**CONCERNED THAT** Kenya imports 17% of its electricity from neighboring countries and faces a challenge as the growing demand for electricity is conflicted with the lengthy process of developing power plants, which usually takes 6-10 years from conception to generation, leading to electricity shortage and load shedding which impedes economic growth;

**CONCERNED THAT** following the numerous incidents of failure and or refusal by the Governor of Isiolo County to honour invitations and summonses, the County Public Accounts Committee scheduled for a meeting at Isiolo County offices on 8<sup>th</sup> March, 2024 which the Governor failed to attend;

**FURTHER CONCERNED THAT** the committees of the Senate, pursuant to Article 179 (4) of the Constitution, invited Governor Abdi Ibrahim Hassan in his capacity as the Chief Executive Officer of the County, and he failed and/or refused to appear before the committees to answer the respective audit queries raised by the Auditor-General with respect to whether or not public monies have been applied lawfully and in an effective manner by the county government;
