**L. MOTION - COMPENSATION TO THE KENYAN VICTIMS OF THE 1998 BOMBING OF THE UNITED STATES EMBASSY IN NAIROBI**

(Sen. Agnes Kavindu Muthama, MP)

**THAT, AWARE THAT**, disaster is defined as an overwhelming event and circumstance that tests the adaptation of responses of a community or individuals beyond their capability and leads momentarily to massive disruption of function for a community or individual that often exceeds their capacity to cope using existing resources;

**FURTHER AWARE THAT**, such was the case with the 1998 US Embassy Bomb disaster in Nairobi in which many of the Kenyan casualties resulted from the collapse of adjacent buildings located within a two to three block radius, and with reverberations being felt in most parts of Nairobi that resulted in 213 Kenyans and 12 Americans killed and over 5000 citizens of both countries being seriously injured;

**NOTING THAT**, US Allies, including Kenya, have endured the great burden of death, and long-term and in many instances permanent, physical and psychological injury;

**FURTHER NOTING THAT**, the United States Government has since compensated some of the victims and families of US citizens, leaving the families of Kenyan citizens and certain other victims uncompensated;

**NOW, THEREFORE**, the Senate resolves that the Ministry of Foreign Affairs:

- (i) Advances friendship and co-operation between the United States and Kenya by supporting the eligibility of Kenyan and American victims and their personal representatives, surviving spouses and next of kin in the Victim Compensation Fund pursuant to the Justice for United States Victims of State Sponsored Terrorism Act; and
- (ii) Partners with the Ministry of Health to explore subsidized medical treatment for the surviving victims of the bomb blast.

**WEDNESDAY**  
24/05/2023  
(Morning Sitting)

**Communication from the Chair, Messages, Petitions, Papers, Notices of Motion, Questions, Statements, Motions, Bills and any other Business not concluded on Tuesday, 23<sup>rd</sup> May, 2023.**

**A. QUESTIONS**

<b>QUESTION NO.</b>	<b>SENATOR</b>	<b>SUBJECT</b>	<b>MINISTRY</b>
014	Sen. Mohamed Said Chute, MP	State of tendering for relief food in the country	East African Community (EAC), the ASALs and Regional Development
015	Sen. Mohamed Said Chute, MP	Prequalification of companies to import commodities by the Kenya National Trading Corporation (KNTC)	Investments, Trade and Industry
017	Sen. James Lomenen, MP	Delay in disbursement of funds from sale of crude oil to the Turkana County Government and the local community	Energy and Petroleum

**B. MOTION – INSTITUTION OF MEASURES TO CURB INCESSANT HIGH ELECTRICITY COSTS IN KENYA**

(Sen. Mohamed Chute, MP)

**THAT, AWARE THAT** energy is an essential factor of production and its total consumption is a major determinant of performance of the economy with its cost and reliability spurring or stifling economic growth;

**FURTHER AWARE THAT** there has been a significant growth in the demand for electricity in Kenya driven by economic growth and increased

efforts towards rural electrification while the supply has been constrained due to, among other factors, the overreliance on hydro-electric power generating plants that have been negatively impacted by perennial drought experienced in the country;

**NOTING THAT** the imbalance in the demand and supply of power coupled with payments by the Kenya Power and Lighting Company (KPLC) for produced power not consumed and fluctuation in the foreign exchange rates contribute to the high cost of electricity;

**APPRECIATING THAT** Kenya has made strides in diversifying its power sources with geothermal plants, offering tremendous potential for zero-carbon source of power, already producing nearly one (1) Gigawatt (GW) of power;

**CONCERNED THAT** private power generating companies popularly referred to as Independent Power Producers (IPPs) only supply 28% of power to KPLC but account for 47% of power purchase costs calling for the need to enhance energy management in Kenya;

**NOW THEREFORE** the Senate resolves that the:

**a) Standing Committee on Energy to undertake an inquiry into: -**

- i. Contracts signed by IPPs, detailing the cost, capacity and duration of the contractual agreements and their implications on affordability of electricity in the country;
- ii. Discrepancy in the cost of electricity sold to Kenya Power by KenGen, imports from Ethiopia and IPPs; and
- iii. The diversion of the electricity generated by Lake Turkana Wind Power to the national grid, bypassing the inadequately supplied northern frontier counties of Marsabit and Samburu.

**b) Ministry of Energy to come up with a policy framework aimed at:-**

- i. Lowering the cost of electricity as a way of addressing the high cost of living; and
- ii. Enhancing clean energy by switching to renewable sources of energy such as geothermal power, wind energy, among others as a way of reducing the carbon footprint.

**C. MOTION – BAN ON THE CULTIVATION OF EUCALYPTUS TREES ON RIPARIAN LANDS**

(Sen. James Kamau Murango, MP)

**THAT, AWARE THAT** the Constitution of Kenya acknowledges the Nation's respect for the environment and obligates the State to eliminate processes and activities that are likely to endanger it;

**FURTHER AWARE THAT** there has been extensive cultivation of eucalyptus trees in Kenya owing to their rapid growth, high biomass yield, and adaptability to a wide range of climatic regimes and soil types;

**CONCERNED THAT** eucalyptus trees require high amounts of water through their growth, have deep root systems that extract water from the soil at a rapid rate and their cultivation on riparian land depletes the water in the riparian ecosystem, often resulting in the drying up of streams, aggravating the effects of climate change, particularly the infrequent and insufficient rainfall currently being experienced in the country;

**NOW THEREFORE** the Senate urges the Ministry of Environment, Climate Change and Forestry in coordination with the National Environment Management Authority to:

- i. develop and implement a policy framework to guide the cultivation of eucalyptus trees with the aim of mitigating their adverse effect on the environment; and
- ii. undertake a systematic nation-wide removal program for eucalyptus tree cultivations on riparian lands.

**G. MOTION - INCORPORATION OF INTELLIGENT WATER MANAGEMENT SYSTEMS IN BUILDING PLANS FOR SUSTAINABLE LIVING**

(Sen. Wahome Wamatinga, MP)

**THAT, AWARE THAT** water is an essential yet scarce resource whose demand is increasing rapidly due to population growth, urbanization, and industrialization, and whose wastage has become an issue that needs to be addressed urgently owing to Kenya's vulnerability to climate change;

**NOTING THAT** there is a growth in the number of buildings coming up to accommodate the rapidly growing population thereby posing a challenge to water management;

**APPRECIATING THAT** the incorporation of water management systems in building plans include a variety of techniques and technologies such as rainwater

harvesting, waste water recycling, low-flow plumbing, and sensor systems that detect leaks and (de)activate water flow when necessary thereby optimizing the use of water by eliminating water overexploitation, waste water management, and pollution;

**NOW THEREFORE** the Senate urges the Ministry of Lands, Public Works, Housing and Urban Development in coordination with the Council of Governors and the National Environment Management Authority to:

- i. incorporate into the building code and standards a requirement for intelligent water management systems in all building plans; and
- ii. undertake a systematic nation-wide renovation to government-owned buildings to incorporate water management systems.

#### **H. MOTION - REVIEW OF THE MINIMUM WAGE NECESSITATED BY HIGH COST OF LIVING**

(Sen. Karen Nyamu, MP)

**THAT, AWARE THAT** minimum wages in Kenya are specified as part of a national wage policy and guided by the Regulation of Wages and Conditions of Employment Act (CAP 229) aimed at reducing poverty as well as protecting and promoting the living standards of workers;

**CONCERNED THAT**, despite the increase in Kenya's minimum wage in May 2022 by 12% to help workers cope with the surge in consumer prices, the current inflation rates have had a knock-on effect on the cost of living and doing business in the country with the prices of goods, household energy bills, and transport remaining stubbornly high;

**NOW THEREFORE** the Senate resolves that the Cabinet Secretary for Labour and Social Protection engages all stakeholders including the General Wages Advisory Board (GWAB) and the Agricultural Wages Advisory Board (AWAB) with a view of raising the minimum wage by at least 50% as from 1<sup>st</sup> May, 2023.

#### **I. MOTION – ACCELERATING THE IMPLEMENTATION OF SUSTAINABLE DEVELOPMENT GOALS (SDGs)**

(Sen. Catherine Mumma, MP)

**AWARE THAT**, the 2030 agenda for Sustainable Development adopted by all United Nations Member States in 2015 provides a shared global blueprint aimed at ending poverty, protecting the earth's environment and climate and ensuring that people everywhere enjoy peace and prosperity;

**APPRECIATING THAT**, the implementation of the 2030 agenda for Sustainable Development in Kenya started by the official launch of the Sustainable Development Goals (SDGs) in Kenya in 2016 followed by the development of the Country SDGs roadmap to guide the transition from Millennium Development Goals to SDGs and the mainstreaming of the SDGs at both the National and County Governments;

**CONCERNED THAT**, the implementation of the 2030 agenda for sustainable Development in Kenya has been affected negatively by shocks such as continued drought since 2019 in Kenya and around the world, serious invasion by desert locusts, the COVID-19 pandemic and other public health calamities and the current strained state of the Kenyan economy;

**NOW THEREFORE**, the Senate resolves that the State Department for Economic Planning in consultation with the Council of Governors comes up with reviewed implementation roadmaps for the two levels of Government taking into account the shocks that have impeded or any other that are likely to impede the implementation of the 2030 agenda for Sustainable Development.

#### **C. MOTION - REPOSSESSION OF MOVABLE ASSETS BY LENDING INSTITUTIONS DUE TO NON-PERFORMING LOANS**

(Sen. Wahome Wamatinga, MP)

**THAT AWARE THAT** the high unemployment rate in Kenya has pushed many Kenyans to seek loans from Saccos, Microfinance Institutions and Banks to start Small and Medium Enterprises (SMEs) to sustain their livelihoods;

**NOTING THAT** the youth in particular have invested in movable assets, including vehicles and motorcycles, to start business in the transport industry and most of them have signed up to the ride hailing apps including but not limited to Uber, Taxify, Bolt and Little cab;

**COGNIZANT THAT** the Banking Act 2015 CAP 488 does not provide for renegotiation on the loan repayment agreement whenever the business environment becomes unfavorable as a result of the high cost of living, lowered earnings from the App providers and high interest rates;

**NOW THEREFORE** the Senate urges the National Treasury and Economic Planning to come up with a policy framework to review the Banking Act in order to renegotiate the repayment terms of the loans and provide cushion for Kenyans with non-performing loans and prevent the loss of their movable assets.

**D. MOTION - REPORT OF THE 61<sup>ST</sup> SESSION OF THE ORGANISATION OF AFRICAN, CARRIBEAN AND PACIFIC STATES (OACPS) PARLIAMENTARY ASSEMBLY AND THE 42<sup>ND</sup> SESSION OF THE OACPS -EU JOINT PARLIAMENTARY ASSEMBLY HELD IN MAPUTO, MOZAMBIQUE ON 23<sup>RD</sup> OCTOBER TO 2<sup>ND</sup> NOVEMBER, 2022**

**FURTHER AWARE THAT**, ethnic minorities and marginalized communities face significant social, economic and political challenges including discrimination, marginalization and exclusion;

**ACKNOWLEDGING THAT** Articles 10 (2)b, 21(3), 27, 56, 91(1)(e), 100, 174(e), 177(1) (c), 204(3)(b), 216(4) and the Fifth Schedule to the Constitution of Kenya obligate the state to promote and protect the welfare of ethnic minorities and marginalized communities;

**APPRECIATING THAT**, the Government has put in place policies, legal and institutional frameworks including affirmative action programs to address the needs of other special interest groups namely children, persons with disabilities (PWDS), youth, women and the elderly;

**CONCERNED THAT**, ethnic minorities and marginalized communities remain largely unaddressed through similar interventions due to lack of an existing national policy and legislative framework;

**NOW THEREFORE** the Senate resolves that the Ministry of Public Service, Gender and Affirmative Action, the National Gender and Equality Commission and

any other relevant state departments in collaboration with the Council of Governors: -

- i.) Initiate measures to identify and address the specific needs and challenges faced by ethnic minorities and marginalized communities in Kenya; and
- ii.) Develop and implement national policy and legislative framework for the integration of ethnic minorities and marginalized communities in Kenya as envisaged in the Constitution of Kenya.

**G. MOTION - DECLARATION OF CATTLE RUSTLING AS A NATIONAL DISASTER AND ESTABLISHMENT OF A SPECIAL FUND FOR VICTIMS**

(Sen. William Cheptumo, MP)

**THAT AWARE THAT**, cattle rustling is a major menace and security threat in the South and North Rift regions and some other regions of the country;

**CONCERNED THAT**, the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to Internally Displaced Persons (IDPS), disruption of educational programs and other economic activities owing to the destruction and/or closure of educational, health and other institutions;

**FURTHER CONCERNED THAT**; the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution;

**NOW THEREFORE**, the Senate resolves that the National Government through the Ministry of Interior and National Administration and in collaboration with the Council of Governors:

1. Declares cattle rustling a National Disaster;

#### **H. MOTION - DESIGNATION OF A MONTHLY CAR FREE DAY AND COUNTY CAR FREE ZONES**

(Sen. Crystal Asige, MP)

**THAT AWARE THAT**, Kenyans have a right to a clean and healthy environment pursuant to Article 42 of the Constitution;

**NOTING THAT** the National Climate Change Action Plan identifies transportation as the fourth largest contributor to greenhouse gas emissions which if uncontrolled, will result to negative impact of climate change that will adversely affect millions of Kenyans;

**CONCERNED THAT** the number of private vehicles has significantly grown leading to increased road accidents, carbon emission and vehicle congestion costs which are in excess of Kshs. 100 billion in GDP per year;

**NOW THEREFORE** the Senate urges the Ministry of Roads and Transport, in collaboration with the Council of Governors, and the National Climate Change Council to;

- i.) identify, publicize and execute suitable monthly car-free days and County car-free zones in urban areas;

- iii.) encourage the use of electric hybrid buses and provide appropriate incentives for their use; and

- v.) ensure inter-modal connectivity among the various transport modes.

#### **I. MOTION – STATE OF MENTAL HEALTH OF POLICE OFFICERS**

(Sen. Hamida Kibwana, MP)

**AWARE THAT**, police officers are usually first responders and are often exposed to traumatic scenes and chronic stressors such as, dangerous situations, injuries and violence coupled with the need to report and testify about psychologically stressful scenes;

**COGNIZANT OF**, a survey done by the National Police Service Commission in 2022 which indicated that at least 12 to 13 percent of the 110,000 police officers have mental health challenges stemming from work related issues;

**CONCERNED THAT**, there has been a recent spike of incidents involving police officers, including murder and suicide which have been linked to the state of mental wellbeing;

1. declare the current mental health situation within the police service a national emergency;

2. urgently establish a specialized facility to cater for police officers with mental illness;
3. develop and implement policies to reduce the stigma surrounding mental health issues within law enforcement agencies and encourage officers to seek help when needed; and
4. prioritise mental health as a priority health and socio-economic agenda within the Police Service and that in cases of deployment and transfers the service considers the health of the affected officers.

**J. MOTION - DEVELOPMENT OF A POLICY AND LAW FOR SOCIAL RISK MANAGEMENT IN INFRASTRUCTURE DEVELOPMENT PROJECTS IN KENYA**

(Sen. Catherine Mumma, MP)

**AWARE THAT** the Constitution has entrenched a strong Bill of Rights in Chapter 4, which recognizes human rights including socio-economic rights and the principle of equality and non-discrimination;

**FURTHER AWARE THAT** Kenya lacks a policy for guiding the management of these Social Risks in the design and implementation of infrastructure projects;

**CONCERNED THAT** inadequate attention to social risks in the planning and implementation of development projects at both national and county levels makes them unacceptable and end up costing the taxpayer colossal sums of money in suits filed before the courts and tribunals by local communities and affected interest groups seeking protection from such social risks;

**NOW, THEREFORE,** the Senate resolves that:

1. The National and County Governments develop a Social Risk Management Policy that outlines the standards, guidelines and procedures for guiding infrastructure and other development projects both at the national and county governments; and
2. The national executive establishes an independent multi-sectoral agency under the authority of the Cabinet secretary in charge of Social Security and Protection to design a mechanism that can factor in the inclusion of Social Impact Assessments standards and monitor their implementation in infrastructure and other development projects in Kenya.

(Sen. Catherine Mumma, MP)

**THAT, AWARE THAT** Section 68 (1) (b) of the Health Act, 2017 provides for interventions by the national government to reduce the use of tobacco and other addictive substances and to counter exposure of children and others to tobacco smoke, and Section 32 of the Tobacco Control Act, 2007 provides for the right of every person to a smoke free environment including the protection from exposure to second-hand smoke;

**CONCERNED THAT**, while the Tobacco Control Act, defines key terms and covers topics including, but not limited to, restrictions on public smoking, tobacco advertising, promotion and sponsorship, and packaging and labelling of tobacco products, Section 2 of the Act does not contemplate non tobacco products and therefore lacks restrictions on the use, advertising, promotion and sponsorship, or packaging and labelling of synthetic nicotine in the form of e-cigarettes resulting in the increase in popularity and consumption of e-cigarettes among the youth including minor children;

**NOW THEREFORE**, the Senate resolves that the Ministry of Health should urgently convene an all-inclusive stakeholder forum to:

1. Develop a national policy regulating e-cigarettes and all related elements, including vape pens, e-liquids, flavors and their marketing and advertising in mainstream media as well as social media; and

seasons, affecting more than twenty (20) counties in arid and semi-arid lands (ASAL);

2. the Ministry of Education, in conjunction with the Council of Governors, to establish modalities to ensure no learners are sent away from schools due to lack of school fees to ensure that children from vulnerable families have access to education; and
3. the Ministry of Education, in conjunction with the Council of Governors to implement effective school feeding programmes to ensure that children from vulnerable families in drought-hit region have access to at least one hot meal per day and that no child misses' class due to lack of food.
