41.	THAT, aware that Kenya's trade deficit has been on the increase in the past few years with the financial year 2016/2017 deficit being estimated at Kshs. 1.1 trillion; noting that, the deficit is mainly attributable to the exports worth Kshs. 594 billion against imports amounting to Kshs. 1.7 trillion, driven mainly by the more than doubling of food and machinery imports amid slow-moving exports; concerned that, the widening deficit has continued to pile pressure on the shilling against other global currencies such as the dollar; alarmed that, the high demand for the dollar to fund imports has been forcing the Central Bank of Kenya (CBK) to intervene, depleting foreign exchange reserves even as the Country continues to incur foreign debts; cognizant that, the rising imports amplified by flat exports portends a difficult operating environment for local enterprises and farmers including livestock and fish farmers thereby denying Kenyans employment opportunities when locals lose out to foreign manufacturers and farmers; notwithstanding the effects of protectionism policies which contribute towards affecting local industries and farms' abilities to compete in international markets; this House resolves that the Government urgently puts in place measures to bridge the huge trade deficit including by providing incentives to potential investors and farmers including livestock and fish farmers, supporting local production through promotion and protection of local industries and implementing competitive export promotion strategies.	14/3/2019	Hon. THAT, aware that farmers in Kenya are least organized into Associations, following the collapse of the Agricultural Cooperatives; further aware that, the Crops Act, 2013 provides for registration of farmers so as to establish who they are and what they produce; noting that Government's efforts to establish farmers' organizations have ended up delivering short-lived and unsustainable initiative-based groups which fizzle out soon after their formation; further noting that the best way to organize farmers is through their organizations; appreciating that the best suited organization to undertake farmers' registration is the Kenya National Farmers' Federation which has both experience and capacity; further noting that through organized farmers, farming will be more beneficial in terms of volumes, lowered cost of production and improving organized raw material supply to industry; realizing that organizing farmers into Agri-business entities is a costly undertaking which calls for Government support, and acknowledging that through organized production systems, the country will achieve the Big 4 Agenda faster and also create more and better jobs in the Agricultural Value Chains; this House urges the Government to facilitate and support the Kenya National Farmers' Federation to mobilize and organize the registration of farmers into preferred entities and manage national farmers' database for use in engagements and sustainable management of the various Agricultural Product Value Chains.	19/6/2019	Hon. No. 30 of 2014), where the Court held that the requirement contained in Article 110(3), comes into play *when there is a question or doubt* as to whether or not a Bill concerns counties, and that the absence of consultation and resolution between the two Speakers of the Houses on whether or not a Bill concerned counties is not in itself unconstitutional or a violation of the Standing Orders in instances where the demarcation of functions between national and county governments are clear; **COGNIZANT THAT**, the power of the Speakers of the Houses of Parliament under Article 110(3) is limited

to resolution of a question as to whether a Bill concerns county governments or not; **AWARE** that in furtherance to Article 110(3) of the Constitution, the House, through Standing Order 121, has mandated the Speaker to determine, in the first instance whether a Bill concerns county governments as and whenever a question arises and to establish an appropriate framework for jointly resolving the question with the Speaker of the Senate; **FURTHER AWARE** that the Speaker has and continues to actively engage the Speaker of the Senate on the establishment of an appropriate framework for jointly resolving any question as to whether a Bill concerns county governments as and when the question arises; **COGNIZANT THAT** in accordance with Article 109(5), a money Bill may be introduced **only** in the National Assembly in accordance with Article 114; **AND FURTHER WHEREAS** Article 114 (2) of the Constitution provides that if, in the opinion of the Speaker of the National Assembly, a motion makes provision for a matter listed in the definition of a **money Bill**, the Assembly may proceed only in accordance with the recommendation of the relevant Committee of the National Assembly after taking into account the views of the Cabinet Secretary responsible for finance; **AND FURTHER WHEREAS** Article 121 of the Constitution provides that the quorum of Parliament shall be fifty members, in the case of the National Assembly, or fifteen Members, in the case of the Senate; **AND FURTHER WHEREAS** Article 122(1) of the Constitution provides that except as otherwise provided in the Constitution, any question proposed for decision in either House of Parliament is to be determined by a majority of the members in that House, present and voting; **CONCERNED** that contrary to the express requirements of Articles 121, 122 and 123 of the Constitution with regard to the

quorum required for the convening of a session, voting on any question proposed for decision by a House of Parliament and decisions of the Senate, the Senate has and continues to convene part of its sessions and vote on matters not affecting counties without the requisite quorum and thresholds being met and thus prejudicing the legality of National Assembly business that is subject to the bicameral process, and indeed Senate decisions; **AND WHEREAS** Article 108 of the Constitution establishes the offices of a Leader of the majority party and a leader of the minority party, being the person who is the leader in the National Assembly of the largest party or coalition of parties and the person who is the leader in the National Assembly of the second largest party or coalition of parties; **AND WHEREAS** the said Article 108(4) of the Constitution exclusively accords certain order of precedence to be observed in the National Assembly, being the Speaker of the National Assembly, the leader of the majority party; and the leader of the minority party; hence the one in the Senate is unknown to the Constitution and any law; **CONCERNED** that despite the provisions of Article 108 of the Constitution, the Senate has irregularly established and caused the Parliamentary Service Commission to facilitate and continues to so irregularly facilitate the offices of the Leader of the Majority Party and the Leader of the Minority Party, offices that are unknown to the Constitution and any the laws of Kenya; **AND WHEREAS** Article 132 of the Constitution generally mandates the National Assembly to receive names of persons nominated for appointment to public office by the President, vet their suitability or otherwise and to approve or reject their appointment; **CONCERNED** that despite the express provisions of the Constitution, the Senate continues to participate in the approval of the appointment of persons to State Offices, through a duplicate process,

resulting in a procedure unknown to bicameral parliaments anywhere in the world, since in bicameralism vetting of persons for appointment to state and public offices is exclusively vested in one House; **CONCERNED THAT**, despite the express provisions of Article 95(5)(b) of the Constitution, the Senate has established parallel Committees duplicating the mandate of the Committees in the National Assembly and County Assemblies and has, on diverse occasions, sought to exercise oversight of state organs in a manner that does not accord with the functions of county governments outlined under Part 2 of the Fourth Schedule to the Constitution; **FURTHER CONCERNED** that in complete disregard of the provisions of Articles 109 and 114 of the Constitution mandating the origination of a money Bill **only** in the National Assembly, the Senate has on various occasions introduced and considered Bills with a money bill effect; **COGNIZANT** that pursuant to Article 3 of the Constitution, every person has an obligation to respect, uphold and defend the Constitution and that Article 94 of the Constitution requires Parliament to protect the Constitution; **FURTHER COGNIZANT** that Article 110(3) of the Constitution requires the Speakers of the Houses of Parliament to resolve any question as to whether a Bill is a Bill concerning county governments as and when such a question arises; **FURTHER COGNIZANT** that Article 229(6) of the Constitution requires the use of public funds in a lawful and effective manner; **FURTHER AWARE** that the continued engagement of the Senate in matters outside its express mandate, its irregular duplication of the mandate of the National Assembly and County Assemblies and its establishment and facilitation of irregular and unconstitutional offices constitutes imprudent use of public funds; **RECOGNIZING THAT**, the Speaker of the National Assembly has always implemented the

provisions of Article 110(3) and Standing Order 121 with regard to resolving a question as to whether a Bill concerns county governments or not;

NOW THEREFORE THIS HOUSE-

1. **REITERATES AND REAFFIRMS** its commitment to respect, uphold and defend the Constitution in terms of Article 3 of the Constitution;
2. **FURTHER REITERATES AND REAFFIRMS** the exclusive role of the Speaker of the National Assembly and the relevant Committee of the House in the consideration of any motion that makes provision for a matter listed in the definition of a money Bill under Article 114 of the Constitution;
3. **FURTHER REITERATES AND REAFFIRMS** its oversight role over national revenue and its expenditure, including the lawful and effective use of public funds by all state organs;
4. **URGES** the Speaker to continue engaging the Speaker of the Senate on establishing an appropriate framework for jointly resolving any question as to whether a Bill concerns county governments as and when such a question arises;
5. **REAFFIRMS THAT**, pursuant to the provisions of Article 95(4) and (5) of the Constitution, the mandate of oversight of State Organs exclusively vests in the National Assembly and the duplication of this role is unconstitutional
6. **RESOLVES-**
 - (a) **THAT**, the House continues upholding the provisions of Article 109(3) in the passage of Bills that

	do not concern county government; (b) THAT, the House continues upholding the provisions of Articles 109(5) & 114 of the Constitution and Standing Order 143 in considering Bills originating from the Senate; (c) THAT, in the first instance, the Houses of Parliament always explore <u>alternative</u> mechanisms of resolving any dispute that may arise between the Houses from time to time as is the practice in comparative jurisdictions; (d) THAT in the event of failure of the alternative dispute resolution mechanisms, the National Assembly institutes legal proceedings to seek interpretation of the Constitution with respect to the foregoing concerns and also with respect to the scope of its mandate vis-à-vis that of the Senate including- (i) whether it is lawful for the Senate to continue duplicating in entirety the National Assembly's legislative, representative and oversight mandates and its' organizational and institutional structures with the resultant pressure on public resources; and (ii) the enforcement of Articles 108 (<i>Party Leaders</i>), 121(<i>Quorum</i>) and 122 (<i>Voting in Parliament</i>) of the Constitution with regard to the operation of the Senate. THAT the in the meantime, the House Business Committee, upon this Resolution, inquires into the foregoing concerns and presents a report to this House as soon as is practicable.

AWARE , that in the year 1924, the Anglo-Italian treaty delineated the Kenya-Somalia boundary with twenty-nine (29) identifiable boundary pillars starting from the tri-point with Ethiopia on River <i>Dava</i> in Mandera County, to Indian Ocean at <i>Ishakani</i> in Lamu County; ACKNOWLEDGING that the 1964 Organization of African Union(OAU) Resolution 16(1) urging Member States to preserve the colonial boundaries and cognizant that Federal Republic of Somalia attained independence in 1960 but did not subscribe to the said OAU resolution, therefore claiming territory beyond its border with Kenya, through successive regimes; FURTHER AWARE that Article III, paragraph 3 and 4 of the Charter establishing the African Unity (AU) provides that African States unanimously through the African Union (AU) resolved to respect the sovereignty and territorial integrity of each State and for its inalienable right to independent existence and further by peaceful settlement of disputes by negotiation, mediation, conciliation or arbitration; COGNIZANT that the Federal Republic of Somalia's rejection of the OAU/AU decision on boundaries was in furtherance of its expansionist ideology of the time, of achieving a Greater Somalia and its engineering of irredentism in Kenya's North Eastern Province and hence the <i>Shifta</i>	07/08/2019	Hon. war of 1963 – 1967; **RECALLING** that the settlement of the war was acceptance of Federal Republic of Somalia to recognize Republic of Kenya’s territorial boundary by way of the Arusha Accord signed by the then Somalia Prime Minister, Mohamed Egal and further that, his successor, President Gen. Siad Barre subsequently rejected the Accord leading to deterioration of relations between Republic of Kenya and Federal Republic of Somalia; **FURTHER RECALLING** that President Siad Barre denounced territorial claims of the Republic of Kenya through a declaration at the 1981 OAU’s Head of State Summit and leading to normalising of the relations between the two nations; **COGNIZANT** that the current dispute regards establishment of Coastal States maritime zones in accordance with the United Nations Convention on the Law of the Sea (UNCLOS), which both Countries became Parties to in 1982, which allows coastal States to establish an Exclusive Economic Zone (EEZ) of two hundred nautical miles and a potential continental shelf of up to 350 nautical miles; **COGNIZANTFURTHER**, that the Republic of Kenya proclaimed her maritime zones including the maritime boundary in 1979 when UNCLOS was still under negotiations.

FURTHER RECOGNISING that, in order to domesticate the UNCLOS, Parliament of Kenya enacted the Maritime Zones Act (Cap 371, Laws of Kenya whose objective is to consolidate the law relating to the territorial waters and continental shelf of the Republic of Kenya; **RECALLING** that in 1991, the Federal Republic of Somalia descended into civil conflict resulting in the emergence of terrorists groups and organisations such as the *Al Shabaab* and other groups affiliated to international terrorist groups like the Al Qaeda and (Islamic State for Iraq and Syria) ISIS, mass displacement of millions of Somali people most of whom are hosted in Kenya, piracy on the Western Indian Ocean close to Kenya and terrorist attacks in Kenya that have adversely affected our tourism industry, among others negative effects; **CONCERNED** that since 1991 Federal Republic of Somalia has not had an effective government and hence

lack of a peaceful environment for the Republic of Kenya to engage it in negotiations to agree on the demarcation of their maritime boundary in the Indian Ocean; the Federal Government of Somalia having not raised any objection with the boundary as established until 2014, claiming a part of Kenya's maritime zone, by filing a case against Kenya at the International Court of Justice (ICJ) without giving an opportunity to negotiated settlement or any other alternative dispute resolution mechanism including negotiations as provided for under UNCLOS of which both the Republic of Kenya and Federal Republic of Somalia are signatories; **FURTHER CONCERNED** that the Federal Government of Somalia has sought provisional measures against Kenya for unlawful operations in her maritime territory and concerning the establishment of a maritime boundary between the two countries in the Indian Ocean, delimiting the Territorial Sea, Exclusive Economic Zone and Continental Shelf, including the continental shelf beyond 200 nautical miles; **CONCERNED FURTHER** that in November 2018, during the Africa Oil week in Cape Town, South Africa, Somalia informed that it was in the process of mapping its offshore oil blocks and preparing to offer the blocks for auction; and on 7th February 2019, Somalia hosted Oil and Gas Conference in London and revealed the plan to offer for auction of oil blocks 230, 231, 232 and 233 that are within Kenya's maritime zones and that the Federal Republic of Somalia anticipates that the signing of the final Production Sharing Agreement by the winning bidder will be on 9th December 2019 with an effective date of 1st January 2020; **CONSIDERING**, that the determination of the case will be made in September, 2019; and that Kenya is exposed to irregularly losing upto 26 per cent of its Exclusive Economic Zone and 85 per cent of the Continental Shelf and access to international waters; further considering that the possible delimitation of the maritime boundary on the basis of the equidistant principle sought by Federal Republic of Somalia will have the effect of extending its territory by up to 50 miles from Kenya's tourism resorts in Lamu and adjacent islands including the strategic Lamu Port,

therefore threatening to expose Kenya to further terrorist attacks and long term insecurity; **COGNIZANT** that the border dispute between the two countries may hamper current efforts in the continuing construction of a border wall between Kenya and Somalia, and the fight against piracy in Kenya's waters and fight against *Al-Shabaab* in the Region; **RECOGNIZING** the dispute resolution mechanisms under the African Union (AU), Intergovernmental Authority for Development (IGAD) and East African Community (EAC) as the first point of call on such disputes;

NOW THEREFORE, this House resolves that the Government of the Republic of Kenya:-

- (a) upholds and protects the boundaries of the territory of Kenya, unless the People of Kenya resolves by way of referendum, to alter the territory of Kenya as contemplated under Article 255(1)(b) of the Constitution as read together with section, 3(3) of the Treaty Making and Ratification Act, (No. 45 of 2012);
- (b) take urgent steps to implement, in full, the provisions of the Maritime Zones Act, Cap 371 with regard to delimitation of the Northern Boundary of the Exclusive Economic Zone with Federal Republic of Somalia through agreement as envisaged by UNCLOS;
- (c) as a first and most preferred option, engages the Federal Government of Somalia to resolve the boundary dispute for the benefit of both countries and the region, through diplomacy and dispute resolution mechanisms available under African Union (AU), Intergovernmental Authority for Development (IGAD) and East African Community (EAC);
- (d) expresses to the United Nations, the Republic of Kenya's protest against the assertion of

	jurisdiction by the International Court of Justice over the maritime boundary conflict between Federal Republic of Somalia and the Republic of Kenya, noting Kenya's express reservation to jurisdiction made in 1965 and the provisions of Kenya's Maritime Zones Act to delimit the maritime boundary through agreement as envisaged by UNCLOS; and, (e) explores other lawful and constitutional mechanisms for protecting the territory of the Republic, including deploying the Kenya Defence Forces to the subject boundary to undertake the responsibility of protecting the sovereignty and territorial integrity of the Republic as contemplated under Article 241(3) of the Constitution.
