## **2. FORWARD BY THE CECM, FINANCE & ECONOMIC PLANNING**

It is my pleasure to present financial statements of the County Government of Nakuru for the year ended 30<sup>th</sup> June, 2019. The financial statements present the financial performance of the County Government for the period under review, 1<sup>st</sup> July 2018 to 30<sup>th</sup> June 2019.

Pursuant to Section 164, of Public Finance Management Act, an Accounting Officer for a County Government entity shall prepare Financial Statements in respect of the entity in formats prescribed by the Public Sector Accounting Standards Board. Subsection (4) further requires that these statements are submitted to the Auditor General and copies of the statements should also be delivered to the National Treasury, Controller of Budget and Commission for Revenue Allocation within three months after the end of each financial year. The attached Financial Statements present a true and fair view of the state of affairs of the County Government of Nakuru for the financial year ending 30<sup>th</sup> June, 2019.

The constitution of Kenya under article 202 provides that revenue raised nationally should be equitably shared among the National Government and the County Governments. The County Allocation of Revenue Act is used as a basis for equitable allocation of resources to the Counties. The Commission of Revenue Allocation is mandated to equitably allocate financial resources to counties which is then approved by Parliament in accordance with Article 217 of the Constitution.

Nakuru County also finances its operations through own generated revenues and continues to explore new and innovative ways of increasing its local revenue collections. Some of the measures that the county has taken towards improving its revenue collection include;

- ❖ Automation of revenue collection. - Nakuru County uses a system called ZIZI to collect revenue.
- ❖ Capacity building Revenue collection staff for seamless operations
- ❖ Enhanced facilitation of tools and equipment for the enforcement team ie clamps and vehicles
- ❖ Enhanced public awareness

The ward sports fund through funding of various sports teams as well as acquisition and distribution of assorted sports equipment's throughout the county.</p>

Despite the above notable achievements, Nakuru County has experienced some challenges during the year under review. The challenges include:

- a. Inadequacy of technical staffs i.e. Planners, valuers, and development controllers
- b. Political process i.e. the finance bill process of approval by the Assembly taking too long which hinders proper planning.
- c. Delay in disbursement of funds by the National Treasury.

### **3. STATEMENT OF MANAGEMENT RESPONSIBILITIES**

Sections 163,164 and 165 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the County Treasury shall prepare financial statements of each County Government entity, receiver of receipts and consolidated financial statements for all County Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

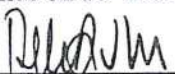

The County Executive Committee (CEC) member for finance of the County Government is responsible for the preparation and presentation of the County Government's financial statements, which give a true and fair view of the state of affairs of the County Government for and as at the end of the financial year ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Government; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Government; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The CEC member for finance accepts responsibility for the County Government's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The CEC member for finance is of the opinion that the County Government's financial statements give a true and fair view of the state of the County Government's transactions during the financial year ended June 30, 2019, and of its financial position as at that date. The CEC member for finance further confirms the completeness of the accounting records maintained for the County Government which have been relied upon in the preparation of the its financial statements as well as the adequacy of the systems of internal financial control.

The CEC member for finance confirms that the County Government has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Government's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the CEC member for finance confirms that the County Government's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

#### **Approval of the financial statements**

The County Government's financial statements were approved and signed by the CEC member for finance on 16<sup>th</sup> December 2019.

## **REPORT OF THE AUDITOR-GENERAL ON COUNTY EXECUTIVE OF NAKURU FOR THE YEAR ENDED 30 JUNE, 2019**

---

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of County Executive of Nakuru set out on pages 1 to 50, which comprise of the statement of assets and liabilities as at 30 June, 2019, statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Executive of Nakuru as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and County Governments Act, 2012.

#### **Basis for Qualified Opinion**

##### **1.0 Presentation of the Financial Statements**

##### **1.1 Inaccuracies in the Statement of Assets and Liabilities**

The comparative statement of assets and liabilities as at 30 June, 2019 reflects net financial assets of Kshs.3,812,199,764 and net financial position of Kshs.3,858,426,994 resulting to a variance of Kshs.46,227,230 which has not been explained or reconciled.

Further, as disclosed under Note 21A to the financial statements, the statement of assets and liabilities reflects bank balances of Kshs.5,748,725,040 (2018-Kshs.3,858,426,994). This comprises of balances held in fifty-nine (59) bank accounts. However, a review of the bank balances in six (6) bank accounts amounting to Kshs.13,747,544 indicate that the balances had not been supported by cashbooks and board of survey reports as shown below:

<b>Bank Account</b>	<b>Balance (Kshs.)</b>
Kenya Commercial Bank A/C No.1140746057	3,928,462
Co-Operative Bank A/C No.01141521630800	222,940
Transnational Bank A/C No.470610/500uca00/1	290,557
Kenya Commercial Bank A/C No.1156245524	7,419,514
Co-Operative Bank A/C No.01141026760800	1,564,990
Kenya Commercial Bank A/C No.1156856272	321,081
<b>Total</b>	<b>13,747,544</b>

The above is contrary to Section 100 of the Public Finance Management (County Governments) Regulations, 2015 which requires the Accounting Officers to keep a cashbook showing the receipts and payments for all the accounts.

In addition, the bank reconciliation statements for four (4) revenue bank accounts reflected payments and receipts totaling to Kshs.148,434,172 and Kshs.34,348,977 respectively recorded in the bank but not recorded in the cashbooks as detailed below:

<b>Bank Account</b>	<b>Unrecorded Payments (Kshs.)</b>	<b>Unrecorded Receipts (Kshs.)</b>
Kenya Commercial Bank -1140746057	71,439,544	19,118,219
Family Bank - 018000053211	32,500	3,471,284
Equity Bank - 0130261954816	15,940,363	6,993,455
Co-operative Bank - 01141521630800	61,021,765	4,766,019
<b>Totals</b>	<b>148,434,172</b>	<b>34,348,977</b>

Management has not provided explanations for the control weaknesses in recording receipts and payments in the cash books.

In the circumstances, the accuracy and completeness of cash and cash equivalents totalling to Kshs.5,748,725,040 reflected in the statement of assets and liabilities as at 30 June, 2019 cannot be confirmed.

## 1.2 Inaccuracies in Receipts and Payments

The statement of receipts and payments reflected total payments of Kshs.12,643,173,103 which constitutes expenditure totalling Kshs.698,872,859.45 whose IFMIS payment details revealed that the amount was irregularly charged under code 6530101 and 6540101 which are not expenditure codes but charged to the Recurrent and Development votes as detailed below:

<b>Department</b>	<b>Recurrent Account 6530101 (Kshs.)</b>	<b>Development Account 6540101 (Kshs.)</b>	<b>Amount Expensed via Imprest Bank Account (Kshs.)</b>
Health	256,044,481	208,707,390	464,751,871
Governor	40,694,202	0	40,694,202
Public Service Training & Development	11,332,493	0	11,332,493

<b>Department</b>	<b>Recurrent Account 6530101 (Kshs.)</b>	<b>Development Account 6540101 (Kshs.)</b>	<b>Amount Expensed via Imprest Bank Account (Kshs.)</b>
Youth	8,601,393	0	8,601,393
Agriculture	7,135,574	36,548,603	43,684,177
Infrastructure	4,882,818	63493206	68,376,024
Finance	3,558,879	-	3,558,879
Environment	1,610,989	14885241	16,496,231
Education	992,020	40,385,569	41,377,589
<b>Total</b>	<b>334,852,851</b>	<b>364,020,009</b>	<b>698,872,859</b>

In the circumstances, the accuracy and completeness of the expenditure amounting to Kshs.698,872,859 for the year ended 30 June, 2019 cannot be confirmed.

Further, a comparison of the financial statements and the Integrated Financial Management Information Systems (IFMIS) Trial Balance reflects discrepancies between various balances as detailed below:-

<b>Item</b>	<b>Financial Statements Balance (Kshs.)</b>	<b>IFMIS Balance (Kshs.)</b>	<b>Variance (Kshs.)</b>
County Own Generated Receipts	2,810,570,958	1,004,467,138	1,806,103,820
Compensation of Employees	5,631,546,528	5,927,369,924	(295,823,396)
Use of Goods and Services	1,915,919,660	2,345,437,640	(398,904,690)
Transfers to Other Government Units	1,072,420,719	0	1,072,420,719
Other Grants and Transfers	2,052,970,474	730,804,901	1,322,165,573
Social Security Benefits	0	48,466,222	(48,466,222)
Acquisition of Assets	1,845,008,051	1,975,384,181	(130,376,130)
Finance Costs, including Loan Interest	0	80,951,217	(80,951,217)
Repayment of Principal on Domestic and Foreign Borrowing	45,100,000	0	45,100,000

Consequently, the accuracy and completeness of the statements of receipts and payments for the year ended 30 June, 2019 cannot be confirmed.

## **2.0 Failure to Prepare the Statement of Budget Execution by Programmes and Sub-Programmes**

The financial statements reflects a blank statement of budget execution by programmes and sub-programmes contrary to the prescribed format by the Public Sector Accounting Standards Board (PSASB) and the International Public Sector Accounting Standards (IPSAS) cash basis.

Consequently, the accuracy and completeness of the statement of budget execution by programmes and sub-programmes cannot be confirmed.

### **3.0 Unsupported Insurance Costs**

As disclosed under Note 12 to the financial statements, the statement of receipts and payments reflects expenditure on use of goods and services amounting to Kshs.1,915,919,660 (2018-Kshs.1,474,335,723). Included in the amount is insurance costs amounting to Kshs.146,080,549 which constitutes payment of Kshs.21,045,393 and Kshs.12,328,518 in respect of provision of general insurance and group life insurance covers respectively. However, no supporting documents for the two insurance covers by way of policy documents and the cover forms were availed for audit review.

Further, an amount of Kshs.9,954,607 was paid to an Insurance Company for the provision of medical insurance services to the County Executive Members. The cover was renewed with the existing service provider directly without subjecting the process to competition contrary to section 104 of the Public Procurement and Asset Disposal Act, 2015.

In the circumstances, the completeness and accuracy of the use of goods and services totalling to Kshs.1,915,919,660 reflected in the statement of receipts and payments for the year ended 30 June, 2019 could not be confirmed.

### **4.0 Irregular Payments to Rift Valley Provincial Hospital**

The statement of receipts and payments reflects total payments of Kshs.12,643,173,104 which comprised of transfers made to the Rift Valley Provincial Hospital amounting to Kshs.16,921,000 being Kshs.9,000,000 and Kshs.7,921,000 from Office of the Governor and Department of Public Service Training and Development. However, it has not been explained why the hospital was paid the amount from the two (2) sources despite having its own allocation under the Department of Health. Although it has been explained that the payments were inter departmental transfers, the basis for the transfer and the intended purposes for the amount transferred was not explained.

In the circumstances, the completeness and accuracy of the expenditure totalling to Kshs.16,921,000 reflected in the statement of receipts and payments for the year ended 30 June, 2019 could not be ascertained.

### **5.0 Misappropriation of Revenue - Bahati Sub-County Hospital**

As disclosed under Note 9 to the financial statements, the statement of receipts and payments reflects County own generated receipts totalling to Kshs.2,810,570,958 (2018-Kshs.2,280,522,614). Included in the receipts is public health services collections by Bahati Sub-County hospital under the Facility Improvement Fund amounting to Kshs.30,013,120. Examination of records available indicates that during the year under review, an amount of Kshs.8,255,865 though collected, was not banked and was therefore not accounted for. However, at the time of the audit, the matter had been reported to the police for action and is therefore under investigation.

Consequently, the completeness and accuracy of the county own generated receipts amounting to Kshs.2,810,570,958 reflected in the statement of receipts and payments for the year ended 30 June, 2019 could not be confirmed.

## **6.0 Unsupported Repayment of Principal on Domestic and Foreign Borrowing**

As reported in the previous year, and as disclosed under Note 19 to the financial statements, the statement of receipts and payments reflects repayments of principal on domestic and foreign borrowings totalling to Kshs.45,100,000 (2018-Kshs.44,509,561. However, the expenditure was not supported by the relevant accountable schedules, payment vouchers, bank statements and the loan agreements for audit review.

In the circumstance, it was not possible to confirm the completeness and accuracy of the loan balance of Kshs.45,100,000 (and any accruing interest thereof) reflected in the statement of receipts and payments for the year ended 30 June, 2019.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of County Executive of Nakuru Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under view.

### **Other Matter**

#### **1. Budgetary Control and Performance**

The summary statement of appropriation - recurrent and development combined reflects approved receipts budget and actual on comparable basis of Kshs.14,456,777,571 and Kshs.14,672,508,385 respectively resulting to a surplus of Kshs.215,730,814. Similarly, the statement on approved expenditure budget and actual on comparative basis of Kshs.18,530,935,379 and Kshs.12,643,173,104 respectively resulted to an overall under expenditure of Kshs.5,887,762,276 or 32% of the budget. The under expenditure is indicative that some planned activities and programs for the year were not under taken.

Consequently, under expenditure on development budget may impact negatively on service delivery to the residents of Nakuru County.

#### **2. Non-Disclosure of Pending Bills**

Under Annex 2 - Other important disclosures in Note 5.10 to the financial statements reflects pending accounts payables balance of Kshs.1,471,242,025 (2018-Kshs.1,912,812,405). However, amounts due to the National Industrial Training

Authority (NITA) and the defunct Local Authorities of Kshs.58,267,688 and Kshs.997,509,857 respectively have not been included in the balance. The bills constitute pending bills for the previous periods up to 2013/2014 which have not been cleared as a first charge during the subsequent budgets and no reason was given for failure to clear the pending bills.

Consequently, the accuracy and completeness of the pending bills balance of Kshs.1,471,242,025 as at 30 June, 2019 could not be confirmed.

### **3. Prior Year Unresolved Issues**

In the audit report of the previous year, several paragraphs were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, although the Management has indicated that some issues have been responded to while others are awaiting feedback, the matters have remained unresolved as the Senate has yet to deliberate on the same.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **1.0 Failure to Prepare Receiver of Revenue Statement**

Section 165(1) and (2)(b) of the Public Finance Management Act, 2012, requires every receiver of revenue to prepare a statement of revenue collected, received, recovered and arrears during the year. The Management did not prepare statement of revenue for the year ended 30 June, 2019.

Consequently, the Management is in breach of the law.

#### **2.0 Unauthorized Expenditure - Procurement of Ambulances**

The statement of receipts and payments reflects expenditure on acquisition of assets amounting to Kshs.1,845,008,051 (2018-Kshs.1,422,978,207) and as disclosed under Note 17 to the financial , which includes purchase of vehicles and other transport equipment of Kshs.254,265,282. Out of this amount, Management spent Kshs.47,650,000 on procurement of five (5) ambulances. However, Management did not avail any evidence on how they were budgeted for as they were not in the approved annual procurement plan. This is contrary to Section 53 (1)(8) of the Public Procurement and Asset Disposal Act, 2015 which states that an Accounting Officer shall not commence any procurement proceedings until satisfied that sufficient funds

to meet the obligations of the resulting contract are reflected in its approved budget estimates.

Consequently, the Management was in breach of the law.

### **3.0 Irregular Waivers or Variation of Land Rates**

During the year under review, Management waived/varied Kshs.5,355,330. However, classification of whether they were general waivers or waivers to persons living with disability was not availed for audit review. This was contrary to Section 64(3) (d)(e) of County Government Regulations, 2015 which requires the reason for the waiver or variation and the law in terms of which the waiver or variation was granted be indicated as provided under Article 210(2) of the Constitution.

In view of the above, Management is in breach of law

### **4.0 Irregular Payment of Allowances to Members of County Assembly (MCA)**

The statement of receipts and payments reflects use of goods and services expenditure of Kshs.1,915,919,660 and as disclosed under Note 12 to the financial statements. Included in this expenditure is Kshs.9,044,646 being payments of allowances to MCA to the budget, agriculture and land committees under various sub votes. Management did not explain why the committees were being facilitated by the County Executive instead of through the County Assembly vote contrary to section 107(1) of the Public Finance Management Act, 2012.

In the circumstances, the Management is in breach of the law.

### **5.0 Lack of Lease Contract - Managed Equipment Services, MES**

The Management signed a Memorandum of Understanding (MOU) with the State Department of Health for the provision of medical equipment and related services - Managed Equipment Services (MES). The equipment was to be provided on a seven (7) years lease arrangement. Analysis of the County Allocation of Revenue Act, 2016, 2017, 2018 and 2019 reflects payments totalling to Kshs.391,489,362 on account of Managed Equipment Services (MES).

However, the Management did not avail the cost and allocation details of the respective values of the equipment delivered or the lease agreement which would inform the basis for making the payments.

In absence of such fundamental records, it has not been possible to confirm whether the County residents have received value for money from the Managed Equipment Services (MES) agreement.

### **6.0 Irregular Payment of Commission**

As reported in the previous year, the Management entered into an agreement with a Company to offer revenue collection solution services commencing 1 December, 2014 for a period of five (5) years. Clause 3.1.3 of the agreement required the Point-of-Sale (POS) terminals to be primarily used for collection of revenue categories specified in Schedule I of the agreement except in instances where integration with the County

Government system would be required. However, it was noted that the System had not been integrated with the bank. The clients pay for Business Permit and Liquor Licenses streams of revenue by making deposit license fees in the County bank accounts and thereafter, present the deposit slips at the County revenue offices for receipting. This implies that there was no value addition from the System despite payment of commission of Kshs.21,699,280.27 equivalent to 4.5% of the value.

Further, some inconsistencies were noted in the reports generated by the system, for instance, Sub county report for the period between 1 July, 2018 to 30 June, 2019 generated on 28 August, 2019 indicated that Kshs.959,910,194.61 was collected from the eleven (11) Sub-counties. A similar report generated for the same regions and period the following day on 29 August, 2019 indicated that the total revenue collected amounted to Kshs.978,987,735.61 thereby resulting to unexplained variance of Kshs.19,077,541.

No explanation has been provided for charging of commission of 4.5% on revenue streams that were not collected through the system and no action appears to have been taken to address the inconsistencies in the reports generated by the system.

In the circumstances, the payment to the company of Kshs.21,699,280.27 could not be confirmed as a proper charge to public funds.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Basis for Conclusion**

#### **1. Over Age Employees**

Analysis of the payroll reports reflected two (2) employees who had attained the mandatory retirement age of sixty (60) years in 2017 and 2018 but continued to receive salary payments up to 30 June, 2019. The two had collectively earned Kshs.4,744,680 after attaining the retirement age.

Management has not provided explanations why the employees have not been retired and services terminated.

## **2. Non-Compliance with the One Third of Basic Salary Rule**

During the year ended 30 June, 2019, fifty-six (56) employees earned a net salary of less than a third (1/3) of the basic salary contrary to Section C.1(3) of the Public Service Commission (PSC) Human Resource Policies, 2016. The Management has not given explanation for failure to comply with the policy.

In the circumstances, the County contravened Section C.1(3) of the Public Service Commission (PSC) Human Resource Policies, 2016 and this may expose the staff to pecuniary embarrassment.

## **3. Lack of Fixed Assets Management Policy**

Summary of fixed assets register- Annex 5 to the financial statements discloses historical cost of assets of Kshs.4,638,099,472 as at 30 June, 2019. However, there is no asset management policy to guide on safeguarding of the County assets. Further, assets acquired during the year had not been tagged as at the time of the audit contrary to section 136 of the Public Finance Management (County Governments) Regulations, 2015.

Further, the summary of fixed assets register includes assets inherited by the County Government from the defunct local authorities. However, there is no evidence to identify the assets, valuation and ownership documents to the County Government.

Consequently, the Management may not have instituted proper mechanism to safeguard and maintain proper custody of the assets.

## **4. Stalled and Incomplete Projects**

Physical verification of twelve (12) sampled projects being implemented by the County departments at a contract sum of Kshs.591,098,854 during the months of July and October, 2019 reflects that the projects were at various stages of completion as outlined in the attached **Appendix I**.

In the circumstances, it is not possible to confirm whether the citizens of Nakuru County will receive value for money on projects valued at Kshs.591,098,854.

## **5. Long Outstanding Rent Arrears**

As disclosed under Note 9 to the financial statements, the statement of receipts and payments reflects County own generated receipts totalling to Kshs.2,810,570,958 (2018-Kshs.2,280,522,614) which includes rent amounting to Kshs.17,991,218. However, examination of rent records, reflects rent arrears totalling to Kshs.291,528,034 as at 30 June, 2019. The Management has not put in place measures to ensure full collection of the outstanding rent.

Consequently, the effectiveness of the rent collection processes could not be confirmed.

## **6. Failure to Develop Risk Management and Fraud Policies and Establish IT Strategy Committee**

Section 158(1) of the County Government Regulations, 2015, requires the Accounting Officer to ensure that a County Government entity develops risk management strategies, which include fraud prevention mechanism. The Management of the County Executive of Nakuru is yet to develop risk management and fraud policies. Further, Management has not established an IT Strategy Committee to provide leadership on the implementation and review of the existing technologies. Consequently, the IT Strategic Plan and Security Policy have not been prepared.

In the absence of the policies, the County is exposed to risk of fraud as this may not be identified in advance and mitigated.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, management is responsible for assessing the County Executive's ability to continue to sustain its services, disclosing, as applicable, matters related sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the County Executive or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the County Executive monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

## **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- ~~Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County Executive's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Executive to cease to continue to sustain its services.~~
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Executive to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

**5.8. SIGNIFICANT ACCOUNTING POLICIES**

The principle accounting policies adopted in the preparation of these financial statements are set out below:

**1. Statement of compliance and basis of preparation**

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The receivables and payables are disclosed in the Statement of Assets and Liabilities.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

**2. Reporting entity**

The financial statements are for the County Government of Nakuru. The financial statements encompass the reporting entity as specified under section 164 of the PFM Act 2012.

**3. Recognition of receipts and payments**

**a) Recognition of receipts**

The County Government recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government.

**Tax receipts**

Tax Receipts is recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received.

**Transfers from the Exchequer**

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

**COUNTY GOVERNMENT OF NAKURU**  
**Reports and Financial Statements**  
**For the year ended June 30, 2019**

---

**SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**External Assistance**

External assistance is received through grants and loans from multilateral and bilateral development partners.

**Donations and grants**

Grants and donations shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary. In case of grant/donation in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice.

**Proceeds from borrowing**

Borrowing includes Treasury bill, treasury bonds, corporate bonds; sovereign bonds and external loans acquired by the entity or any other debt the County Government may take on will be treated on cash basis and recognized as receipts during the year of receipt.

**Undrawn external assistance**

These are loans and grants at reporting date as specified in a binding agreement and relate to funding for projects currently under development where conditions have been satisfied or their ongoing satisfaction is highly likely and the project is anticipated to continue to completion. During the year ended 30th June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

**County Own Generated Receipts**

These include Appropriation-in-Aid and relates to receipts such as trade licences, cess, fees, property income among others generated by the County Government from its citizenry. These are recognised in the financial statements the time associated cash is received.

**Returns to CRF Issues**

These relate to unspent balances in the development, recurrent and deposit accounts at the end of the year which are returned to the County Revenue Fund (CRF) and appropriated through a supplementary budget to enable the County to spend funds. These funds are recognised once appropriated through a supplementary budget process.

**b) Recognition of payments**

The entity recognises all expenses when the event occurs and the related cash has actually been paid out by the entity.

**COUNTY GOVERNMENT OF NAKURU**  
**Reports and Financial Statements**  
**For the year ended June 30, 2019**

---

**SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Compensation of employees**

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

**Use of goods and services**

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

**Interest on borrowing**

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

**Repayment of borrowing (principal amount)**

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made. The stock of debt is disclosed as an annexure to the County consolidated financial statements.

**Acquisition of fixed assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

**4. In-kind contributions**

In-kind contributions are donations that are made to the Nakuru County Government in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Nakuru County Government includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

**COUNTY GOVERNMENT OF NAKURU**  
**Reports and Financial Statements**  
**For the year ended June 30, 2019**

---

**SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**5. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

**Restriction on cash**

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th June 2019, this amounted to Kshs. 76,693,579 compared to KShs. 46,227,230 in prior period as indicated on note 23.

There were no other restrictions on cash during the year

**6. Accounts Receivable**

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

**7. Accounts Payable**

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

**8. Non-current assets**

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

**COUNTY GOVERNMENT OF NAKURU**  
**Reports and Financial Statements**  
**For the year ended June 30, 2019**

---

**SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**9. Pending bills**

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the County Government of Nakuru at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

**10. Budget**

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The County Government of Nakuru budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly on 8<sup>th</sup> August 2018 for the period 1<sup>st</sup> July 2019 to 30 June 2019 as required by law. There was one number of supplementary budgets passed in the year. A high-level assessment of the County Government of Nakuru actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

**11. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**12. Subsequent events**

Events subsequent to submission of the financial year end financial statements to the National Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of National Treasury.

**13. Errors**

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

**14. Related party transactions**

Related party transactions involve cash and in-kind transactions with the National Government, National Government entities and County Government entities. Specific information with regards to related party transactions is included in the disclosure notes.

<b>6.0 Ministry of Education</b>					
6.1	<b>Unimplemented projects</b> Indications are that the budget was not realistic as the County Executive lacked capacity to implement the projects. So far, no explanation has been given for failure to implement approved budget projects	some of the projects were not implemented. This occurred due to; a. It took long to complete the process of procurement due to delayed approval of budget. b. Contractors had challenges with e-procurement	Accounting Officer – Education, ICT and E-Government	Waiting for feedback from Nakuru County Assembly	
6.2	<b>Unsupported allowances – County Assembly</b> The County Assembly paid 78 members night outs for seven (7) days totalling Ksh4,586,400. However, there was no evidence that all members of the County Assembly travelled to Machakos for the KICOSCA games, to qualify for the night outs.	members of the County Assembly attended KICOSCA games in Machakos as evidenced by the work tickets and signed attendance register. <b>6.3</b>	During the year under review, the budget for conditional grant was Ksh35,431,434 for Polytechnics and Vocational Training Centres.  Examination of records revealed that Ksh26,005,000 was disbursed. However, no acknowledgement was done by the Polytechnics and Vocational training centres.	Detailed response was given		Waiting for feedback from Nakuru County Assembly	
<b>7.0 Ministry of Public Service Management</b>					
<b>7.1</b>	<b>Irregular variation of contract</b> As per Sec 139 of the Public Procurement and Asset Disposal Act, 2015, extension of a contract period should be based on the recommendation of an evaluation committee. Therefore, the contract to the insurance firm was unlawfully extended since it was done contrary to this regulation	To avoid further extension of contract, the County Government immediately started procurement process of insurance services which was completed by December 2017.	Accounting Officer – Public Service, Training and Devolution	Waiting for feedback from Nakuru County Assembly	
<b>7.2</b>	<b>Doubtful expenditure</b> An advocate was paid Ksh4,087,028 through two (2) payment vouchers number 43849 and 42978 of Ksh2,300,000 and Ksh1,787,028 respectively, being payment for legal fees.
