5. FUND CHAIRPERSON'S REPORT

I am pleased to present the unaudited Vihiga County Education Fund Report on Bursaries for the FY 2020/2021. Section 167 of the PFM Act, 2012 require administrator of a County Public Fund established by the constitution, an Act of Parliament or County Legislation to prepare Financial Statement for the fund for each Financial Year in a form prescribed by PSASB. The Financial Statement should be submitted to Auditor general by 30th September with a copy of the report to CEC-Member responsible for that fund.

The report presents the Budget Allocation for the scholarship and Bursaries for respective wards of the County during the period under review. This report will compare the allocations to wards, balances brought forward from FY 2020/2021, beneficiaries, amounts awarded in terms of gender and various categories of level of education and balances.

Vihiga County Education Fund is anchored in law whereby the gazette Regulation Governing the fund clearly states the objective of the Fund including; Providing supplementary education grants or bursaries to eligible Students, Granting Scholarship in accordance with criteria established under the Act, Meeting any expenditure related to administration of the fund as maybe approved by County Executive Committee Member for Finance, provided that not more than **three percent** of the total monies consisting of the Fund to be utilized for administration of the Fund.

Alagari

ALBERT E. INGATI

CHAIRPERSON- VIHIGA COUNTY EDUCATION FUND

6. REPORT OF THE FUND ADMINISTRATOR

I am pleased to present the un-audited financial report and statement for the Vihiga County Education Fund FY 2020/21. To this end Kshs. 90M was approved and disbursed for scholarships and other educational grants during the financial year under review. This comprised of kshs. 2,700,000 for administration cost expenses, kshs. 20,000,000 for scholarship programme that benefited 221 students and third cohort students; and kshs. 67,300,000 disbursed to ward committees to award needy and bright beneficiaries from their respective wards.

The County Government has prioritized the programme since direct and associated education costs have been an issue prohibiting needy and bright students from accessing education. This is one of the efforts among other that the county Government implements towards *Goal 4 of Sustainable Goals(SDGs) of Ensuring inclusive and equitable quality education and promote lifelong learning opportunities for all. User costs remain a significant barrier to education access.* These costs often affect lower income families and learners hence having negative bearing in access and quality education. There is therefore need to continuously enhance budgetary allocation towards the programme as the needs of the residents have not been adequately addressed. In this regard support towards the initiative to be expanded towards improving access to scholarships.

Felix Mugalitsi

Fund Administrator

9. CORPORATE SOCIAL RESPONSILBILTY STATEMENT/ SUSTAINABILITY REPORTING

Due to the nature and funding of the Fund and for the purpose of which the Fund was established, the Fund did not engage in any Social Responsibility activities during the year under review.

Vihiga County Education Fund Reports and Financial Statements For the year ended June 30, 2021

10. REPORT OF THE TRUSTEES

The Trustees submit their report together with the un-audited financial statements for the year ended June 30, 2021 which show the state of the Fund affairs.

Principal activities

The principal activity of the Fund is to offer financial assistance to the bright and needy student in the county pursuing their education, provision of necessary legal framework for administration of the fund and other related activities.

Trustees

The members of the Board of Trustees who served during the year under review are as detailed on page 2 and 3.

Auditors

The Auditor General is responsible for the statutory audit of the Fund in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

By Order of the Board

Albert Ingati

Chair of the Board

Date: 05/04/2022

11. STATEMENT OF MANAGEMENT'S RESPONSIBILITIES

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a County Public Fund shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the County Public Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the year ended June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Fund; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the County Public Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the year ended June 30, 2021, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

Approval of the financial statements

The Fund's financial statements were approved by the Board on os os out 2022 and signed on its behalf by:

Felix Mugalitsi

Fund Administrator

NAIROBI

REPORT OF THE AUDITOR-GENERAL ON VIHIGA COUNTY EDUCATION FUND FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazetted notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient, and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Vihiga County Education Fund set out on pages 16 to 36, which comprise of the statement of financial position as at 30 June, 2021, and the statement of financial performance, statement of changes in net

assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Vihiga County Education Fund as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Vihiga County Education Fund Act, 2014.

Basis for Qualified Opinion

1. Unsupported Transport Allowance

The statement of financial performance reflects administrative expenses of Kshs.1,487,741 as disclosed in Note 2(a) to the financial statements which includes transport allowance amounting to Kshs.106,000. The allowance includes an amount of Kshs.88,000 spent on fuel for two (2) vehicles registration No. 38CG002A and No. 38CG003A. However, only work tickets for vehicle registration No. 38CG002A were provided. Further, the two vehicles drew fuel using same receipts which did not indicate the litres drawn by each vehicle.

In the circumstances, the accuracy of fund administration expenses could not be confirmed.

2. Unsupported Lunches

The statement of financial performance reflects administrative expenses of Kshs.1,487,741 as disclosed in Note 2(a) to the financial statements. The amount includes lunches expense of Kshs.776,500 which includes payments totalling Kshs.157,000 being allowances to twenty-three officers (23) for five days (5). However, six (6) of the officers were paid at the rate of Kshs.3,000 per day, five (5) officers at the rate of Kshs.1,000 per day while twelve (12) officers at the rate of Kshs.700 per day. The daily rates used are contrary to Section C 17(1) of the Human Resource Policies and Procedures Manual for the Public Service, 2016 which states that meal allowance shall be paid at the rate of 15% for breakfast, 20% for lunch and 20% for dinner of the daily subsistence rate applicable.

In the circumstances, the accuracy and regularity of lunches expenses could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Vihiga County Education Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe

that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The statement of comparison of budget and actual amounts revealed that the Fund had an approved revenue budget of Kshs.106,127,396 but only realized Kshs.99,127,396 or 92% of the budget. In addition, the Fund spent Kshs.74,456,741 or approximately 75% of the budgeted expenditure of Kshs.99,127,396 resulting to under-expenditure of Kshs.24,670,655 or 25% of the budget.

The under realization and underperformance affected the planned activities and may have impacted negatively on service delivery to the public.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

Non-Maintenance of Imprest Register

The statement of financial performance and Note 2(a) to the financial statements reflects daily subsistence allowance balance of Kshs.307,000 which comprised of imprests issued to various officers during the year. However, the Management did not maintain imprest register to record the amounts paid for accountability purposes. Futher, imprest is not issued through imprest warrants contrary to Regulation 93 of the Public Finance Management (County Governments) Regulations, 2015 which states that an imprest shall be issued for a specific purpose, and any payments made from it, shall be only for the purposes specified in the imprest warrant and that before issuing temporary imprests under paragraph (2), the Accounting Officer shall ensure that the applicant imprest has been recorded in the imprest register including the amount applied for

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective

processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS AUDITOR-GENERAL

Nairobi

20 September, 2022

1	3.6 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
1	. Statement of compliance and basis of preparation
I	The Fund's financial statements have been prepared in accordance with and comply with international Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied.
	The financial statements have been prepared on the cash basis. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.
1	2. Revenue recognition
j	i) Revenue from non-exchange transactions
,	Transfers from other government entities
	Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.
	3. Budget information
	The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.
	In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

. 4.	
Reports For the	County Education Fund and Financial Statements year ended June 30, 2021
A staten	nent to reconcile the actual amounts on a comparable basis included in the statement of
compari	son of budget and actual amounts and the actual as per the statement of financial
perform	ance has been presented.
4. Pro	perty, plant and equipment
All pro	operty, plant and equipment are stated at cost less accumulated depreciation and
impairn	nent losses. Cost includes expenditure that is directly attributable to the acquisition of the
	The Fund did not have any Property, Plant and Equipment.
5. Ch	anges in accounting policies and estimates
The En	tity recognizes the effects of changes in accounting policy retrospectively. The effects of
change	s in accounting policy are applied prospectively if retrospective application is impractical.
6. Bo	rrowing costs
Borroy	wing costs are capitalized against qualifying assets as part of property, plant and
eauipn	nent. Such borrowing costs are capitalized over the period during which the asset is being
acquir	ed or constructed and borrowings have been incurred. Capitalization ceases when
constr	uction of the asset is complete. Further borrowing costs are charged to the statement of
	ial performance.
7. Re	elated parties
The F	Entity regards a related party as a person or an entity with the ability to exert control
indivi	dually or jointly, or to exercise significant influence over the Entity, or vice versa.
Meml	bers of key management are regarded as related parties and comprise the directors, the
	and senior managers.
8. C	ash and cash equivalents
Cash	and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call
and h	nighly liquid investments with an original maturity of three months or less, which are readily
conv	ertible to known amounts of cash and are subject to insignificant risk of changes in value
Bank	account balances include amounts held at the Central Bank of Kenya and at various
comi	mercial banks at the end of the financial year. For the purposes of these financial statements

cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year. 9. Comparative figures Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation. 10. Ultimate and Holding Entity The entity is a County Public Fund established by Public Finance Management Act 2012 (Vihiga County Education Fund Act 2014) under the Department of Education, Science and Technical Vocational Training. Its ultimate parent is the County Government of Vihiga. 11. Currency The financial statements are presented in Kenya Shillings (KShs). 	number as required by the revised Public Sector Accounting Standards Board Financial Reporting Template released in June, 2020.			
	Consequently, the Fund is in breach of the standards for non-adherence to			
	the revised reporting template requirements			
	Other Matters		Not	
	Budgetary Control and Performance		Resolved)	
	The statement of comparative budget and actual amounts reflects final expenditure budget and actual on comparable basis of Kshs.123,246,848 and Kshs.113,939,452 respectively resulting to an under-expenditure of Kshs.9,307,396 or 8% of the budget.			
	The underperformance affected the planned activities of the Fund and may have impacted negatively on service delivery to the public.			
	Lack of an Independent Autonomous IT Function		Not	
	The Vihiga County Education Fund is an entity established under the Vihiga County Education Fund Act, 2014. The Fund has not established its own Information Technology (IT) function, does not have a formally documented IT policy and it has not automated its financial processes but		Resolved)

	continues to rely on the manual accounting system. It is therefore not easy to relate the accuracy and certainty of the information in the books of original entry to the financial statements due to human errors and failure to update the cash book and other relevant records.	·		
	Consequently, in the absence of a formally documented IT policy could lead to lack of a clear direction on the management and use of the IT systems in place and their related controls understates or overstates the resources of the Fund.			

Guidance Notes:

- a) Use the same reference numbers as contained in the external audit report;
- b) Obtain the "Issue/Observation" and "management comments", required above, from final external audit report that is signed by

Management;

c) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;

Indicate the status of "Resolved" or "Not Resolved" by the date of submitting this report to County Treasury
