**ENACTED** by the Parliament of Kenya, as follows—

Short title.

**2.** Section 40 of the County Governments Act, is amended—

- (a) in subsection (2) by deleting the words “one-third” appearing immediately after the words “supported by at least” and substituting therefor the words “two-thirds”;
- (b) in subsection (3) by deleting the words “one-third” appearing immediately after the words ‘supported by at least’ and substituting therefor the words ‘two- thirds’; and
- (c) in subsection (6) by deleting the words “a majority” appearing immediately after the words “supported by” and substituting therefor the words “at least two- thirds”.

### **MEMORANDUM OF OBJECTS AND REASONS**

Article 10 of the Constitution provides for the national values and principles applicable to State officers when exercising public power. These values and principles include good governance, integrity, transparency and accountability. One of the means of ensuring accountability in the exercise of public power is oversight of members of the executive by the legislature at both levels of government.

In this regard section 40 of the County Governments Act provides for the procedure for the removal of a member of the County Executive by a County Assembly. However, cognizant that the office of county executive committee member is established by the Constitution and noting the adverse consequences of removal by impeachment of a member of a county executive committee, the threshold for voting for such a removal in the Act are low. This Bill therefore proposes to enhance the threshold of voting in a County Assembly for the removal of a member of a county executive committee.

#### **Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms**

The Bill neither delegates legislative powers to the Cabinet Secretary nor limits fundamental rights and freedoms.

#### **Statement of how the Bill concerns county governments**

The Bill proposes to enhance the voting threshold in a county assembly for the removal of a member of a county executive committee. Members of a County Executive are appointed to head various dockets in the county executive charged with discharging of devolved functions as set out in Part 2 of the Fourth Schedule to the Constitution. The Bill therefore affects the powers and functions of the county government and it is therefore a Bill that concerns counties in terms of Article 110 (1) (a) of the Constitution.

#### **Statement that the Bill is not a money Bill within the meaning of Article 114 of the Constitution.**

This Bill is not a money Bill within the meaning of Article 114 of the Constitution.

Dated the 2nd May, 2023.

CHERARKEY SAMSON K.,  
*Senator.*
