RE: FIRST CHOICE RECRUITMENT AND CONSULTANCY AGENCY

② Mr. Mogerx Capora

30/11/22

We, the undersigned, (attached annex identification details)

Do here by state that we are Kenyan citizens by birth, residents of Uasin Gishu County and neighboring Counties in the Republic of Kenya.

DRAW the attention of the Senate of the Republic of Kenya to the following;

We do here by raise concerns with respect to **First Choice Recruitment and Consultancy Agency**, Eldoret scam.

We draw the attention of the Senate to the fact that money was obtained by **First Choice Recruitment and Consultancy Agency** to facilitate jobs and studies placement abroad, before world cup 2022 starts. It's now major scandal that has robbed many families and youth livelihood and property running to millions. We are estimating more than five thousand youths are affected by this scandal.

We have made numerous efforts to try solving the problem with the agency and through the police and County Commissioner, but instead we are **profiled, threatened, intimidate, mocked, ridicule** as busy bodies fighting/undermining the government and that our efforts will be futile, and that we will face the full force of the deep state.

Subsequently the silence of our **Senator** is indeed bothering, which has prompted us to petition the honorable house to take up the issue as a matter of national concern.

Despite formal reports and recording statements with the police by victims no investigations are ongoing.

DCI Turbo Sub County Turbo seems to hold brief for first choice recruitment and consultancy agency.

Several victims have been arrested on drummed up charges without taking them to court
This is ostensibly to intimidate, coerce and force victims to sign blank papers.

Police tap communications and track movements of those assisting and the victims
We are more than ready to prove and prosecute our case right.

Mrs. Macharia.
Please review and facilitate
this petition.
J. Charia.

And your petitioners will ever pray;

Here, pray that you deliberate and give recommendations, advices and way forward that are not limited to the **First Choice Recruitment and Consultancy Agency** refunding us our monies, passports and other testimonials documents we had given them. Further recommendation is that if found under your wisdom that fraud or criminal liability has been committed by the accused (**First Choice Recruitment and Consultancy Agency**) or its directors or administrators or any member who participated in this exercise then appropriate legal mechanism be commenced.
