

**REPUBLIC OF KENYA****THIRTEENTH PARLIAMENT – SECOND SESSION****THE NATIONAL ASSEMBLY****VOTES AND PROCEEDINGS****THURSDAY, MARCH 02, 2023**

1. The House assembled at thirty minutes past Two O'clock
2. The Proceedings were opened with Prayer
3. **Presiding** – the Honourable Speaker

4. PETITIONS

The Speaker reported the following Petitions –

i) Regarding Amendment to the Kenya Information and Communications Act

'Honourable Members, Article 119 of the Constitution accords any person the right to petition Parliament to consider any matter within its authority. Further, Standing Order 225(2)(b) requires the Speaker to report to the House any Petition other than those presented by a Member.

In this regard, **Honourable Members**, I wish to report to the House that my office has received a petition from one Mr. Patrick Kaberia, Director of PAWA Africa, a civil society organization engaging in civic leadership, social justice, socio economic development, sustainability and Governance regarding amendment to the Kenya Information and Communications Act.

The Petitioner observes that due to rapid growth of the ICT and Digital Economy, there is an urgent need to amend the Kenya Information & Communications Act No. 2 of 1998 (Rev. 2020) to align it with the current and emerging realities of a connected digital world to enhance Growth and expansion of both Economic and social sectors of the nation.

The petitioner further highlights emerging issues in the digital economy such as Information/cyber security threats, copyrights issues, content creation, broadcast and communication, misinformation, online and mobile transactions, global competition and digital transformation that need to be regulated. This will enable the deriving of maximum benefits while averting possible threats from the IT and digital economy trends and maintaining Internet Governance.

Hon. Members, the petitioner therefore prays that the National Assembly introduces amendments to the Kenya Information & Communications Act to govern the Digital Economy.

Honourable Members, having established that the matter raised in the Petition is well within the authority of this House; and further, that the matters raised in this Petition are not pending before any court of law, constitutional or legal body, I hereby commit the Petition to the Public Petitions Committee for consideration pursuant to Standing Order 208A.

The Committee is required to consider the Petition and report its findings to the House and to the Petitioner in accordance with Standing Order 227(2). **I thank you’.**

ii) Regarding Gazettement of Rachuonyo North as a Hardship Area

‘Hon. Members, in this regard, I wish to report to the House that my Office has received a Petition from one Mr. Fredrick Gaya of P.O. Box 10, Kendu-Bay, calling for the gazettelement of Rachuonyo North Sub-County as a hardship area in order to improve education standards through infrastructure development, digitalization, career progression and provision of adequate number of teachers in the area.

The petitioner avers that Rachuonyo North Sub-County is currently hamstrung by prevailing hardship conditions that are a direct result of dire poverty levels in the area. Subsequently, this has adversely affected both teachers and learners in various and extensive ways.

Further, the petitioner observes that schools in Rachuonyo North Sub-County are understaffed with poorly motivated teachers who have been denied hardship allowances whilst providing the same facilities to Suba North and Suba South sub-counties despite the fact that all three sub-counties are located in Homa Bay County.

Hon. Members, the petitioner highlights the plights plaguing Rachuonyo North Sub-County as being exemplified by lack of factories, barren sandy soils, rugged and rocky terrain, poor rainfall, perennial floods, and devastating poverty that continues to affect education standards in the area. He thus seeks the intervention of this House, among other things, securing the gazettelement of Rachuonyo North Sub-County as a hardship area in order to improve education standards through infrastructure development, digitisation of basic education, career progression and provision of adequate number of teachers in the area.

Honourable Members, having established that the matter raised in the Petition is well within the authority of this House; and further, that the matters raised in this Petition are not pending before any court of law, constitutional or legal body, I hereby commit the Petition to the Public Petitions Committee for consideration pursuant to Standing Order 208A.

The Committee is required to consider the Petition and report its findings to the House and to the Petitioner in accordance with Standing Order 227(2). **I thank you.’**
