1 Overview of the Consolidated Fund

1.1 Legal Framework

Article 206 (1) of the Constitution of Kenya established the Consolidated Fund into which shall be paid all money raised or received by or on behalf of the National Government except money that:

- a) is reasonably excluded from the Fund by an Act of Parliament and payable into another public fund established for a specific purpose.
- b) may, under an Act of Parliament, be retained by the State organ that received it for the purpose of defraying the expenses of the State organ. Such includes Appropriation in Aid (AIA).

Section 17 of the Public Finance Management (PFM) Act, 2012 mandates the National Treasury to account for the Consolidated Fund in the the National Exchequer.

Further, Article 206 (2) of the Constituion of Kenya stipulates that money may be withdrawn from the Consolidated Fund only:

- a) in accordance with an appropriation by an Act of Parliament;
- b) in accordance with Article 222 or 223; or
- c) as a charge against the Fund as authorised by the Constitution or an Act of Parliament.

Further Section 17 (4) of the PFM Act, 2012 requires the National Treasury to seek approval from the Controller of Budget for any withdrawal from the Consolidated Fund. The voted entities that received funds from the Consolidated Fund include National Government Ministries, Departments and Agencies and County Governments. These entities are responsible for administration of their respective budgets.

Government Revenue is received through designated Receivers of National Government Revenue as appointed by the Cabinet Secretary to the National Treasury pursuant to Article 209 of the Constitution. The Receivers of Revenue are responsible for receiving, accounting and remitting the revenues to the Consolidated Fund. Section 50 (6) of the PFM Act, 2012 also requires the National Treasury to remit the proceeds of any loan raised under the provisions of the PFM Act, 2012 into the Consolidated Fund.

1.2 Scope of the Consolidated Fund

This report provides accountability for the Consolidated Fund for the financial year ended 30th June 2017 and consolidates the following :

- The Exchequer account,
- The domestic borrowing accounts through which loan proceeds from treasury bonds, treasury bills, commercial financing are collected before remittance to the Consolidated Fund,
- The overdraft account,
- The revenue collection accounts,
- Special project deposit accounts,
- E-Citizen revenue control accounts; and
- East Africa Tourist Visa accounts

The report also includes statement of monies received and paid out of the special funds that are authorised by legislation other than an Appropriation Act. Funds collected by Kenya Revenue Authority being the appointed Collector of Revenue are remitted directly to these funds. These funds include the following:

- The Petroleum Development Levy Fund (PDLF) (consolidated within the National Treasury receiver of revenue financial statements),
- The Railway Development Levy Fund (RDLF),
- The Road Maintenance Levy Fund (RMLF); and
- The Import Declaration Fee (10%) Fund (IDFF).

The report also includes financial statements of the various Receivers of Revenue that were appointed by the Cabinet Secretary, National Treasury to receive National Government revenue pursuant to Section 75 (1) of the PFM Act, 2012. These include the following:

No	Code	Receiver of Revenue
1	R.1071	Principal Secretary to the National Treasury – Taxes
2	R.1071	Principal Secretary to the National Treasury – Resource Mobilisation Department
3	R.1071	Principal Secretary to the National Treasury – Public Debt
4	R.1071	Principal Secretary to the National Treasury – Pensions
5	R.1112	Principal Secretary to the Ministry of Lands and Physical Planning
6	R.1094	Principal Secretary to the State Department for Housing & Urban Development
7	R.1091	Principal Secretary to the State Department of Infrastructure
8	R.1261	Chief Registrar - The Judiciary
9	R.1161	Principal Secretary to the State Department for Agriculture
10	R.1023	Principal Secretary to the State Department for Correctional Services
11	R.1251	Solicitor General, Office of the Attorney General and Department of Justice
12	R.1123	Principal Secretary to the State Department for Broadcasting & Telecommunication

No	Code	Receiver of Revenue
13	R.1095	Principal Secretary to the State Department for Public Works
14	R.1021	Principal Secretary to the State Department for Interior
15	R.1164	Principal Secretary to the State Department for Fisheries and the Blue Economy
16	R.1191	Principal Secretary to the Ministry of Mining

The special project deposit accounts are accounts into which development partners deposit funds before disbursing to the Exchequer accounts for onward transfer to projects or directly to projects.

The e-citizen accounts are accounts into which monies are received for public related services before disbursing to the Receivers of Revenue accounts for onward transfer to the Exchequer or directly to implementing agencies offering the service.

The East Africa Tourist Visa accounts are accounts into which monies are received from the Immigration and Foreign Affairs collections departments for the East Africa tourist visa before being disbursed under an agreed sharing arrangement to the treasuries of the three partner states i.e the Republic of Kenya, Republic of Rwanda and the Republic of Uganda. The Republic of Kenya shared revenue is received into the National Treasury Receiver of Revenue account for onward transfer to the Exchequer.

1.3 Overall Performance

Below is an overview of the consolidated fund the fiscal year ended 30th June 2017.

Financial Performance	30 th June 2017 KShs Million	30 th June 2016 KShs Million	Variance KShs Million	% Variance
Opening Balance	99,963	(17,943)	117,906	(657%)
Total Receipts	2,086,304	1,912,066	174,238	9%
Transfers from the Exchequer	(1,996,989)	(1,793,741)	(203,248)	11%
Other Transfers	(78,812)	(31,232)	(47,580)	152%
Prior Year Adjustment	(1,685)	30,814	(32,499)	(105%)
Closing Balance	108,781	99,964	8,817	9%

Total receipts increased by 9% from prior year mainly due to increased tax collections and an increase in external borrowings.

Transfers from the Exchequer also increased by 11% due to increased budgetary allocations.

1.3.1 Receipts

The consolidated fund receipts are derived from domestic and external resources. Domestic resources mainly comprise of taxes collected by the Kenya Revenue Authority (KRA), being the principal tax revenue collection agent for the government and remitted to the consolidated fund. Other receipt sources include domestic and external loans and grants. Domestic and external loans are treated on a cash basis and are therefore included in the government receipts.

Government of Kenya
Financial Statements for the Consolidated Fund
For the year ended 30th June 2017

The total consolidated fund receipts for FY 2016/2017 amounted to KShs 2,086.3 Billion, an increase of approximately 9% from KShs 1,912.07 Billion for FY 2015/2016 and analysed below:

Receipts	30th June 2017		30th June 2016		Variance	% Variance
	KShs Million		KShs Million			
Tax Receipts	1,253,552		1,109,155		144,397	13%
Non Tax Receipts	156,586		116,298		40,288	35%
External Grants	14,372		14,683		(311)	(2%)
External Loans	246,638		182,048		64,590	35%
Domestic Borrowing	415,156		489,882		(74,726)	(15%)
Total Receipts	2,086,304		1,912,066		174,238	9%

Tax receipts relate to levies collected by Kenya Revenue Authority and other government agencies.

Non tax receipts relate to receipts collected mainly by special funds and receivers of revenue and that is not directly related to taxation.

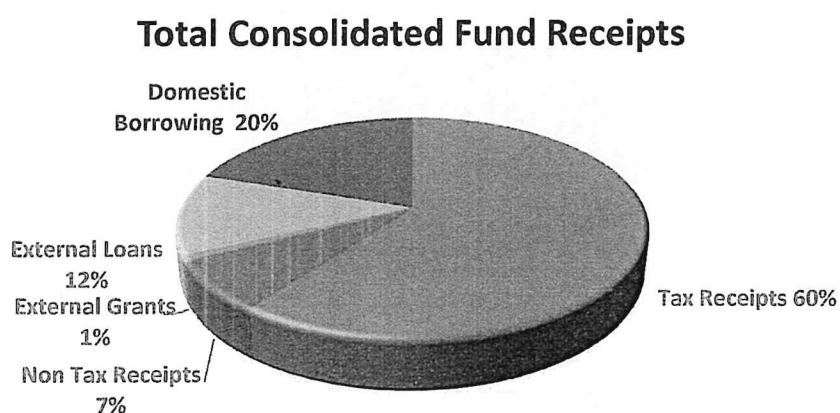

The increase in tax receipts by 13% is attributable to growth in the consumption taxes (VAT) by 21.5%, corporation tax by 18.2% and domestic excise tax by 13.3% attributed to enhanced compliance measures. Customs taxes also increased by 14.9% largely due to tighter enforcement measures through among others, benchmarking of cargo values to address undervaluation, greater use of scanners, and stricter application of cargo auction processes.

The increase in non tax receipts by 35% is attributed to an increase in profits and dividends from state corporations and other agencies as well as increased surplus from regulatory authorities.

Decrease in domestic borrowings by 15% is attributed to reduction in Treasury Bills borrowing by KShs 71,998 Million in FY 2016/17.

External borrowings increased by 35% during the financial year to finance the FY 2016/17 budget.

The diagram below depicts the composition of the consolidated fund receipts for the fiscal year ended 30th June 2017.

1.3.2 Transfers from the Exchequer

An appropriation Act and a County Allocation Revenue Act (CARA) is required to authorize the withdrawal of funds from the Consolidated Fund. The National Treasury is required to seek the Controller of Budget's approval before withdrawing from the Exchequer Account to the respective National and County Government entities bank accounts.

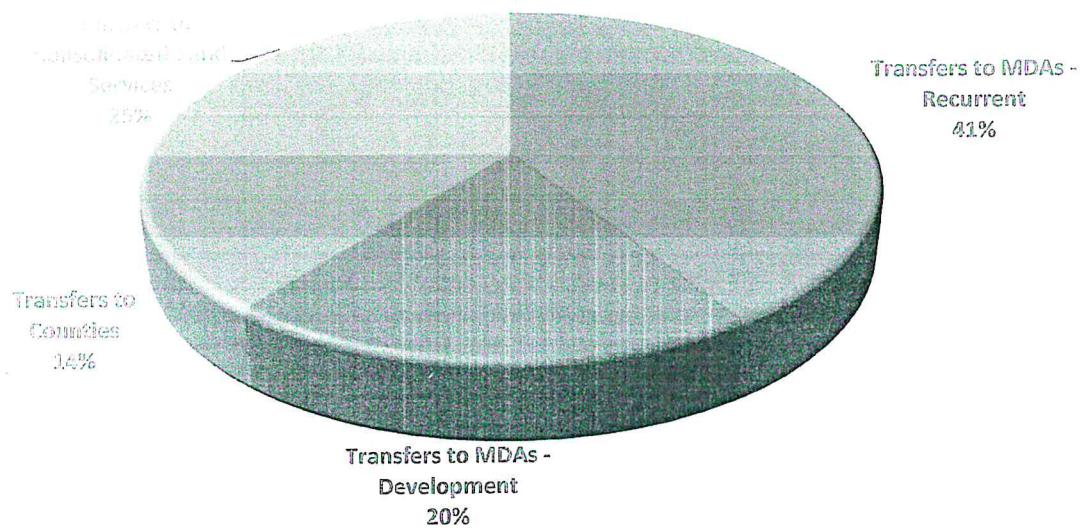

Entities that receive funds from the Exchequer Account include National Government Ministries, Commissions, Departments, and Agencies (MDAs) and Consolidated Fund Services (CFSs) in accordance with the Appropriation Act and County Governments in accordance with the County Allocation Revenue Act (CARA). These entities are responsible for administration of their respective approved budgets.

The total transfers disbursed to the National Government voted Ministries, Departments and Agencies (MDAs), Consolidated Fund Services (CFSs) and County Governments from Exchequer in the fiscal year ended 30th June 2017 amounted to KShs 1,997 Billion, an increase of approximately 11% from KShs 1,794 Billion in the fiscal year ended 30th June 2016, as shown below:

Transfers from the Exchequer	30th June 2017	30th June 2016	Variance	% Variance
	KShs Million	KShs Million	KShs Million	KShs Million
Transfers to MDAs - Recurrent	819,941	720,284	99,657	14%
Transfers to MDAs - Development	394,229	333,170	61,059	18%
Transfers to Counties	284,709	264,039	20,670	8%
Transfers to Consolidated Fund Services	498,110	476,248	21,862	5%
Net transfers from exchequer	1,996,989	1,793,741	203,248	11%

The increase in transfers is attributed to increased budgetary allocation.

1.3.3 Other Net Transfers and Payments

Other net transfers and payments include transfers from special funds to public entities, direct transfers to projects from the special deposit project accounts, exchange differences on translations of closing balances on special deposit, e-citizen and East Africa tourist visa foreign denominated accounts to reporting currency, transfer to counties and other receivers from the e-citizen accounts and inter account balances between the overdraft account and Treasury Bills and Treasury Bonds.

Other Net Transfers and Payments	30th June 2017	30th June 2016	Variance	% Variance
	KShs Million	KShs Million	KShs Million	KShs Million
Transfers from the Special Funds to Public Entities	(83,768)	(54,898)	(28,870)	53%
Other net transfers	4,956	23,666	(18,710)	(79%)
Total Other net Transfers and Payments	(78,812)	(31,232)	(47,580)	152%

The increase in transfers to public entities from the special funds is attributed to increased collection of the road maintenance levy for the period ended 30th June 2017 by 35% compared to prior period ended 30th June 2016.

2 Statement of Responsibility

Section 80 of the Public Finance Management (PFM) Act, 2012 requires the National Treasury to prepare annual financial statements that consolidate the financial statements prepared by all National Government entities, in accordance with the accounting policies and formats prescribed by the Public Sector Accounting Standards Board. The National Treasury is required to submit these financial statements to the Auditor General and a copy to the Controller of Budget and the Commission on Revenue Allocation by 31st October 2017.

The financial statements for the Consolidated Fund relate to the financial year 2016/2017 and comprise of the Exchequer account, Receivers of Revenue accounts, the Special Funds (the Petroleum Development Levy Fund (consolidated within the National Treasury receiver of revenue financial statements), the Road Maintenance Levy Fund, the Railway Development Levy Fund and the Import Declaration Fee (10%) Fund), the Exchequer deposit accounts (Overdraft, Treasury Bonds and Treasury Bills accounts), the Special Project Deposit accounts, the E-Citizen revenue control accounts and the East Africa Tourist Visa accounts.

The Consolidated Fund financial statements have been prepared on a going concern basis, and are based on accounting policies which have been consistently applied and supported by reasonable and prudent judgments of estimates.

To the best of our knowledge, these statements as set out on pages 1 to 63 are complete and accurately prepared for the financial year ended 30th June 2017.

REPORT OF THE AUDITOR-GENERAL ON CONSOLIDATED FUND FOR THE YEAR ENDED 30 JUNE, 2017

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of the Consolidated Fund set out on pages 1 to 31, which comprise the consolidated statement of receipts and transfers for the year ended 30 June, 2017 and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements of the Consolidated Fund presents fairly, in all material respects, the financial performance of the Fund for the year ended 30 June, 2017, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Consolidated Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of statement of the financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

Overall Government Performance

The audit of sets of revenue statements of the individual receivers of revenue for the year ended 30 June, 2017 indicates that only six (6) or 40% of the fifteen (15) audited had an unqualified opinion while eight (8) or 53.33% had qualified opinion. The remainder one (1) or 6.67% had a disclaimer of opinion as summarized below:

Audit Opinion	2015/2016		2016/2017	
	No. of Revenue statements	Percentage	No. of Revenue statements	Percentage
Unmodified	4	36.36%	6	40.00%
Qualified	3	27.27%	8	53.53%
Adverse	2	18.18%	0	0.00%
Disclaimer	2	18.18%	1	6.67%
TOTALS	11	100.0%	15	100.0%

My opinion is not modified based on the effects of the above matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, were of most significance in my audit of the Consolidated Fund of the current year. I have determined that there are no key audit matters to communicate in my report.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on my audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of Consolidated Fund financial statements in accordance with International Public Sector Accounting Standards (Cash basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control risk management and overall governance.

In preparing the consolidated fund statements, Management is responsible for assessing The National Treasury's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the going concern basis of accounting unless Management is aware of the intention to terminate the Consolidated Fund or to cease operations.

Management is also responsible for the submission of the consolidated fund statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the Consolidated Fund financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how The National Treasury monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with

Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the consolidated fund statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the consolidated financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Consolidated Fund financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Government's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the National Government to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Consolidated Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Government of Kenya
Financial Statements for the Consolidated Fund
For the year ended 30th June 2017

*This summarizes the operations of the Receivers of Revenue designated for the FY 2016/2017.

**Domestic Borrowing accounts includes the operations of the Treasury Bonds, Treasury Bills, Commercial Financing and Overdraft accounts.
*** Special Funds include Railway Development Levy Fund, Road Maintenance Levy Fund and the Import Declaration Fee (10%) Fund. Petroleum Development Levy Fund is consolidated within the National Treasury receiver of revenue financial statements.

Pursuant to the enactment of Miscellaneous Fee and Levies Act No. 29 of 2016, the Import Declaration Fee (10%) Fund was established in the financial year 2016/17. Out of the import declaration fee which is 2% of the customs value collected by the Kenya Revenue Authority, 10% of the fee is paid into the Import Declaration Fee (10%) Fund established and managed in accordance with the Public Finance Management Act, No. 18 of 2012. The monies in the fund are to be used for payment of Kenya's contribution to the African Union and any other international organisation to which Kenya has a financial obligation. There was no disbursement from this fund in the financial year 2016/17.

**** Special Project Deposit accounts are CBK or commercial bank accounts through which grants or loan proceeds are received from the development partners and are disbursed through the Exchequer account and remitted to the beneficiary Project through the respective voted Ministry or Department or at the request of the National Treasury directly to the project or to the suppliers for payment of goods or services.

***** The e-citizen accounts are accounts into which monies are received for public related services before being disbursed to the Receivers of Revenue accounts for onward transfer to the Exchequer or directly to implementing agencies offering the service.

***** The East Africa tourist visa accounts are accounts into which monies are received from the Immigration and Foreign Affairs collections departments for the East Africa tourist visa before being disbursed under an agreed sharing arrangement to the treasuries of the three partner states i.e. the Republic of Kenya, Republic of Rwanda and the Republic of Uganda. The Republic of Kenya shared revenue is received into the National Treasury receiver of revenue account for onward transfer to the Exchequer.

***** Other payment and transfers amounting to KShs 30.9 Billion relates to settlement of overdraft account during the year, translation gain and (losses) on special project deposit accounts and the East Africa tourist visa accounts amounting to KShs 291.15 Million and KShs 0.027 Million respectively; and other transfers to the E-Citizen revenue control account amounting to KShs 28.6 Million.

***** This is an adjustment that revises the National Treasury Receiver of Revenue cumulative opening balances from old provisioning balances to actual cash balances.

5 Significant Accounting Policies

a) Basis of preparation

The Statement of Consolidated Fund Accounts has been prepared in accordance with the cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by Public Sector Accounting Standards Board and set out in the accounting policy note below.

b) Reporting entity

This report has been prepared by the National Treasury.

c) Receipts

Receipts include collections by the Receivers of Revenue and deposited in the Consolidated Fund pursuant to Article 206 of the Constitution of Kenya. This Article requires that all revenue collected by the National Government shall be deposited in the Consolidated Fund management through the National Exchequer Account maintained at the Central Bank of Kenya.

The receipts collected include tax collections, grants from development partners, proceeds from domestic loans and external lenders and any other revenue that the Receivers of Revenue have been designated to collect.

Tax receipts collected by appointed agents such as Kenya Revenue Authority are recognized once they are remitted to the designated Receiver of Revenue.

d) Grants and loans from Development Partners

Grants and loans received from development partners are recognized as receipts when the funds are received in the Consolidated Fund. The movement and the balances held in these accounts, if any, are disclosed by way of notes to the Statement of Consolidated Fund.

e) Budgetary Transfers

Budgetary transfers relate to disbursements to National Governments voted entities and County Governments pursuant to the Appropriation Act and the County Allocation of Revenue Act (CARA) respectively subject to approval by Controller of Budget. These disbursements are regarded as “transfers” rather than expenditures. Actual payments against these transfers are reflected in the financial statement of the entities.

f) Bank and Cash balances

Bank and cash balances relate to cash equivalent comprising of cash in transit and bank balances held in the consolidated accounts.

g) Restriction on Cash

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. There were no restrictions on cash during the year.

Government of Kenya
Financial Statements for the Consolidated Fund
For the year ended 30th June 2017

h) Elimination

The financial statements are aggregated on a line by line basis with the inter-entity transactions of receipts and payment being eliminated at consolidation level to avoid overstatement of receipts or payments.

i) Presentation Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

The original estimates were approved by the National Assembly via the Appropriation Act 2016, No 20, of 2016 whose date of assent was 30th June 2016 and date of commencement, 1st July 2016. The Appropriation Act authorized the issue of monies out of the consolidated fund and its application toward the service of the year ending 30th June 2017 and to appropriate the monies, and monies voted on account by the National Assembly for certain public services and purposes.

**Government of Kenya
Financial Statements for the Consolidated Fund
For the year ended 30th June 2017**

The revised estimates through the supplementary budget approved by parliament sought to allocate funds for:

- i) the acquisition of strategic stock to address the crippling food shortages experienced in the country as a result of the drought;
- ii) election security-related operations;
- iii) medical practitioner salaries;
- iv) power transmission and distribution, water resource management and road transport projects;
- v) finance the increased domestic interest debt service and ;
- vi) increased pension payment requirements.

Revenue collection in FY 2016/17 was below the revised target due to shortfall in ordinary revenue collection following reduced collections from excise duty and corporate income tax; and the shortfall in the collection of ministerial appropriation in aid income. Further shortfall in total expenditure and net lending was attributed to lower absorption recorded in both recurrent and development expenditures by the National Government.

6.5 Statement of Special Funds

Special Funds are entities authorised by legislation other than an Appropriation Act to receive and pay out money. These funds include the Petroleum Development Levy Fund (consolidated within the National Treasury receiver of revenue financial statements), Railway Development Levy Fund, Road Maintenance Levy Fund and the Import Declaration Fee (10%) Fund.

Pursuant to the enactment of Miscellaneous Fee and Levies Act No. 29 of 2016, the Import Declaration Fee (10%) Fund was established in the financial year 2016/17. Out of the import declaration fee which is 2% of the customs value collected by the Kenya Revenue Authority, 10% of the fee is paid into the Import Declaration Fee (10%) Fund established and managed in accordance with the Public Finance Management Act, No. 18 of 2012. The monies in the fund are to be used for payment of Kenya's contribution to the African Union and any other international organisation to which Kenya has a financial obligation. There was no disbursement from this fund in the financial year 2016/17.

This statement summarizes the receipts and transfers through the three Special Funds for the financial year ended 30th June 2017.
