**8. QUESTIONS AND STATEMENTS****a) Pursuant to Standing Order 52 (1)**

Sen. Mohammed Faki Mwinyihaji (Senator for Mombasa County) made a Statement on an issue of general topical concern and national importance, namely; the commemoration of the United Nations International Day against Drug Abuse and Illicit Trafficking.

Thereupon, Senator highlighted the drug menace in Mombasa and the other coastal counties of Kwale, Kilifi and Lamu and noted that the menace has tragically transformed vibrant youths into addicts and criminals. He stated that according to the 2019 report by the United Nations on Drugs and Crime (UNODC), there are 27,014 drug users in the three coastal counties, exceeding the national average by more than 50%. The Senator also stated that the Mombasa County Government has established treatment centers in Miritini, Kisauni and Shimo la Tewa. He, however, indicated that the centers only cater to 1,797 addicts out of the 6,287 recorded. He expressed concern that addicts from Likoni have to travel as far as Kombani to access treatment.

The Senator indicated that the stigma associated with drug addiction presents a significant challenge to the reintegration of addicts into society. He reiterated that it is crucial that the stigma is addressed by providing psycho-social support to both the addicts and their families. As the world celebrates a drug-free future, the Senator wished that the same dream comes true to the residents of the Coastal Region.

The Senator further pointed out that combating the stigma associated with drug addiction is crucial in supporting the recovery and social reintegration of addicts and stated that psycho-social support and education will encourage individuals to seek help without fear of judgment or discrimination.
