## **U. MOTION - ADDRESSING THE CHALLENGE OF POWER PURCHASE AGREEMENT RENEWALS AND ELECTRICITY SUPPLY IN KENYA**

(The Chairperson, Standing Committee on Energy)

**THAT, AWARE THAT** on 29<sup>th</sup> March 2021, a presidential taskforce was formed to review power purchase agreements between the Government and Independent Power Producers, during which a moratorium was imposed on Kenya Power and Lighting Company (KPLC), preventing KPLC from signing new agreements or renewing existing ones with Independent Power Producers, which moratorium was lifted by the Cabinet in March 2023;

**FURTHER AWARE THAT** the National Assembly, vide a Motion adopted on 19<sup>th</sup> April, 2023 placed a moratorium, restricting KPLC from signing and renewing power purchase agreements (PPAs) with Independent Power Producers (IPPs) pending a report of inquiry by the Departmental Committee on Energy and the consequent House resolution on the report;

**CONCERNED THAT** Kenya imports 17% of its electricity from neighboring countries and faces a challenge as the growing demand for electricity is conflicted with the lengthy process of developing power plants, which usually takes 6-10 years from conception to generation, leading to electricity shortage and load shedding which impedes economic growth;

**COGNIZANT** of the Senate resolution of 28th February, 2024 on a Motion by the Standing Committee on Energy on inquiry into the high cost of electricity in the country calling upon the Ministry of Energy to, among others, create a one stop IPP office that comprises all the stakeholders required for approval of power plants and that the Ministry, through KPLC and Independent Power Producers renegotiate the current power purchase agreements within 12 months of adoption of the report;

**NOW THEREFORE** notwithstanding the resolution of the National Assembly that imposed a moratorium on Kenya Power whose timeline has lapsed, the Senate, in order to cushion Kenyans from the high cost of electricity, resolves:

- i. that the Ministry of Energy and Petroleum and Kenya Power and Lighting Company be allowed to enter into new power purchase agreements or renew existing power purchase agreements with Independent Power Producers; and
- ii. that the Energy and Petroleum Regulatory Authority (EPRA) fast tracks the acquisition of necessary licenses required by Independent Power Producers with valid power purchase agreements for setting up power plants.

**W. MOTION - DEVELOPMENT OF A POLICY AND LAW FOR SOCIAL RISK MANAGEMENT IN INFRASTRUCTURE DEVELOPMENT PROJECTS IN KENYA**

(Sen. Catherine Mumma, MP)

**AWARE THAT** the Constitution has entrenched a strong Bill of Rights in Chapter 4, which recognizes human rights including socio-economic rights and the principle of equality and non-discrimination;

**FURTHER AWARE THAT** Kenya lacks a policy for guiding the management of these Social Risks in the design and implementation of infrastructure projects;

**CONCERNED THAT** inadequate attention to social risks in the planning and implementation of development projects at both national and county levels makes them unacceptable and end up costing the taxpayer colossal sums of money in suits filed before the courts and tribunals by local communities and affected interest groups seeking protection from such social risks;

**NOW, THEREFORE**, the Senate resolves that:

1. The National and County Governments develop a Social Risk Management Policy that outlines the standards, guidelines and procedures for guiding infrastructure and other development projects both at the national and county governments; and
2. The national executive establishes an independent multi-sectoral agency under the authority of the Cabinet secretary in charge of Social Security and Protection to design a mechanism that can factor in the inclusion of Social Impact Assessments standards and monitor their implementation in infrastructure and other development projects in Kenya.

**X. MOTION - CONSOLIDATION OF BURSARY FUNDS FOR EQUITABLE ACCESS TO EDUCATION IN KENYA**

(Sen. Karungo Thangwa, MP)

**THAT AWARE THAT**, Pursuant to Article 53 of the Constitution, every child in Kenya is entitled to free and compulsory basic education, and the Basic

Education Act provides that, basic education should be guided by principles such as equitable access to all youth and equal access to education or institutions;

**FURTHER AWARE THAT**, many students in secondary schools and higher education institutions come from financially disadvantaged backgrounds, making it difficult for them to afford school fees and access education opportunities;

**NOTING THAT**, over the years, various interventions have been made, including the issuance of bursaries through the National Government Constituency Development Fund (NCDF), National Government Affirmative Action Fund (NGAAF), the Ministry of Education and county governments through various county bursary funds;

**CONCERNED THAT**, despite these efforts, schools fees remain unaffordable for many parents and the allocation of bursaries has been plagued by nepotism, favoritism, and political manipulation, lack of transparency and accountability;

**FURTHER CONCERNED THAT** public learning institutions are primarily funded by the Government through the Ministry of Education, and in the financial year 2024/25, approximately Kshs. 656 billion was allocated to the education sector, making it difficult to ascertain the specific funds granted to each student and that the lack of transparency in the disbursement of bursaries from various agencies makes it difficult to determine the total amount allocated in a financial year, thus hindering efforts to ensure equitable access to education for financially disadvantaged students;

**NOW THEREFORE**, the Senate urges the Ministry of Education, to:

- 1) audit the funds allocated to bursaries by both the National Government and county governments;
- 2) consolidate the funds distributed by various government entities and agencies, with the aim of directing these funds directly to schools as supplementary capitation to facilitate the achievement of free secondary education; and
- 3) calculate the cost of education per learner and make this information public for primary, secondary, and tertiary institutions, including a detailed breakdown of the annual financial requirements for each student across the country.

**THAT**, the Senate adopts the Reports of the Select Committee on County Public Investments and Special Funds on its consideration of the Audit Reports for the Financial Years 2018/2019 (Volume VI), 2019/2020 (Volume VII) and 2020/2021 (Volume IX), for Eldama Ravine, Eldoret, Embu, Githunguri, Homabay, Kahuti, Kakamega Kapenguria, Kapsabet, Nandi, Karuri, Kericho, Kiambu, Kibwezi-Makindu, Kikuyu, Kitui, Lamu, Limuru, Mathira, Matungulu – Kangundo, Mbooni, Meru, Municipal Council of Machakos, Murangá, Murang’a South, Naivasha, Nakuru Rural, Nakuru, Narok, Olkalou, Olkejuado, Othaya Mukurweini, Ruiru-Juja, Siboi, Tavevo, Tetu Aberdare and Wote Water, Sanitation and Sewerage Service Companies laid on the table of the Senate on Wednesday, 2<sup>nd</sup> October, 2024.

**THAT**, the Senate adopts Progress Report of the Standing Committee on National Cohesion, Equal Opportunity and Regional Integration into an inquiry on the diversity and inclusivity in the staff composition of state agencies in Kenya, laid on the Table of the Senate on Thursday, 3<sup>rd</sup> October, 2024.

(The Chairperson, Standing Committee on Education)

**THAT**, the Senate adopts the Report of the Standing Committee on Education on a Petition to the Senate regarding the discrimination by Teachers Service Commission (TSC) on payment of hardship and enhanced house allowances to some teachers in Kilifi and Taita Taveta counties, laid on the Table of the Senate on Tuesday, 8<sup>th</sup> October, 2024.

**P. MOTION – ESTABLISHMENT OF NATIONAL TEACHING AND REFERRAL HOSPITALS IN KENYA**

(Sen. Johnes Mwaruma, MP)

**AWARE THAT** Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

**NOTING THAT** in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

**CONCERNED THAT** the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

**FURTHER CONCERNED THAT** many Kenyans with critical health conditions travel long distances in order to access specialized services in Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

**NOW THEREFORE** the Senate urges-

1. The Ministry of Health to:
  - i. Establish National Teaching and Referral hospitals in the Coast, Eastern, North Eastern, Nyanza and Western regions; and
  - ii. Fully equip the National Teaching and Referral Hospitals with modern medical equipment, medical supplies and personnel; and
2. The County Governments to allocate more funds to their respective health dockets to adequately facilitate their County Level 5 and Level 6 hospitals in order to enhance provision of critical health services to reduce the demand for such services from the National Teaching and Referral Hospitals.

**Q. MOTION - COUNTY GOVERNMENTS TO SET ASIDE LAND FOR THE PLANTING OF INDIGENOUS TREES**

(Sen. Richard Onyonka, MP)

**THAT, AWARE** of the crucial role played by indigenous trees in purification of air and combating of climate change, protection against floods and water pollution, in the field of medicine, nutrition and timber production, among other roles;

**APPRECIATING** that the National Government, through the National Landscape and Ecosystem Restoration Programme, plans to increase the national forest cover to 30% by planting fifteen (15) billion trees and, in furtherance of the Programme, gazetted 13<sup>th</sup> November, 2023 as a Public Holiday to allow Kenyans to plant trees;

**CONCERNED** that the Government is yet to establish elaborate measures for the growing and protecting of indigenous trees and to involve such crucial players as the County Governments, hence impeding the sustainability of the programme;

**NOW, THEREFORE,** the Senate urges the 47 county Governments to set aside land and resources to be used in the planting and protection of indigenous trees, in support of the initiatives by the National Government.

**R. MOTION - ALLOCATION OF SCHOLARSHIPS AND BURSARIES BY COUNTY GOVERNMENTS**

(Sen. (Prof.) Margaret Kamar, MP)

**THAT AWARE THAT**, the Fourth Schedule to the Constitution distributes functions and powers between the National and County Governments with paragraph 16 of part 1 of the Fourth Schedule providing that the National Government shall be responsible for university and tertiary education institutions, other institutions of research and higher learning and primary schools, secondary schools and special education institutions;

**FURTHER AWARE THAT**, paragraph 9 of part 2 of the Fourth Schedule to the Constitution confers to County Governments the responsibility to provide pre-primary education and other facilities such as village polytechnics, homecraft centres and childcare facilities;

**CONCERNED THAT** notwithstanding the provisions of the aforementioned Schedule of the Constitution, the quality of pre-primary education remains low as a result of poor infrastructure with majority of the counties paying teachers in such facilities below the gazetted minimum wage;

**FURTHER CONCERNED THAT**, the Report by the Office of the Controller of Budget on County Governments Budget Implementation Review for the first six months of Financial Year (FY) 2023/24 indicate that allocation to the Education Sector in all the forty-seven (47) counties range between 0.7% to 10.3% of their total budgets, and that a majority of the county governments spend a great percentage of the education sector budgets on provision of scholarships and bursaries to students in secondary and tertiary institutions, with some counties allocating up to 84% of their education budgets for such scholarships at the expense of the core mandate of providing quality preprimary education and improving infrastructure in the village polytechnics and homecraft centres;

**NOW THEREFORE, THE SENATE RESOLVES THAT –**

- 1) the County Governments stop funding National Government functions such as providing scholarships to students in secondary and tertiary institutions, and increase funding to pre-primary education, village polytechnics and homecraft centres for improvement of infrastructure and payment of better wages to teachers in such facilities;
- 2) the Controller of Budget ensures compliance and not approve monies to County Governments for carrying out functions of the National Government; and

- 3) the Auditor General reports on compliance status on funding of National Government functions by the County Governments in the annual reports.

**S. MOTION - DEPLOYMENT OF SAFETY OFFICERS IN SCHOOLS FOR ENHANCED SECURITY AND PREPAREDNESS**

(Sen. Karen Nyamu, MP)

**AWARE THAT** schools play a crucial role in shaping the future of our children and providing a safe environment for learning;

**CONSCIOUS THAT** personal growth is vital, and that safety within schools is a fundamental right of every student, teacher, and other workers and that safety is critical in improving the overall quality of education;

**FURTHER AWARE THAT** many schools, particularly in rural and marginalized areas, lack the necessary resources and expertise to manage safety risks effectively, which exposes students and staff to potential harm;

**NOTING THAT** deploying dedicated safety officers in schools will significantly reduce risks, enhance preparedness, and provide immediate response capabilities during emergencies, and that these trained safety officers will oversee safety protocols, provide first aid, conduct safety drills, ensure fire preparedness, manage emergency evacuations, and assist in addressing violence or other threats within school environments;

**CONCERNED THAT** there have been increasing incidences of insecurity, violence, accidents, and other safety challenges in both primary and secondary schools across the country;

**NOW THEREFORE,** the Senate urges that the National Government, through the Ministry of Education to:

- 1) recruit and deploy dedicated safety officers in both primary and secondary schools nationwide;
- 2) implement comprehensive training in safety protocols, first aid, emergency response, and violence management; and
- 3) provide necessary resources and support to schools, particularly in rural and marginalized areas, to effectively deploy and utilize these safety officers.

**T. MOTION - STEPS TO EFFECTIVE WASTE MANAGEMENT IN CITIES, TOWNS AND URBAN AREAS IN THE COUNTRY**

(Sen. Mwenda Gataya Mo Fire, MP)

**THAT**, aware that waste management in cities, towns and urban areas in Kenya has clearly stood out as one of the greatest challenges to the wellbeing of urban dwellers particularly those living near dumpsites infringing their right to a clean and healthy environment as provided for under Article 42 of the Constitution and Section 3 of the Environmental Management and Co-Ordination Act;

**NOTING THAT**, most of the developed countries and some countries in Africa have managed to sufficiently deal with the issue of waste management in their cities, towns and urban areas making them attractive to their residents and investors from other countries and significantly reducing the risk of diseases caused by poor sanitation;

**CONCERNED THAT**, if proper waste management mechanisms are not put in place the increased populations in cities, towns and urban areas in Kenya will worsen the situation considering the culture displayed by most Kenyans in waste disposal;

**COGNIZANT THAT**, paragraph 2 (g) of Part 2 of the Fourth Schedule to the Constitution mandates County Governments with the function of refuse removal, refuse dumping and solid waste management;

**NOW THEREFORE THE SENATE** calls upon County Governments to develop county specific frameworks in their respective counties to regulate the challenge of waste management that will avert the associated environmental and health related risks to the residents of cities, towns and urban areas in Kenya.

**U. MOTION - STRENGTHENING SUPPORT FOR PASTORALIST COMMUNITIES TO COMBAT CATTLE RUSTLING AND MINIMIZE LIVESTOCK LOSSES**

(Sen. James Lomenen, MP)

**THAT AWARE THAT**, the livestock sector plays a crucial role in the economic well-being and cultural identity of many communities, particularly in arid and semi-arid regions of Kenya;

**FURTHER AWARE THAT**, cattle rustling has become a major hindrance to economic development, severely affecting pastoralist communities that heavily rely on livestock for their livelihood, leading to loss of life, destruction of property, and displacement of families;

**APPRECIATING THAT**, over the years, various interventions have been introduced by both the National and County Governments, including security operations, disarmament initiatives, and community peace-building efforts to curb the menace of cattle rustling and provision of livestock insurance to protect farmers in case of loss;

**CONCERNED THAT**, despite Government efforts, cattle rustling continues to thrive, driven by organized crime syndicates, political interference, and cultural practices, which severely undermines the economic stability and social cohesion of affected communities, thereby contravening the right of pastoralists to acquire and own property as stated in Article 40(1) of the Constitution;

**FURTHER CONCERNED THAT** the lack of adequate legal frameworks, affordable and comprehensive insurance schemes for livestock, and financial security for pastoralist communities has left many families vulnerable to poverty due to the theft of their livestock and the impacts of climate change, particularly drought, which aggravates these challenges;

**NOW THEREFORE**, the Senate urges the Ministry of Agriculture and Livestock Development to:

1. increase the budget allocation to the agricultural sector to at least 10% of the national budget, in line with the Maputo Declaration of 2000 (reaffirmed by the Malabo Declaration of 2015),
2. to create an enabling environment for providing affordable livestock insurance to pastoralists;
3. provide incentives to the private sector to deliver comprehensive and affordable livestock insurance; and
4. implement measures to promote public awareness and encourage the uptake of livestock insurance.
