35,280,043.

Consequently, the completeness and accuracy of the statement of receipts and payments for the year ended 30 June, 2019 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the County Assembly of Migori Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no other key audit matters to report in the year under review.

### **Other Matter**

#### **1. Pending Payables (Bills)**

Disclosed under Note 5.10 to the financial statements are pending accounts payables of Kshs.107,393,379 as at 30 June, 2019, which were not settled during the year under review but were carried forward to the 2019/2020 financial year. Management has not explained the cause of the outstanding bills and measure it is putting in place to deter the accumulation of pending bills.

Failure to settle bills during the year to which they relate distorts the financial statements and adversely affects the budgetary provisions for the subsequent year as they form a first charge.

#### **2. Budget Control**

The County Assembly had an approved budget of Kshs.438,857,522 and Kshs.100,000,000 on compensation of employees and acquisition of assets respectively, against actual expenditure of Kshs.375,253,889 and Kshs.78,486,603 leaving Kshs.63,603,633 or 14% and Kshs.21,511,397 or 22% as under expenditure or 14%.

The under absorption of the approved budget is an indication of activities not implemented by the County Assembly leading to non-provision of services to the citizens of Migori County.

#### **3. Unresolved Prior Year Matters**

In the audit report of the previous year, a number of issues were raised under the Report on Financial Statements. However, Management has not resolved the issues

nor disclosed the prior year matters as provided by the Public Sector Accounting Standards Board templates and by The National Treasury's Circular Ref: PSASB/1/12 Vol.1(44) of 25 June, 2019.

## REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### Basis for Conclusion

#### 1. Projects not in use

During the year under review, the County Assembly undertook twenty-one (21) projects with a total cost outlay of Kshs.104,734,116. However, physical verification revealed the status as indicated in the attached Appendix I.

Although the twenty-one (21) projects' status were indicated as complete, fourteen (14) had not been commissioned, an indication that the facilities were not being used effectively.

Consequently, the value for money has not been fully realized with regard to the expenditure of Kshs.104,734,112.

#### 2. Acquisition of Assets

The acquisition of assets expenditure of Kshs.78,488,603 includes an amount of Kshs.3,823,903 which was paid for the construction of the County Assembly Prefabs Buildings - Container House by a contractor while an amount of Kshs.8,633,736 was paid for the architectural design of Speaker's residence. However, the inspection and acceptance certificate were not provided for audit.

Consequently, the accuracy and regularity and value for money of the expenditure of Kshs.78,488,603 could not be confirmed.

#### 3. Non-Compliance on Regional Composition

The analysis of regional composition of the assembly staff indicated that the dominant ethnic community in Migori County comprised 78% of the Assembly staff while the remaining 22% of the positions were shared among the other six ethnic communities contrary to Section 7(1) and (2) of the National Cohesion and Integration Act, 2008 which states that, "all public offices shall seek to represent the diversity of the people of Kenya in employment of staff and that no public institution shall have more than one third of its staff establishment from the same ethnic community".

The Assembly should strive to bridge the gap and embrace the diversity of our country.

#### **4. Unauthorized Expenditure**

The County Assembly had an approved budget of Kshs.200,000 and Kshs.15,000,000 on finance costs and Other payments-mortgages respectively against actual expenditure of Kshs.4,501,578 and Kshs.114,345,793 leading to over expenditure of Kshs.4,301,578 or 225% and Kshs.99,345,793 or 662%. The over-expenditure is an indication of lack of expenditure control and prudence in the use of public resources contrary to the requirements under Article 201(d) of the Constitution of Kenya.

In the circumstances, the efficiency and effectiveness in the use of public resources could not be ascertained.

#### **5. Lack of an Approved Staff Establishment**

The County Assembly did not have an approved staff establishment to indicate the authorized staffing levels during the year under review. Further, no evidence was provided to indicate that the Assembly had carried out job evaluation to determine the staff requirements and optimum number of employees for each category. This is contrary to the provisions of Section 66 of the County Governments Act, 2012 and Section 6(3)(B) of the County Assembly Public Service Human Resource Manual that requires the Assembly to have an approved staff establishment.

In the circumstances, the Management is in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

#### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

#### **Basis for Conclusion**

##### **1. Poor Controls on Cash Transactions**

It was observed that the Management significantly operated on cash transactions in 2018/2019 financial year. An audit of a sample of bank statements revealed that the Assembly on various dates withdrew a total of Kshs.58,073,500 in cash for office use.

In the circumstances, the Assembly is exposed to risks of fraud and theft which are inherent in cash transactions.

## **2. Lack of Risk Management Policy Framework**

A review of risk management processes revealed that the County Assembly did not have an approved Risk management Policy Framework during the year 2018/2019. Further, there was no documentary evidence to confirm that the Assembly had conducted a risk assessment to identify the potential risk exposure, possibility of their occurrences and the mitigating strategies.

In the circumstances, Management may not be able to respond effectively in an event of a disaster.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standard requires that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the County Assembly ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the County Assembly or to cease operations..

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the County Assembly monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

## Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on ability of the County Assembly to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Assembly to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Assembly to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## **5.8. SIGNIFICANT ACCOUNTING POLICIES**

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### **1. Statement of compliance and basis of preparation**

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions. The statement of assets and liabilities, although not a requirement of the IPSAS Cash Standard, has been included to disclose information on receivables and payables.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

### **2. Reporting entity**

The financial statements are for the Migori County Assembly. The financial statements encompass the reporting entity as specified in section 164 of PFM Act 2012.

### **3. Recognition of receipts and payments**

#### **a) Recognition of receipts**

The County Assembly t recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Assembly.

#### **Tax receipts**

Tax Receipts is recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received.

#### **Transfers from the Exchequer/ County Treasury**

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

## SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Other Receipts

Other receipts relate to receipts such as tender fees among others. These are recognised in the financial statements when the associated cash is received.

### b) Recognition of payments

The entity recognises all expenses when the event occurs and the related cash has actually been paid out by the entity.

### Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

### Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

### Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

## 4. In-kind contributions

In-kind contributions are donations that are made to the *entity* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *entity* includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

**SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**5. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

**Restriction on cash**

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

**6. Accounts Receivable**

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

**7. Accounts Payable**

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

**8. Non-current assets**

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

**SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**9. Pending bills**

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Migori county Assembly at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

**10. Budget**

The budget is prepared on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Migori County Assembly budget was approved as required by Law .A high-level assessment of the Migori County Assembly's' actual performance against the comparable budget for the financial year under review has been included in the Statement of Comparison between actual and budgeted amounts included in these financial statements.

**11. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**12. Subsequent events**

Events subsequent to submission of the financial year end financial statements to County Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of the County Treasury.

**13. Errors**

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

**14. Related party transactions**

Related party transactions involve cash and in kind transactions with the National Government, National Government entities and County Government entities. Specific information with regards to related party transactions is included in the disclosure notes.

**For the year ended June 30, 2019**

**5. PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS**

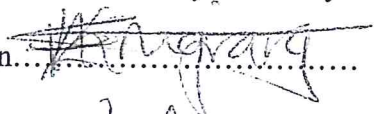

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)

**Guidance Notes:**

- (i) Use the same reference numbers as contained in the external audit report;
- (ii) Obtain the "Issue/Observation" and "management comments", required above, from final external audit report that is signed by Management;
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;
- (iv) Indicate the status of "Resolved" or "Not Resolved" by the date of submitting this report to National Treasury.
