MURANGA COUNTY GOVERNMENT

Reports and Financial Statements

For the year ended June 30, 2019

1. KEY ENTITY INFORMATION AND MANAGEMENT

a) Background information

The County is constituted as per the constitution of Kenya is headed by the County Governor, who is responsible for the general policy and strategic direction of the County.

Vision

To be the leading County in agricultural production, infrastructural and social economic development in the Country

Mission

To mobilize and work with all stakeholders and development partners through maximum utilization of all available opportunities and resources for the benefit of the entire community

b) Key Management

A. H.E MWANGI WA IRIA

Mwangi Wa Iria is the First and the Current Governor of Murang'a County. He is also the current Vice Chairman of the Council Of Governor having been elected in January 2019. Wa Iria holds a Bachelors Degree from Moi University and a Masters Degree from the Chartered Institute of Purchasing and Supply in the United Kingdom(UK).

Before joining politics, Wa Iria was the Managing Director of New Kenya Cooperative Creameries (KCC). He has also served as National Sales manager of Kenya Breweries Ltd, Managing Director of Ngano Feeds Ltd, CEO of Freshco Seeds and as General Manager of the Commercial Division of Industrial Promotion Services that brings together more than 30 companies owned by the Aga Khan Development Network.

Mwangi wa Iria aims to fully exploit the huge agricultural potential in Murang'a county by optimizing the value chain through modern crop and animal production methods, value addition (agro-industrialisation) and linkages to market in order to deliver maximum value. Key to this is the Dairy Development Project that has seen the construction of a post modern high capacity milk processing plant at Maragua, Murang'a County.

Other issues in his agenda are creation of job opportunities for youth as a means of containing security and other social ills such as alcoholism, development of a strategy to turn around declining education standards in the county, development of a robust and supportive infrastructural system and alignment of development areas to the policies and priorities of National Government.

B. Hon. MAINA KAMAU

Maina Kamau was picked by Governor Mwangi Wa Iria in the year 2017 general election as the Deputy Governor. Hon. Kamau holds a Bachelor's Degree from the University of Nairobi.

He bears vast experience in politics and public service having served as a Councillor for Highridge Ward(2002-2007) and later becoming the member of parliament for Kandara Constituency(2007-2012).

Hon. Maina Kamau is also an astute businessman with interests in the Hospitality, Agribusiness and Real Estate.

C. DAVID WAKABA WAWERU: FINANCE, ECONOMIC PLANNING AND ICT.

Mr. Wakaba is a Bachelor of Commerce Degree- Business Administration from the University of Nairobi. He also holds advanced management program from the Strathmore Business School and postgraduate training with the Marketing Society of Kenya. He has previously served in various senior level management capacities in the Government agencies and the private sector. Mr. Wakaba has immeasurable experience in the communications sector having served as the Managing Director to the National Broadcaster-KBC.

Mr. Wakaba was appointed to the County Executive in the year 2013 and reappointed to serve for the second term in the year 2017.

D. EDWARD MUIRURI-CEC YOUTH AND SPORTS.

MR. Edward Muiruri holds a Bachelors Degree and a Masters Degree from Moi University. He bears vast experience in the corporate arena having worked at senior management level for various multinationals locally and across the borders. Some of these corporate entities include giant horticultural firms.

Mr. Muiruri was appointment to the County Executive Committee in the year 2013 and served in various dockets such as Cooperatives, Special Programs, Trade and Natural Resources. He was reappointed to serve for the second term in the year 2018.

E. GERISHON NYAGIA REUBEN: CEC EDUCATION AND TECHNICAL TRAINING.

Mr. Nyagia, a Bachelors of Education Graduate has been serving as the County Executive Committee member in charge of education and technical training for seven(7) years since his appointment in the year 2015. Prior to his appointment in the year 2014 Nyagia had served in the education sector administration as a Principal for twenty three(23) years and also taught for nine (9) years. He has also served as the KESSHA Chairman for Murang'a region.

Hon. Nyagia endows the County Government with vast expertise and experience pivotal to the management of the County Education Department. Nyagia was reappointed in the year 2017 to the same portfolio.

F. HON. EUNICE NYAMBURA MACHARIA: CEC PUBLIC SERVICE AND ADMINISTRATION

Mrs. Nyambura holds an MBA in Human Resources Management, a Postgraduate Higher Diploma in Human Resources and a Bachelor Of Arts Degree from the University Of Nairobi.

Mrs. Nyambura is a long-standing administrator in the public service and a member of the Institute of Human Resources Management (IHRM) and Kenya Association of Public Administration and Management (KAPAM).

Mrs. Nyambura has expansive experience in training in Human Resources in various Ministries as Senior Personnel Officer where she served before her appointment as the Public

MURANGA COUNTY GOVERNMENT
Reports and Financial Statements
For the year ended June 30, 2019

Service and Administration CEC in the year 2013. She was further reappointed in the year 2017 to the same docket.

G. SARAH T MASAKI: CEC PHYSICAL PLANNING AND URBAN DEVELOPMENT

Mrs. Masaki holds a Masters Degree in Urban and regional Planning and Bachelor of Arts Degree from the University Of Nairobi. A registered planner Mrs. Masaki bears rich experience and training spanning over twenty (20) years in Land Management, Urban socio-economic Environmental planning & Public Administration.

She has worked in various reputable Corporate and Government Institutions.

Preceding her appointment in the year 2014 as the CEC LANDS Mrs. Masaki served as the Chief Physical Planning Officer at the Ministry of Lands.

Mrs. Masaki was reappointed in the year 2017 to the Physical Planning docket.

H. HON PAUL MACHARIA: CEC COOPERATIVES AND WATER

Mr. Macharia holds a Masters Degree in Human Resource Management-JKUAT, MBA- MT KENYA UNIVERSITY and a Bachelors Of Commerce Degree from Kenyatta University. He is also a CPA-K with several professional writings that have been published. Mr. Macharia is also pursuing a PHD in Finance at JKUAT.

Previously Mr. Macharia had served in senior management levels as an administrator at Kenyatta University, Murang'a County Government as Field Services Coordinator among others.

I. HON. JOSEPH N. MBAI: CEC HEALTH AND SANITATION

Mr. Mbai holds an MBA-Strategic Management and a Bachelors Degree in Biochemistry from the University of Nairobi. He induces wide experience in the Pharmaceutical sector having served held senior management positions in various multinationals.

He served as the regional sales manager with the GlaxoSmithKline-consumer division and a host of other pharmaceutical enterprises.

Mr. Mbai served as the County Chief Officer in the department of Health and Sanitation prior to his appointment as the CEC to the same docket in 2017.

J. HON CECILIA KIBE: CEC ENVIRONMENT, NATURAL RESOURCES & CLIMATE CHANGE

Hon. Cecilia a Bachelor of Science-agriculture graduate with a Masters Degree in Sociology and Community Development from the University Of Nairobi is an acclaimed environmentalist with over fifteen(15) years experience in the climate change arena.

Nationally, she was instrumental in the development of the climate change action plan, the climate change policy and now the climate change law.

Previously she served at the Kenya Climate Change Working Group where she spearheaded interventions on advocacy to adaptation and mitigation of climate change effects especially on food security. She was appointed to the County Executive Committee in the year 2018.

MURANGA COUNTY GOVERNMENT

Reports and Financial Statements

For the year ended June 30, 2019

K. ALBERT MWANIKINDUNGU: CEC AGRICULTURE AND LIVESTOCK

Mr. Albert Ndungu holds a BSc Degree in Agriculture and Home Economics from Egerton University and a Masters Degree in Soil Fertility from the Kenyatta University. He also holds a certificate in quality management system from the House of Quality in SA.

Ndungu bears over twenty two (22) years tremendous experience in Agriculture and Agribusiness including various multinationals such as World Vision and Frigoken.

He was appointed to serve as the CEC in the year 2013 and later reappointed to the same capacity in the year 2018.

L. Eng. AMOS NJOROGI: CEC INFRASTRUCTURE, TRANSPORT AND ENERGY

Eng Amos is a Civil Engineering Degree Graduate from the University of Nairobi. He is a registered Engineer with the Engineers Registration Board (ERB) in addition to training in disaster preparedness.

He holds a broad experience that spans over 20 years in civil engineering within Kenya and abroad having worked for various firms such as Haps Consult in design and supervision of various works.

Eng Amos was appointed as the CEC Infrastructure and Transport in the year 2013 and reappointed to the same capacity in the year 2018.

MURANGA COUNTY GOVERNMENT
Reports and Financial Statements
For the year ended June 30, 2019

2. FORWARD BY THE CEC

I hereby forward the financial statements for the financial year ended 30th June 2019. These financial statements have been prepared in accordance with International Public Sector Accounting Standards (IPSAS) and the Public Finance Management Act 2012.

Murang'a County Government had prepared its budget guided by the county's integrated development plan with key development programs been Infrastructure development, Milk production and marketing, increased food production and production and provision of water allocated the lion share of development funds. ECD and Youth polytechnics were also allocated funds to improve the infrastructure and education/training standards.

The impact of these programs can already be felt for example the two irrigation projects that have been completed have enhanced food production. Milk production has increased fourfold following the provision of quality A.I services and a ready market. These initiatives are providing farmers with guaranteed monthly income that has boosted the livelihood of many to mention but a few. The county projects are completed in time thereby ensuring the residents get value for their money.

The main challenge the county is facing is growing its revenue base. With few industries in the county and low economic activities, the county is constrained on local revenues. We also faced challenges on timely approval of budgets and processing of all financial items through IFMIS which is been addressed with assistance from the National Treasury officials. There is also a challenge in project implementation due to late disbursement of funds from national treasury. The county executive and that county assembly had a cordial working relation that has greatly contributed to the planning and implementation of development programs. We look forward to achieving a high rate of development in the county stimulated by the county government initiatives.

DAVID WAKABA WAWERU
CEC-FINANCE, IT AND ECONOMIC PLANNING

MURANGA COUNTY GOVERNMENT

Reports and Financial Statements

For the year ended June 30, 2019

3. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Sections 163, 164 and 165 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the County Treasury shall prepare financial statements of each County Government entity, receiver of receipts and consolidated financial statements for all County Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The County Executive Committee (CEC) member for finance of the County Government is responsible for the preparation and presentation of the County Government's financial statements, which give a true and fair view of the state of affairs of the County Government for and as at the end of the financial year ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Government; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Government; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The CEC member for finance accepts responsibility for the County Government's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The CEC member for finance is of the opinion that the County Government's financial statements give a true and fair view of the state of the County Government's transactions during the financial year ended June 30, 2019, and of its financial position as at that date. The CEC member for finance further confirms the completeness of the accounting records maintained for the County Government which have been relied upon in the preparation of the its financial statements as well as the adequacy of the systems of internal financial control.

The CEC member for finance confirms that the County Government has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Government's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the CEC member for finance confirms that the County Government's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The County Government's financial statements were approved and signed by the CEC member for finance on _____ 2019.

NAIROBI

REPORT OF THE AUDITOR-GENERAL ON COUNTY EXECUTIVE OF MURANG'A FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of the County Executive of Murang'a set out on pages 1 to 39, which comprise of the statement of assets and liabilities as at 30 June, 2019, statement of receipts and payments, statement of cash flows, and the summary statement of appropriation: recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Executive of Murang'a as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the County Governments Act, 2012.

Basis for Qualified Opinion

1. Discrepancies in the Financial Statements

The financial statements reflect the following anomalies:

1.1. Variances in Comparative Figures

Several comparative balances reflected in the financial statements for the year under review differ with the identical account balances reflected in the financial statements for the previous year as shown in the attached Appendix I:

1.2. Differences Between Financial Statements and Expenditure Records Balances

Comparison of several expenditure balances with payment records availed for audit revealed several unexplained differences as shown in the attached Appendix II.

1.3. Differences Between Financial Statements and Integrated Financial Management Information System (IFMIS) Balances

Several account balances reflected in the financial statements differ with balances shown in the IFMIS reports as shown in the attached Appendix III.

No satisfactory explanations or reconciliations have been provided for the differences. In view of the anomalies, the accuracy and completeness of the balances reflected in the financial statements have not been confirmed.

2.0. Unsupported Statement of Receipts and Payment Balances

2.1 Compensation of Employees - NHIF Comprehensive Medical Cover

The statement of receipts and payments reflects compensation of employees' balance totalling Kshs.3,498,758,097, as further disclosed in Note 11 to the financial statements. The balance includes Kshs.73,529,797 paid to the National Health Insurance Fund (NHIF) as medical insurance policy cover for 2,088 employees of the County Executive.

The expenditure records availed for audit indicated that the policy was for the period between 01 February, 2018 and 31 January, 2019 and was priced at Kshs.67,023,912. However, as stated, Management paid the NHIF Kshs.73,529,797 resulting an unexplained overpayment of Kshs.6,505,885.

Furthermore, Management signed a new contract with the Fund on 15 July, 2019 for enhanced terms at a premium of Kshs.110,074,633 for 2,006 staff covering the period 01 May, 2019 to 30 April, 2020. However, Management has not provided an adequate explanation for the steep rise in the cost of the premium in spite of the reduced number of employees covered, and why the contract signed on 15 July, 2019 was back-dated to 01 May, 2019.

As a result of these anomalies, the accuracy and validity of the expenditure totalling Kshs.73,529,797 incurred on comprehensive medical cover for the year ended 30 June, 2019, and the enhanced contract of Kshs.110,074,633, has not been confirmed.

2.2. Use of Goods and Services

The statement of receipts and payments reflects use of goods and services totalling Kshs.2,528,191,369, as further disclosed in Note 12 to the financial statements. The sum includes Kshs.1,071,000 paid as transport allowance to members of the public for attending meetings held within the County. However, Management did not avail signed attendance lists to confirm that the payees attended the meetings.

As a result, the occurrence and validity of the allowance payments totalling Kshs.1,071,000 has not been confirmed.

2.3. Acquisition of Assets

The statement of receipts and payments for the year ended 30 June, 2019 reflects payments on acquisition of assets totalling Kshs.940,028,897, as further disclosed in Note 17 to the financial statements. The sum includes purchase of certified seeds, breeding stock and live animals valued at Kshs.252,626,899.

The records availed for audit further indicated that during the year under review, Management supplied coffee and maize to farmers with Boma manure at a cost of Kshs.69,343,550. Management also disbursed Kshs.42,600,000 to ten (10) tea factories for improvement of factory infrastructure. The factories were to procure the services themselves and thereafter submit expenditure returns after paying for the improvement works.

However, Management did not avail tender documents for the supply and transportation of the manure, and signed lists of farmers supplied with the manure. Further, expenditure returns including tender documents, letters of offer and inspection and acceptance of works reports for the grants totalling Kshs.42,600,000 remitted to tea processing factories were not presented for audit review.

In the absence of relevant evidence, the occurrence and validity of expenditure totalling Kshs.354,570,449 reported to have been incurred on grants to farmers and tea factories and included in the acquisition of assets expenditure totalling Kshs.940,028,897 reflected in the statement of receipts and payments for the year ended 30 June, 2019, has not been confirmed.

2.4. Unsupported County Own-Generated Receipts

The statement of receipts and payments for the year ended 30 June, 2019 reflects own-generated revenue totalling Kshs.699,007,969, as further disclosed in Note 9 to the financial statements. The following observations were made in regard to revenue collection and accounting:

- (i) Examination of revenue records at Matiba Eye and Dental Hospital indicated that the Hospital collected hospital fees totalling Kshs.7,878,735 during the year under review but banked Kshs.2,288,230 resulting to a shortfall of Kshs.5,590,505.
- (ii) In addition, Mariira Farm collected Kshs.2,483,171 but banked Kshs.1,040,404 resulting to a revenue shortfall of Kshs.1,442,767.
- (iii) During the month of June, 2019, milk collections at the Farm cost Kshs.30,800 but the total sales amounted to Kshs.23,405 resulting in a shortfall of Kshs.7,395 which Management did not explain.

Further, examination of receipt books, business permit and liquor license records revealed the following anomalies:

- i. Business permit receipts for the month of February, 2019 were Kshs.5,687,500, whereas only Kshs.3,251,750 was recorded in the collection ledger. The shortfall amounting to Kshs.2,435,750 was not explained.
- ii. Similarly, business permit revenue receipt books for March, 2019 in respect of Murang'a Town revealed collections for the year totaled Kshs.8,761,050 while the revenue collection sheets reflected Kshs.6,710,800 resulting in unreconciled difference of Kshs.2,050,250.
- iii. Liquor license fees recorded in receipt books from Kandara, Murang'a Town and Maragua sub-counties reflected revenues of Kshs.7,055,000, Kshs.3,490,000 and Kshs.5,861,900 respectively while the ledger and collection sheets maintained at the headquarters indicated receipts of Kshs.4,264,000, Kshs.1,328,750 and Kshs.6,088,700, respectively. The differences between the receipt books and collection control sheets were not explained.

In view of these anomalies, the completeness and accuracy of county own-generated revenue amounting to Kshs.699,007,969 reflected in the statement of receipts and payments for the year ended 30 June, 2019 has not been confirmed.

2. Unsupported Pending Accounts Payables

Included in Note 5.10 to the financial statements under other important disclosures are pending accounts payables (bills) totalling to Kshs.1,525,661,683 as at 30 June, 2019, as summarized below:

Description	Amount Kshs.
Construction of Buildings	63,603,700
Construction of Civil Works	236,684,398
Supply of Goods	1,147,071,002
Supply of Services	78,302,583
Total	1,525,661,683

However, the balance excludes unremitted contributions to the Local Authorities Pension Fund (LAPFUND) amounting to Kshs.1,056,359 for three (3) officers for the period August, 2014 to December, 2015.

In addition, Management has not disclosed, in the movement schedule, bills incurred during the year and payments made in respect of the pending accounts payables as required in Annexure 2 of the financial statements.

Further, no adequate explanation has been provided by Management for the very large balance of pending bills totalling Kshs.1,525,661,683 as at 30 June, 2019.

In absence of sufficient and relevant evidence, the accuracy and completeness of the pending bills balances totalling Kshs.1,525,661,683 outstanding as at 30 June, 2019 has not been confirmed.

4. Unconfirmed Fixed Assets Balance

The summary of fixed assets disclosed in Annex 5 to the financial statements reflects fixed assets totalling Kshs.4,269,166,998 as at 30 June, 2019. However, the summary reflects a nil balance for biological assets although audit verification revealed that the County Government owned biological assets, including dairy animals, at Mariira Farm. The assets have not, however, been valued for inclusion in the assets records. No adequate explanation has been provided by Management for the failure to value and include the biological assets in the financial statements.

Consequently, the valuation and completeness of the fixed assets balance of Kshs.4,269,166,998 reflected in the statement of assets and liabilities as at 30 June, 2019 has not been confirmed.

5. Failure to Disclose Progress on Follow-Up of Audit Recommendations

Management has not included in the financial statements information on progress made in following up on auditor's recommendations on the previous year's audit.

As a result, the financial statements do not comply with the reporting guidelines prescribed by the Public Sector Accounting Standards Board (PSASB).

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the County Executive of Murang'a in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. I have determined that there were no other key audit matters to report in the year under review.

Other Matter

1. Budget Control and Performance

The summary statement of appropriation: recurrent and development combined reflects expenditure totalling Kshs.7,856,180,169 equivalent to 89% of the budget for the year amounting to Kshs.8,809,779,834 resulting to under-expenditure of Kshs.953,599,665 or 11% of the budget as indicated:

Vote	2018/2019 Budget Kshs.	2018/2019 Actual Expenditure Kshs.	Under- expenditure Kshs.	% Under- expenditure to the Budget
Recurrent	5,311,196,658	5,147,959,214	163,237,444	3
Development	3,498,583,176	2,708,220,955	790,362,221	23
Total	8,809,779,834	7,856,180,169	953,599,665	11

Management has not provided a satisfactory explanation for failure to utilize all the funds budgeted for use during the year under review.

Further, Management had budgeted to raise revenue totalling Kshs.1,000,000,000 from local sources. However, the actual amount totaled Kshs.699,007,969 equivalent to 70% of the budget resulting in a revenue shortfall of Kshs.300,992,031. Further, revenue collection in the previous three (3) years, from 2016/2017 to 2018/2019, failed to meet collection targets, as shown below:

Year	Revenue Target/ Budget Kshs.	Actual Receipts Kshs.	% of Actual to Budget	Revenue shortfall Kshs.	% Revenue Growth/ (Decline)
2016/2017	880,000,000	535,583,977	60.8	351,118,925	
2017/2018	850,000,000	423,996,982	49.9	426,003,018	(20.8)
2018/2019	1,000,000,000	699,007,969	69.9	300,992,031	64.9

No explanation has been provided by Management for the persistent under-collection of revenue.

Failure to attain revenue and expenditure targets hinders delivery of goods and services to citizens and implementation of development programmes.

2. Unresolved Prior Year's Issues

The audit report for the previous year highlighted various anomalies in respect to the accuracy and completeness of the financial statements, lawfulness and effectiveness in use of public resources and effectiveness of internal control and risk management systems. As previously mentioned, Management has not disclosed the progress made in resolving the issues.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Qualified Opinion and Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of

my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 Unapproved Salary Payments

The approved budget for compensation of employees was Kshs.3,381,606,432 whereas the actual expenditure amounted to Kshs.3,498,758,097, resulting in over-expenditure of Kshs.117,151,665 equivalent to 3% of the budget. However, Management did not present, for audit review, approvals or the supplementary budget to confirm that the over-expenditure was approved as required by Section 135 of the Public Finance Management Act, 2012.

1.1 Unremitted Tax

Records availed for audit indicated that Kshs.15,886,097 was, during the year under review, paid as salary arrears to former employees of the Economic Stimulus Programme. However, Management did not provide supporting documents to confirm whether Pay-As-You-Earn (PAYE) tax estimated at Kshs.4,765,829 due for collection from the payments was deducted and remitted to Kenya Revenue Authority (KRA) as required in Section 37(1) and (2) of Income Tax Act.

1.2 Irregular Payment of PAYE from the Development Vote

The expenditure records further indicated that Kshs.16,536,657 was paid to the Kenya Revenue Authority (KRA) as penalties and interest on PAYE taxes amounting to Kshs.12,159,306 after Management delayed remittance of taxes to the Authority. However, documents to support the payments including supplementary budget granted by the County Assembly for the additional expenditure and approval to pay the amount from the Development Vote instead of Recurrent Vote from which it was payable were not presented for audit. By making the payment from the Development Vote, Management contravened Section 154(1)(b) of the Public Finance Management Act, 2012, which prohibits Accounting Officers from authorizing the transfer of monies appropriated for capital expenditure except to defray other capital expenditure for creation or renewal of assets.

1.3 Unsupported Recruitment of Casuals

The compensation of employees balance further includes Kshs.504,547,870 basic wages paid to temporary employees` out of which Kshs.13,097,114 was paid to forty-six (46) casual staff recruited to process National Hospital Insurance Fund (NHIF) claims for the months of May, June and July, 2018. However, Management did not provide evidence to support that the posts were advertised as required in law and the appointment letters issued to the payees. In addition, signed muster rolls showing the pay rates, identities of the payees and the sums paid to them were not availed for audit. Similarly, there was no

confirmation whether PAYE (Pay-as-You-Earn) tax due estimated at Kshs.1,289,441 was paid to the KRA.

Furthermore, the casuals worked for more than three (3) months without ceasing contrary to the provisions of Section 37(1) of Employment Act, 2007 (Revised 2012) that limits casual employment to three months durations.

2.0 Non-Compliance with the Public Finance Management (County Government) Regulations, 2015 on Fiscal Discipline

The statement of receipts and payments reflects compensation of employees' expenditure totalling Kshs.3,498,758,097 equivalent to 47.4% of the receipts for the year totalling Kshs.7,379,185,471. The County Executive therefore, exceeded the threshold of 35% for such expenditure set in Regulation 25 (1) (b) of the Public Finance Management (County Governments) Regulations, 2015.

In the circumstances, the Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Qualified Opinion, Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources and Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance sections of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

1. Weaknesses in Management of Medical Stores

A review of the procurement process followed in the purchase of medical supplies revealed the following internal control weaknesses:

- i. In several instances, inspection and acceptance committee reports for purchase of pharmaceutical drugs, non-pharmaceuticals, dressings and lab reagents were raised after goods had been supplied, recorded in stores, and issued to the user

departments. As a result, the worth and conformity of the supplies to the respective contract agreements and validity of the stores records could not be confirmed.

- ii. Records on drugs received and issued from Murang'a County Referral Hospital Stores to the Pharmacy Department and other health facilities revealed discrepancies between counter-receipt and issue vouchers (S11) and records maintained by the facilities.
- iii. Stores records at the hospital were not standardized. For instance, stores issue notes were printed from ordinary stationery(A4) paper and serial numbers inserted manually. As a result, the trail of transactions for internal control and audit not clear.

In the circumstances, Management has not established and maintained effective internal controls on procurement and use of medical stores. As a result, the risk of loss of supplies purchased through public funds, and of supply of sub-standard items, is high.

2. Lack of Audit Committee

As similarly reported in the previous year, Management is yet to establish an Audit Committee as required by Regulation 42(1)(e) of the Public Finance Management (County Governments) Regulations, 2015.

Consequently, an effective governance system for management of public funds envisaged in the Regulations does not exist in the County.

3. Long Outstanding Rates Arrears

Annexure 7 to the financial statements reflects outstanding plot rent and rate arrears totalling Kshs.865,270,581 as at 30 June, 2019. Records presented for audit indicated that the arrears of revenue have been outstanding, and have risen steadily, for several years.

Management has not explained the remedial actions it has taken to collect the arrears to fund delivery of essential services to the residents of Murang'a County.

In the circumstance, internal controls on revenue collection are not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is

necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the County Executive's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the County Executive, or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the County Executive monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1) (a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County Executive's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Executive to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Executive to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Nancy Gathungu
AUDITOR-GENERAL

Nairobi

[Provide below a commentary on significant underutilization (below 50% of utilization) and any overutilization]

(Explain whether the changes between the original and final are as a result of reallocations within the budget or other causes as per IPSAS 1.9.23. The total figures on the recurrent budget execution statement and development budget execution should add up to the totals of the combined statement.)

1. The ksh. 40,591,435 were grants from Road Maintenance Fuel Levy Fund for the financial year 2017 /2018 but it came late on 21-11-2018
2. Transfer to other government units with 38% this occurred because the county government didn't make to get Equitable Share on time that we received our last disbursement on 05-Jul-2019 after the year ended.

The entity financial statements were approved on _____ 2019 and signed by:

6. PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolve d / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
		The information has been provided separately.			

Guidance Notes:

- (i) Use the same reference numbers as contained in the external audit report;
- (ii) Obtain the “Issue/Observation” and “management comments”, required above, from final external audit report that is signed by Management;
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;
- (iv) Indicate the status of “Resolved” or “Not Resolved” by the date of submitting this report to National Treasury.

5.8. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The receivables and payables are disclosed in the Statement of Assets and Liabilities.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The financial statements are for the Muranga County Government. The financial statements encompass the reporting entity as specified under section 164 of the PFM Act 2012.

3. Recognition of receipts and payments

a) Recognition of receipts

The County Government recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government.

Tax receipts

Tax Receipts is recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received.

Transfers from the Exchequer

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Donations and grants

Grants and donations shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary. In case of grant/donation in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice.

Proceeds from borrowing

Borrowing includes Treasury bill, treasury bonds, corporate bonds; sovereign bonds and external loans acquired by the entity or any other debt the County Government may take on will be treated on cash basis and recognized as receipts during the year of receipt.

Undrawn external assistance

These are loans and grants at reporting date as specified in a binding agreement and relate to funding for projects currently under development where conditions have been satisfied or their ongoing satisfaction is highly likely and the project is anticipated to continue to completion. During the year ended 30th June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

County Own Generated Receipts

These include Appropriation-in-Aid and relates to receipts such as trade licences, cess, fees, property income among others generated by the County Government from its citizenry. These are recognised in the financial statements the time associated cash is received.

Returns to CRF Issues

These relate to unspent balances in the development, recurrent and deposit accounts at the end of the year which are returned to the County Revenue Fund (CRF) and appropriated through a supplementary budget to enable the County to spend funds. These funds are recognised once appropriated through a supplementary budget process.

b) Recognition of payments

The entity recognises all expenses when the event occurs and the related cash has actually been paid out by the entity.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Interest on borrowing

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

Repayment of borrowing (principal amount)

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made. The stock of debt is disclosed as an annexure to the County consolidated financial statements.

Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

4. In-kind contributions

In-kind contributions are donations that are made to the *entity* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *entity* includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th June 2019, this amounted to KShs xxx compared to KShs xxx in prior period as indicated on note xxxx.

There were no other restrictions on cash during the year

6. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

7. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

8. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

9. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the *Muranga county government* at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

10. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Muranga county government budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly on 11th June 2019 for the period 1st July 2018 to 30th June 2019 as required by law. There were 2 number of supplementary budgets passed in the year. A high-level assessment of the *Muranga county government* actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

11. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

12. Subsequent events

Events subsequent to submission of the financial year end financial statements to the National Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of National Treasury.

13. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

14. Related party transactions

Related party transactions involve cash and in kind transactions with the National Government, National Government entities and County Government entities. Specific information with regards to related party transactions is included in the disclosure notes.
