## **1. Commentary on the Consolidated Financial Statements**

### **1.1. Introduction**

#### **The Legal Framework**

Section 81 of the Public Finance Management Act, 2012, requires that all state organs and public entities prepare annual financial statements at the end of each financial year and submit them to the Auditor General with a copy to the Controller of Budget, National Treasury and the Commission on Revenue Allocation by 30<sup>th</sup> September every year. Further, Section 80 of the PFM Act, 2012 requires the National Treasury to prepare annual financial statements that consolidate the financial statements prepared by all national government entities, and submit to the Auditor-General with a copy to the Controller of Budget and Commission on Revenue Allocation by 31<sup>st</sup> October of every year.

The financial statements referred to above are prepared in accordance with the standards prescribed by the Public Sector Accounting Standards Board (PSASB). The Board was set up pursuant to Section 192 of the PFM Act, 2012 with the responsibility of providing frameworks and set generally accepted standards for the development and management of accounting and financial systems by all state organs and public entities and prescribe formats for financial statements and reporting by all state organs and public entities.

The Cabinet Secretary for the National Treasury gazetted members of the Board through Gazette Notice No. 1199 of 28<sup>th</sup> February, 2014. Following the Board's approval of the adoption of the International Financial Reporting Standards (IFRS) for state organs operating as commercial business entities, Cash-basis International Public Sector Accounting Standards (IPSAS) for Ministries, Departments and Agencies (MDAs) and County Governments, and Accrual-basis IPSAS for state organs operating as non-commercial business entities, the reporting standards were gazetted through the Kenya Gazette Notice No. 5440 dated 8<sup>th</sup> August 2014.

#### **Scope and Consolidation**

Executive Order No. 2, dated 20<sup>th</sup> May 2013, on the organisation of Government saw the creation of the 51 Ministries, Department and Agencies. In addition, there are 4 votes relating to Consolidated Fund Services.

The Executive Order No. 2 coupled with Presidential Warrants: No. 1 of 2015/2016 dated 30<sup>th</sup> June 2015, No. 2 of 2015/2016 dated 6<sup>th</sup> May 2016 and No. 3 of 2015/2016 dated 30<sup>th</sup> June 2016 operationalise the votes by authorising the issuance of funds from the Consolidated Fund. The entities included in the consolidation and the disbursements from the Exchequer are included in Appendix III.

Included in Part B of this consolidation are Government Development Projects implemented by MDAs.

**1.2. Key Highlights**

Below is an overview of the financial performance for the year ended 30<sup>th</sup> June 2016 as reported in the detailed consolidated financial statements together with the commentary and comparative analysis against budget and prior year for the key items in the financial statements.

**1.2.1. Financial Performance Summary**

**Actual Performance against Budget for Year to 30<sup>th</sup> June 2016**

<b>Financial Performance</b>	<b>Printed Estimates</b>	<b>Actual</b>	<b>Variance</b>	<b>%</b>
	KShs Million	KShs Million	KShs Million	Change
Total Receipts	1,989,275	1,748,204	(241,071)	(12)%
Total Payments	1,989,275	1,735,173	(254,102)	(13)%
<b>Surplus for the Year</b>	-	<b>13,031</b>	<b>13,031</b>	<b>&gt;100%</b>

Actual receipts by the MDAs stood at 12% below budget while actual payments were 13% below budget. This is attributable to underutilisation of budget allocation for acquisition of assets, other transfers and grants and other payments.

**Current Year Performance against Prior Year**

<b>Financial Performance</b>	<b>Year to 30<sup>th</sup> June 2016</b>	<b>Year to 30<sup>th</sup> June 2015</b>	<b>Change</b>	<b>%</b>
	KShs Million	KShs Million	KShs Million	Change
Total Receipts	1,748,204	1,683,969	64,235	4%
Total Payments	1,735,173	1,696,336	38,837	2%
<b>Surplus/(Deficit) for the Year</b>	<b>13,031</b>	<b>(12,367)</b>	<b>25,398</b>	<b>(205)%</b>

Total receipts increased by 4% due to increase funding to the MDAs mainly through exchequer releases while payments increased by a lower rate leading to a surplus in the current year compared to the previous financial year.

**1.2.2. Financial Assets Summary**

<b>Financial Assets</b>	<b>As at 30<sup>th</sup> June 2016</b>	<b>As at 30<sup>th</sup> June 2015</b>	<b>Change</b>	<b>%</b>
	<b>KShs Million</b>	<b>KShs Million</b>	<b>KShs Million</b>	<b>Change</b>
Bank Balances	18,767	14,203	4,564	32%
Cash Balances	278	75,142	(74,864)	(100)%
Accounts Receivables - Outstanding Imprest and Clearance Accounts	21,644	66,751	(45,107)	(68)%
<b>Total Financial Assets</b>	<b>40,689</b>	<b>156,096</b>	<b>(115,407)</b>	<b>(74)%</b>

Cash balances declined by 100% as a result of a significant decrease of KShs 74,864 Million in cash balances reported by State Department of Infrastructure. This cash balance previously reported was unsupported and is currently being reconciled in a bid to adjust the accounts through a prior year adjustment.

There is a decrease in accounts receivables as a result of a significant decrease in accounts receivables reported by Public Debt. This decrease is attributed to a write off through a prior year adjustment of exchequer provisioning account that was erroneously accrued under receivables in prior year, of KShs 91,364 Million.

Bank balances at year end generally increased across the MDAs. Specifically, National Treasury and National Land Commission both reported increased bank balances of KShs 902 Million and KShs 994 Million respectively compared to prior year.

**1.2.3. Receipts**

The government receipts are derived from domestic and external sources. Domestic resources mainly comprise of taxes collected by the Kenya Revenue Authority (KRA) on behalf of the National Treasury, the appointed Receiver of Revenue, and remitted to the Exchequer Account that forms part of the Consolidated Fund. Tax collections are accounted for under the Consolidated Fund Accounts that consolidates the revenue collected by the various Receivers of Revenue.

MDAs receive transfers from the Consolidated Fund which forms the largest part of their receipts as depicted in the table below:

Other receipt sources include external loans and grants, various administrative fees and charges, capital receipts from sale of public assets and own receipts collected and used directly by government entities and certain budget agencies. Domestic and external borrowings are treated on a cash basis and are therefore, included in the government receipts.

The total receipts for FY 2015/2016 stood at KShs 1,748,204 Million, representing a 4% increase from KShs 1,683,969 Million for FY 2014/2015.

**Total Receipts Breakdown**

	Year to 30 <sup>th</sup> June 2016	Year to 30 <sup>th</sup> June 2015	Change	%
<b>Receipts</b>	KShs Million	KShs Million	KShs Million	Change
Tax Receipts	6,068	5,015	1,053	21%
Proceeds from Domestic and Foreign Grants	21,877	26,304	(4,427)	(17)%
Exchequer Releases	1,529,402	1,365,042	164,360	12%
Transfers from Other Government Entities	34,281	23,181	11,100	48%
Proceeds from Domestic Borrowings	-	20,914	(20,914)	(100)%
Proceeds from Foreign Borrowings	106,830	208,276	(101,446)	(49)%
Proceeds from Sale of Assets	21,606	23,062	(1,456)	(6)%
Reimbursements and Refunds	4,990	4,427	563	13%
Other Receipts	23,150	7,748	15,402	199%
<b>Total Receipts</b>	<b>1,748,204</b>	<b>1,683,969</b>	<b>64,235</b>	<b>4%</b>

The increase in total receipts reported by National Government MDAs is as a result of an increase in exchequer releases from the National Treasury by KShs 164,360 Million due to increased budget allocation. This increase was offset by a decrease in the proceeds from foreign borrowings by KShs 101,446 Million reported by the MDAs in particular, State Department of Transport that reported a drop of KShs 91,992 Million from previous year.

The diagram above depicts the share of major categories of receipts for the fiscal year ended 30<sup>th</sup> June 2016. The major source of funding for the MDAs is exchequer releases that account for 88% of the total receipts.

**1.2.4. Payments**

Total payments for period ended 30<sup>th</sup> June 2016 stood at KShs 1,735,173 Million, a 2% increase from KShs 1,696,336 Million reported for the year ended 30<sup>th</sup> June 2015.

	<b>Year to 30<sup>th</sup> June 2016</b>	<b>Year to 30<sup>th</sup> June 2015</b>	<b>Change</b>	<b>%</b>
<b>Payments</b>	<b>KShs Million</b>	<b>KShs Million</b>	<b>KShs Million</b>	<b>Change</b>
Compensation of Employees	326,589	305,102	21,487	7%
Use of Goods and Services	232,278	192,151	40,127	21%
Subsidies	30,315	30,675	(360)	(1)%

Other Grants and Transfers	75,999	66,077	9,922	15%
Social Security Benefits	52,549	36,292	16,257	45%
Acquisition of Assets	227,995	322,791	(94,796)	(29)%
Finance Costs, including Loan Interest	167,982	152,563	15,419	10%
Repayment of Principal on Domestic and Foreign borrowing	254,117	264,916	(10,799)	(4)%
Other Payment	4,917	23,744	(18,827)	(79)%
<b>Total Payments</b>	<b>1,735,173</b>	<b>1,696,336</b>	<b>38,837</b>	<b>2%</b>

The increase in payments is attributable to a significant increase in transfers to other Government Units and use of goods and services as a result of increased activities within the Government. There was also a significant increase in compensation of employees and social security benefits.

**1.2.5. Surplus for the Year**

The surplus for the MDAs in FY 2015/2016 stood at KShs 13,031 Million compared to a deficit of KShs 12,367 Million in the previous financial year. This is attributable to the fact the total receipts in the year increased at a higher rate than payments made in the year.

<b>Financial Performance</b>	<b>Year to 30<sup>th</sup> June 2016</b>	<b>Year to 30<sup>th</sup> June 2015</b>	<b>Change</b>	<b>%</b>
	KShs Million	KShs Million	KShs Million	Change
Total Receipts	1,748,204	1,683,969	64,235	4%
Total Payments	1,735,173	1,696,336	38,837	2%
<b>Surplus/(Deficit) for the Year</b>	<b>13,031</b>	<b>(12,367)</b>	<b>25,398</b>	<b>(205)%</b>

**1.2.6. Total Financial Assets**

The total financial assets for the MDAs as at 30<sup>th</sup> June 2016 amounted to KShs 40,689 Million compared to the KShs 156,096 Million as at 30<sup>th</sup> June 2015. This represents a decrease of KShs 115,407 Million.

<b>Financial Assets</b>	<b>As at 30<sup>th</sup> June 2016</b>	<b>As at 30<sup>th</sup> June 2015</b>	<b>Change</b>	<b>%</b>
	KShs Million	KShs Million	KShs Million	Change
Bank Balances	18,767	14,203	4,564	32%
Cash Balances	278	75,142	(74,864)	(100)%
Accounts Receivables-Outstanding Imprest and Clearance Accounts	21,644	66,751	(45,107)	(68)%
<b>Total Financial Assets</b>	<b>40,689</b>	<b>156,096</b>	<b>(115,407)</b>	<b>(74)%</b>

The decrease in total financial assets was driven by a decrease in cash balances and accounts receivable. This was offset by the increase in bank balances by 32%.

Cash balances declined by 100% as a result of a significant decrease of KShs 74,864 Million in cash balances reported by State Department of Infrastructure. This cash balance previously reported was unsupported and is currently being reconciled in a bid to adjust the accounts through a prior year adjustment.

Bank balances at year end generally increased across the MDAs. Specifically, National Treasury and National Land Commission both reported increased bank balances of KShs 902 Million and KShs 994 Million respectively compared to prior year.

### Cashflow Activities

Net cash flows utilised in investing activities decreased due to a decline in amounts utilised in the acquisition of assets by the MDAs. Net cash flows used in financing activities increased in the current year due to a decline in proceeds from foreign borrowings received in the current year compared to prior year by KShs 101,446 Million and a decline in proceeds in domestic borrowings received in the current year compared to prior year by KShs 20,914 Million. This increase was marginally offset by a decline in repayment of principal on Domestic and Foreign borrowing by KShs 10,799 Million.

#### 1.3. Conclusion

The Government of Kenya has initiated various reforms to improve the integrity and timeliness of financial information generated for all stakeholders so as to enhance decision making for prudent allocation and control of public resources. In an attempt to increase transparency in reporting, the National Treasury adopted cash based International Public Sector Accounting Standards (IPSAS) for Ministries, Departments and Agencies, and County Governments and accrual based International Public Sector Accounting Standards (IPSAS) for non-commercial national government entities and International Financial Reporting Standards (IFRS) for commercial government entities.

For effective understanding and interpretation, the financial statements should be read in conjunction with the underlying notes and schedules.

**2. Statement of Responsibility**

Section 80 of the Public Finance Management (PFM) Act, 2012 requires the National Treasury to prepare annual financial statements that consolidate the financial statements prepared by all National Government entities, in accordance with the accounting policies and formats prescribed by the Public Sector Accounting Standards Board. The National Treasury is required to submit these financial statements to the Auditor General and a copy to the Controller of Budget and the Commission on Revenue Allocation by 31<sup>st</sup> October 2016.

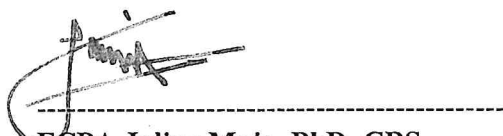

These consolidated financial statements relate to the National Government Ministries, Departments and Agencies for the financial year ended 30<sup>th</sup> June 2016 and are based on the financial statements prepared and submitted by the respective Ministries, Departments and Agencies in accordance with Section 81 of the PFM Act, 2012. The responsibility of ensuring accuracy and completeness of the financial statements rests with the Accounting Officers of the respective entities.

The consolidated financial statements have been prepared on a going concern basis, and are based on accounting policies which have been consistently applied and supported by reasonable and prudent judgments and estimates.

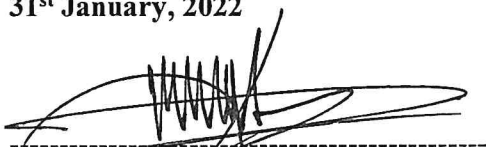

To the best of our knowledge, the overall consolidated financial statements as set out on pages 1 to 69 are complete and accurately prepared based on the financial statements submitted by the entities for the financial year ended 30<sup>th</sup> June 2016.

## **REPORT OF THE AUDITOR-GENERAL ON GOVERNMENT OF KENYA MINISTRIES, DEPARTMENTS AND AGENCIES FOR THE YEAR ENDED 30 JUNE, 2016**

---

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Opinion**

I have audited the accompanying Consolidated Financial Statements of the Government of Kenya Ministries, Departments and Agencies (MDAs) set on pages 1 to 59, which comprise the consolidated statement of financial assets as at 30 June, 2016, and the consolidated statement of receipts and payments, consolidated statement of cash flows, consolidated statement of comparison of budget and actual amounts and a summary of funds movements per vote for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Government of Kenya Ministries, Departments and Agencies (MDAs) as at 30 June, 2016, and of its consolidated financial performance and its consolidated cash flows for the year then ended, in accordance with the International Public Sector Accounting Standards (Cash Basis) and the Public Finance Management Act, 2012.

#### **Basis for Opinion**

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Government of Kenya Ministries, Departments and Agencies (MDAs) Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Emphasis of Matter**

#### **Overall Government Performance**

The audit of individual Ministries, Departments, Agencies' (MDAs) and the Consolidated Fund Services sets of financial statements for the year ended

30 June, 2016 indicates that only ten (10) financial statements out of the audited fifty-five (55) with expenditure totalling to Kshs.43,452,202,377 or 2.5% of total expenditure of Kshs.1,734,950,072,194 had unqualified opinion. Further, thirty-five (35) financial statements with an expenditure of Kshs.1,055,713,018,594 or 60.9% of total expenditure had a qualified audit opinion. Six (6) financial statements with an expenditure amount of Kshs.537,606,274,758 or 31% of total expenditure had an adverse opinion while three (3) financial statement with expenditure of Kshs.94,421,805,173 or 5.4% of total expenditure had a disclaimer of opinion. The financial statements for the Office of the Auditor-General with an expenditure amount of Kshs.3,756,771,292 or 0.2% of the total expenditure audited separately by an independent auditor appointed by Parliament had not been certified. The audit opinion summary over the last two years is as shown below;

Audit Opinion	2014/2015		2015/2016	
	No. of Financial Statements	Percentage (%)	No. of Financial Statements	Percentage (%)
Unmodified	11	20.4	10	18.2
Qualified	31	57.4	35	63.6
Adverse	9	16.7	6	10.9
Disclaimer	2	3.7	3	5.5
Not yet Certified	1	1.9	1	1.8
<b>Totals</b>	<b>54</b>	<b>100</b>	<b>55</b>	<b>100</b>

My opinion is not qualified in respect this matter.

### Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Government of Kenya Ministries, Departments and Agencies (MDAs) ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the National Government is aware of the intention to terminate the Government of Kenya Ministries, Departments and Agencies (MDAs) or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance is responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Government of Kenya Ministries, Departments and Agencies (MDAs) monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk

management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud, or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the consolidated financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the consolidated financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the consolidated financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to

those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Ministries, Departments, Agencies' (MDAs) ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Ministries, Departments, Agencies' (MDAs) to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Ministries, Departments, Agencies' (MDAs) to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## **8. Significant Accounting Policies**

The principal accounting policies adopted in the preparation of these financial statements are set out below:

### **8.1. Statement of compliance and basis of preparation**

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the PSASB and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

### **8.2. Basis of consolidation**

This consolidation is based on unaudited financial statements submitted by the individual MDAs to the Auditor-General by 30<sup>th</sup> September 2016 with a copy to the Controller of Budget, the National Treasury and the Commission on Revenue Allocation. A revised consolidation based on the audited financial statements will be prepared and submitted for audit purposes.

The financial statements are aggregated on a line by line basis with the inter-entity transactions of receipts and payment being eliminated at the national consolidation level to avoid overestimation of receipts or payments.

The entities' accounting policies have been adjusted to form a consistent basis, where their effect is deemed material to this consolidated financial statement. This is especially the case for the entities whose financial statements have been prepared on accrual-basis IPSAS.

### **8.3. Elimination**

Material balances and transactions between entities included in this consolidation have been eliminated. This has been informed by the inter-entity elimination template that is completed by the entities and submitted to the National Treasury.

## Significant Accounting Policies (Continued)

### 8.4. Significant accounting policies

The accounting policies set out in this section have been consistently applied by all consolidated entities and for all the years presented.

#### a. Recognition of receipts and payments

The Government recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government. In addition, the Government recognises all payments when the event occurs and the related cash has actually been paid out by the Government.

#### b. In-kind contributions

In-kind contributions are donations that are made to the Government in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Government includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

#### c. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

#### d. Property, plant and equipment

The expenditure on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as capital expenditure otherwise it not recorded rather a fixed asset register which contains details of assets is maintained by each public entity.

**Significant Accounting Policies (Continued)**

**e. Accounts receivable**

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

**f. Accounts payable**

For the purposes of these financial statements, deposits and retentions held on behalf of third parties has been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and agencies. Other liabilities including pending bills are disclosed in the financial statements.

**g. Pending bills**

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Government at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made

**h. Budget**

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Government's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high level assessment of the Government's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

**i. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**Significant Accounting Policies (Continued)**

**j. Subsequent events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2016.

**k. Restriction on cash**

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. There were no restrictions on cash during the year.

**1. Consolidated Projects Implemented by Ministries, Departments and Agencies**

This report relates to consolidation of the Development Projects implemented by National Government Ministries, Departments and Agencies. The consolidation is based on the individual financial statements submitted by the entities pursuant to Section 81 of the PFM Act, 2012 subject to certain adjustments necessary for consolidation purposes.

A total of 78 development projects implemented by MDAs have been included in this consolidation for financial year ended 30<sup>th</sup> June 2016 compared to the 91 projects that were consolidated in FY 2014/2015. As disclosed under Appendix 1, one project did not submit financial statements as at 30<sup>th</sup> June 2016. A further 25 projects have been consolidated under the respective MDAs, and another 15 have been reported and consolidated under other projects. This brings the total number of projects implemented and reported under MDAs to 118. Development projects implemented by State Corporations and SAGAs have been consolidated in the financial statements of State Corporations and SAGAs. Appendix 1 of these consolidated financial statements details the movement of the development projects within the year.

**6. Significant Accounting Policies**

The principal accounting policies adopted in the preparation of these financial statements are set out below:

**a. Statement of compliance and basis of preparation**

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the Government and all values are rounded to the nearest (KShs). The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the Government.

**b. Recognition of receipts and expenses**

The Government recognises all receipts from the various sources when the event occurs and the related cash has been received by the Government. In addition, the Government recognises all expenses when the event occurs and the related cash has been paid out by the Government.

**c. In-kind contributions**

In-kind contributions are donations that are made to the Government in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Government includes such value in the Statement of Receipts and Payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

**d. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

**7. Significant Accounting Policies (Continued)**

**e. Pending bills**

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Government at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

**f. Budget**

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Government's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the Government's actual performance against the comparable budget for the financial year under review has been included in the Statement of Comparison of Budget and Actual Amounts.

**g. Reporting periods**

The Government of Kenya's Fiscal Year runs from 1<sup>st</sup> July to 30<sup>th</sup> June. The financial statements cover the period 1<sup>st</sup> July 2015 to 30<sup>th</sup> June 2016. The comparative figures reflect the 12 months ended 30<sup>th</sup> June 2015. Adjustments made by budget agencies which have not been accommodated in the adjusted consolidated financial statements have been accommodated in the adjustment to opening balances.

**h. Comparative figures**

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**i. Subsequent events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30<sup>th</sup> 2016.

**j. Restriction on Cash**

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.
