**iii.) Invitation to the 2022 National Prayer Breakfast**

“Honourable Senators,

As you are all aware, the National Prayer Breakfast is an annual event in the Calendar of Parliament. It is an interdenominational prayer meeting sponsored by Members of Parliament from the Senate and National Assembly.

This year’s National Prayer Breakfast is scheduled to be held at the Safari Park Hotel in Nairobi on Thursday, 26<sup>th</sup> May, 2022, from 7.00 am and the theme of the event is “*transitions*”.

The event is being coordinated by a National Organizing Committee, which has been working closely with the Kenya National Prayer Breakfast Coordination team. The Organizing Committee is co-chaired by Sen. Samuel Poghiso, MP, the Senate Majority Leader and Hon. Daniel Maanzo, MP, of the National Assembly.

Honourable Senators,

This is a critical event noting that this is an election year, hence the need to pray for our country during this period. I, therefore, urge all the Senators to prioritize and attend the Prayer Breakfast.

All the requisite arrangements have been made to make the event a success and, I believe, you have all received an invitation card to the event.

Feel free to contact the Office of the Clerk for any further information or support on this matter.

I thank you”.

Honourable Senators,

Pursuant to Standing Order 157, which requires that a Bill originating in the National Assembly be proceeded with by the Senate in the same manner as a Bill introduced in the Senate by way of First Reading in accordance with Standing Order 139, I direct that the Health Laws (Amendment) Bill (National Assembly Bills No. 2 of 2021) be read a First time at the next Sitting of the Senate.

I thank you.”

- (ii) National Treasury and Planning report on all new loans contracted by government from 1<sup>st</sup> January, 2022 to 30<sup>th</sup> April, 2022.
- (iii) The county government additional allocation cash disbursement schedule for financial year 2021/2022.

**6. PETITION**

Pursuant to Standing Order 232(2), the Chairperson, Standing Committee on National Cohesion, Equal Opportunity and Regional Integration tabled a report on a petition concerning the continuous exclusion of Persons with Disabilities (PWDs) in Migori County Budget.

The Speaker allowed comments and observations in relation to the Petition, pursuant to Standing Order 232 (2).

**7. STATEMENTS**

**a) Pursuant to Standing Order 47(1)**

- i.) The Senator for Laikipia County (Sen. John Kinyua Nderitu, MP) made a statement regarding the consideration and construction of a road access by the Kenya Urban Roads Authority to Membley daykio estate in Kiambu county.

Thereupon, the Senator informed the house that for months, works on the dualing of the Eastern Bypass being undertaken by the China

Communication Construction Company Limited (CCCC) had been ongoing but there were concerns by the residents of Membley Daykio Estate that certain key items were not considered during the initiation of this project that has affected residents' access to the estate.

He also informed the House that there was need to have a pedestrian footbridge to cater for pedestrians crossing the new dual carriageway to access both Membley, Githunguri and Gitothua Estates on the opposite sides of the road, as numerous traffic accidents have occurred in the recent past along this stretch of the bypass. Many pupils and guardians cross the busy highway daily to access the educational institutions that are located on both sides of the road. Including Githunguri High school, Githunguri Special Unit Primary School, Gitothua Primary & Secondary School, Membley High School, Montessori Christian Kindergarten and PCEA Membley School.

The Senator requested that the matter be referred to the Standing Committee on Roads and Transportation to intervene and get a special consideration from the Kenya Rural and Urban Roads Authority (KURA) towards the construction of a road access and associated storm water drains in Membley Daykio Estate.

- ii.) Nominated Senator (Sen. (Dr.) Gertrude Musuruve, MP) made a statement regarding the launch by the Auditor General of the first audit report in Kiswahili language.

Thereupon, the Senator informed the House that availing these reports in both English and Kiswahili would make it possible for Kenyans of all walks of life to be informed and interrogate how government agencies utilize the monies that go to the counties and other designated National sectors for service delivery.

The Senator observed that, given the salient role that the Auditor General plays and the powers vested upon him/her by the Constitution, it was important that the information he/she relays reaches all Kenyans in a language that is understood by majority. More than  $\frac{3}{4}$  of the population living in the counties understand their vernacular and Kiswahili. Kiswahili is a National language, a Lingua Franca and a language spoken and understood by almost all Kenyans. Translating the auditor general reports into Kiswahili will create more awareness to Kenyans on how public funds are disbursed and utilized.

The Senator commended the launch and implored County governments to ensure that capacity building on the reports is done. Dissemination of the reports to the public and how the public access the information is key to ensuring that the public is aware of the funds disbursed to agencies, utilization and service delivery on the funds and how more

funds can be disbursed in order to ensure Article 43 of the Constitution is implemented in its fullness.
