2. The proceedings were opened with Prayer said by the Speaker.

3. **QUORUM IN THE HOUSE**

The Speaker, having counted the Honourable Senators present at the commencement of the Sitting and confirming that there was no Quorum, caused the Bell to be rung for ten minutes, pursuant to Standing Order 40;

And there being a Quorum at the expiry of the ten minutes;

4. **COMMUNICATION FROM THE CHAIR- STATUS OF THE AGRICULTURAL AND LIVESTOCK EXTENSION SERVICES BILL, (SENATE BILLS NO. 12 OF 2022)**

The Temporary Speaker (Sen. Wakili Hillary Sigei, MP) conveyed the following Communication from the Chair: -

“Honourable Senators,

As you may recall, at the sitting of the Senate held on Wednesday, 14th June, 2023, during the Second Reading of the Agricultural and Livestock Extension Services Bill, (Senate Bills No. 12 of 2022), an issue arose on some reference to Mung bean, while the Bill under consideration was the Agricultural and Livestock Extension Services Bill (Senate Bills No. 12 of 2022). Senator Enoch Wambua, while contributing to the debate, observed that there were references to the mung bean crop, whereas there is a substantive Bill addressing concerns around the Mung bean crop i.e. the Mung Beans Bill (Senate Bills No. 13 of 2022). Further, Senator Osotsi made similar observations and requested the Speaker to direct that the two Bills be reviewed with a view to addressing the inconsistencies.

Honourable Senators,

By way of background, the Agricultural and Livestock Extension Services Bill, (Senate Bills No. 12 of 2022) is sponsored by Senator Tabitha Mutinda. The Bill underwent pre-publication scrutiny by the Standing Committee on Agriculture, Livestock and Fisheries and was subsequently approved for publication and published on 30th December, 2022. The reference to mung bean in clause 4 of the Agricultural and Livestock Extension Services Bill (Senate Bills No. 12 of 2022) was a printing error that was noted after the Bill had been published. The matter has since been taken up by the Standing Committee of Agriculture, Livestock and Fisheries and will be addressed through amendments at the Committee-of-the whole stage. The Committee has already tabled its report and recommended amendments to correct the errors identified.

I thank you.”

Pursuant to Section 33(3)(b) of the County Governments Act and Standing Order 80(1)(a) of the Senate Standing Orders, I hereby proceed to read the charges against the Deputy Governor of Siaya County, as contained in the Motion of Impeachment by the County Assembly of Siaya –

 - d) Falsely claiming corruption in the county bursary allocation and exclusion of school head teachers during vetting processes; and
 - e) Misleading the County Assembly about the appointment and disciplinary action against a county officer.

Honourable Senators,

In terms of the way forward following the reading of the charges against the Deputy Governor, Standing Order 80(1)(b) of the Senate Standing Orders, as read together with Section 33 (3)(b) of the County Governments Act, gives the Senate two options on how to proceed with the matter. The Senate may –

- (a) *by Resolution, appoint a Special Committee comprising eleven of its members to investigate the matter; or*
- (b) *investigate the matter in plenary.*

The Senate Business Committee deliberated on this matter and has scheduled a Notice of Motion for the establishment of a Special Committee. If this Motion is carried, the Special Committee will be required, under Section 33(4) of the County Governments Act and Standing Order 80(2) of the Senate, to investigate the matter and to report to the Senate within ten (10) days, on whether it finds the particulars of the allegations against the Deputy Governor to have been substantiated.

Honourable Senators,

It is noteworthy, and I wish to emphasize, that when we come to the debate on the Motion for establishment of the Special Committee, debate on the Motion shall be limited to the substance of the Motion, principally, ***whether or not to establish the Special Committee***. It will not be a debate on the substance of the impeachment or its merits, propriety, prudence or even the constitutionality or the legality of the processes that have preceded the submission of this matter to the Senate. It is, therefore, not permissible to deviate to any matters other than the Motion before the Senate.

In the event that the Motion for the establishment of a Special Committee does not pass, the fall-back position is that the Senate shall proceed to investigate and consider the matter in Plenary. In this event, I will appoint

the dates on which the Senate will sit in Plenary to hear and determine the charges against the Deputy Governor.

Honourable Senators,

This is the second impeachment hearing in the 13th Parliament. Such a hearing is one of the most crucial oversight tools and singular roles of the Senate. In undertaking this mandate, the Senate will be sitting as a quasi-judicial body and will conduct investigations into the alleged infractions of the Constitution and the law, and thereafter make its determination on the matter.

I wish to ask Honourable Senators to desist from publicly commenting on the merits or demerits of the impeachment process before the Senate. Doing so would amount to the anticipation of debate, which is an infringement of Standing Order 99. Therefore, it shall be out of order, within the meaning of Standing Order 122, for any Senator to make comments, whether written or spoken, in relation to the conduct of the Deputy Governor or the impeachment process, which is outside the confines of the impeachment proceedings, as such comments may prejudice the just outcome of the process.

Finally, Senators, Standing Order 219, provides that a Senator may attend a meeting of any Select Committee of which he or she is not a Member, provided that such a Senator may speak **only** when invited to do so by the Chairperson and shall **not** have a vote on any matter before the Committee.

However, Hon. Senators, this is a Special Committee with a specific mandate as provided in Standing Order 80 (1) (b) and therefore, any canvassing, interference of the proceedings, speaking and interrogating parties to the matter shall not be entertained and shall amount to gross disorderly conduct.

Honourable Senators,

I conclude by urging **all** Senators to exercise the highest level of responsibility on this matter.

I thank you!"
