12*. MOTION – INQUIRY INTO THE MATTER OF REDUCTION OF ELECTRICITY COSTS IN THE COUNTRY

(The Chairperson, Departmental Committee on Energy)

THAT, this House **adopts** the Report of the Departmental Committee on Energy on the inquiry into the matter of the reduction of electricity costs in the country, *laid on the Table of the House on Monday, 25th November 2024,* and **approves** the lifting of the moratorium on the signing of new Power Purchase Agreements subject to the following conditions –

(1) **THAT,** all intermittent sources of energy projects i.e. wind and solar being onboarded to the grid be fitted with Energy Storage Solutions as a mitigation measure to their intermittency as well as to maintain the system's equilibrium between supply and demand for electricity by strategically discharging storage assets during times of peak demand and charging them during times of low demand;

(2) **THAT,** the Ministry immediately stops Power Purchase Agreement amendments that occur midway through the lifecycle of the Independent Power Producers, similar to the case of OrPower 4 Inc, and all subsequent PPA amendments/variations are to be subjected to the National Assembly for approval

(3) **THAT,** the power generation indicative tariffs both in the FiT and auctions system before gazettement and all Power Purchase Agreements be subjected to approval and ratification by the National Assembly, and this will also apply to projects still in the pipeline and those not yet operationalized before the imposition of the moratorium. In the transition phase before the formation and operationalization of the IPP office, EPRA will undertake this role as it is currently prescribed in law and is to submit the updated competitive indicative tariffs to guide the process of onboarding of power producers for concurrence with the National Assembly before gazettement within two (2) months upon passage of the report;

Least Cost Power Development Plan to ensure price discovery by selecting only the least expensive power producer that meets the detailed technical and financial evaluation requirements after the bid rounds, failure to which the auction will be deemed unresponsive. Further, the Ministry in conjunction with EPRA to draft and table an approved Renewable Energy Auctions Policy that outlines the transition from the Feed-in-Tariff for advanced projects which must also be in line with the gazetted indicative tariffs, and operationalizes the auction system for consideration by the National Assembly within six (6) months after the adoption of the report; and

(1) **THAT,** within six (6) months upon adoption of this Report, the Business Registration Services (BRS) submits to the National Assembly a report containing a list of the owners, beneficial owners, shareholders and directors of each entity operating as an independent power producer in Kenya in accordance with section 93A of the Company Act, Cap. 486. Subsequently, all new power purchase agreements will only be entered into with a power generation entity that has fully disclosed and registered full beneficial ownership in compliance with the Act.

17*. MOTION: 033/2023 – SUPPORTING AND PROMOTING LOCAL FERTILIZER MANUFACTURING INDUSTRIES
(The Hon. Samuel Atandi, M.P.)

THAT, aware that, the Fertilizer and Animal Foodstuff Act, 2015 provides for the regulation of fertilizer importation in the country; further aware that, the Fertilizer and Animal Foodstuffs Board regulates the fertilizer and animal foodstuffs industry including the manufacture and production of fertilizers; noting that, the country currently relies heavily on imported fertilizer due to inadequate local production capacity; further noting that, the low local production leads to high costs for farmers, reducing their profits and results in an unhealthy reliance on imported fertilizer; concerned that, this scenario threatens the country's food security in case of supply disruptions and discourages local production; recognizing that local fertilizer production could lead to improved fertilizer quality, increased crop yields and a reduction in environmental harm caused by the use of substandard fertilizers; recalling that the country has the potential to produce fertilizer that could meet the country's domestic demand and also supply the regional market; further recognizing that there is need for the government to work with local producers to develop high quality fertilizer tailored to the needs of Kenyan farmers and crops; now therefore this House **resolves** that the National Government through the Ministry of Agriculture and Livestock Development, supports and promotes local fertilizer manufacturing industries by investing in research and development to bolster the domestic fertilizer manufacturing sector.

18*. MOTION: 026/2023 – NATIONAL SENSITIZATION AND SUPPORT FOR COMBATING SICKLE CELL AND HAEMOPHILIA DISEASES
(The Hon. Peter Nabulindo, M.P.)

THAT, aware that Article 43(1) of the Constitution entitles every person to the right to the highest attainable standard of health, which includes the right to health care services; further aware that, every year, an estimated 14,000 children born in Kenya suffer from sickle cell and haemophilia diseases, with the highest prevalence

...../18(Cont'd)*

rate being within Western, Nyanza and Coastal Regions; concerned that, failure to undertake sickle cell and haemophilia screening at birth hinders timely administration of appropriate treatment and other mitigation measures to forestall high infant mortality caused by preventable diseases like malaria; cognizant that, national population surveys does not include data on sickle cell and haemophilia diseases; concerned that, the dearth of data and information negatively hinders prioritization of resources and implementation of sickle cell disease management programs; recognizing that, the number infant deaths caused by the disease continues to grow as a result of underfunding due to lack of data on the number of cases of the killer disease; now therefore, this House **resolves** that the National Government, through the Ministry of Health, and in conjunction with county governments –

(a) conducts awareness and sensitization programmes on sickle cell and haemophilia diseases and supports research and training for medical personnel on the two diseases; and

(b) puts in place measures for mandatory screening of newborns sickle cell and haemophilia diseases in all public health facilities in the country in order to create a database to guide funding and other interventions aimed at curbing the diseases and reducing infant mortalities resulting from the diseases.

19*. MOTION: 031/2023 – PROVISION OF APPROPRIATE ACCESS TO MARKETS IN THE COUNTRY
(The Hon. Beatrice Kemei, M.P.)

THAT, aware that, the Kenya Roads Act, 2007 mandates the various road authorities to, among other functions, control roads and road reserves, and access to roadside developments; further aware that, market centres are ordinarily constructed along road developments across the country; noting that, due to improper planning, some of the marketplaces have no access roads leading buyers and traders to encroach on the roads and road reserves; further noting that, there have been instances of accidents leading to multiple deaths due to this unregulated use of road development; appreciating that, proper access roads to market places would ease access by buyers and thereby avert accidents due to the converging of traders and buyers on roadsides, thus enhancing road safety and service delivery while providing opportunities for economic engagement for the traders; now therefore, this House **resolves** that the Government, through the Ministry of Roads & Transport, develops a framework to ensure that where market centres exist along road developments, appropriate access is provided including service lanes and access roads.

20*. MOTION: 035/2023 – GOVERNMENT-TO-GOVERNMENT (G2G) MODEL TO ACQUIRE AND SUPPLY FERTILIZERS TO FARMERS AT SUBSIDIZED COST
(The Hon. Geoffrey Ruku, M.P.)

THAT, aware that, Kenya is an agricultural-based economy with a significant portion of its population relying on farming for their livelihood; noting that, the quality and quantity of crop yields in Kenya has been hampered to a large extent by lack of adequate and quality fertilizers leading to decreased agricultural

...../20(Cont'd)*

productivity and economic losses; further noting that, the government has committed to improving agricultural productivity through various initiatives including provision of subsidized fertilizers; concerned that the cost, quantity and quality of fertilizers and subsequently the cost of production of food crops and cash crops including coffee, tea and Miraa has increased due to a number of factors, among them high cost of fertilizers due to markup by private suppliers of fertilizers; further concerned that threat to food security is a threat to national security; recognizing that the Government-to-Government model has been noted to lower cost of products; further recognizing that, there are countries willing to enter into a G2G agreement; appreciating that G2G has been proven to be effective in provision of services that have a direct impact on citizens' livelihood including the cost of living such as the supply of fertilizers, particularly in countries with similar agricultural conditions as Kenya; **this House, therefore resolves that**, the government, through the Ministry of Agriculture and Livestock Development and its agencies adopts—

(i) the Government-to-Government (G2G) model in the acquisition and supply of fertilizers by identifying potential partner countries that have surplus and quality fertilizers; and

(ii) a comprehensive programme for Government-to-Government (G2G) acquisition and distribution of fertilizers through, among others, Kenya Farmers Association (KFA), Kenya Tea Development Agency (KTDA), Coffee Board of Kenya, Kenya Planters Cooperative Union (KPCU), Kenya Grain Growers Cooperative Union, Pyrethrum Board of Kenya for increased agricultural productivity.

21*. MOTION: 038/2023 – DEVELOPMENT OF MEASURES TO MITIGATE DIGITAL EXCLUSION
(The Hon. Marianne Kitany, M.P.)

THAT, aware that the Government of Kenya has prioritized digitization and automation of government processes and services as part of the Kenya Digital Master Plan (2022-2030), the blueprint for leveraging and deepening the contribution of information and communications technology (ICT) to accelerate the country's economic growth; further aware that, the Government is committed to consolidating the industrial, academic institutions and other innovators to co-invest in emerging technologies to create high-quality jobs that leverage on artificial intelligence, robotics and other technologies; cognizant of the fact that, the Government intends to increase internet broadband connectivity across the country through construction of 100,000 km of national fiber optic connectivity network; concerned that, as the country rapidly digitizes services and processes, the high costs of data, internet services as well as purchase of internet-enabled digital devices may lead to digital exclusion of a majority of Kenyans; recognizing that, there is need to bridge the existing gap in ICT to ensure inclusivity in access to internet make Kenya a regional ICT hub while keeping pace with shifting technological changes; noting that, the Government's plan for a digital superhighway may not be realized without deliberate interventions to lower data costs; now therefore, this House **resolves** that, the Government, through the Ministry of Information, Communication and the Digital

Economy formulates a policy to:

(a) regulate internet billing by Internet Service Providers (ISPs) by providing for metered billing of internet use based on consumption in order to mitigate exploitation and secure economic interests of internet users in line with Article 46 of the Constitution; and,

(b) require Internet Service Providers to develop and deploy quality metered billing systems capable of monitoring customer usage, convert to readable details and creating invoices based on consumption and align their metrics with the value the customers get from various internet services.

22*. MOTION: 040/2023 – ESTABLISHMENT OF A NATIONAL POLICY TO COMBAT DISRESPECTFUL CHILDBIRTH PRACTICES IN KENYA
(The Hon. Gathoni Wamuchomba, M.P.)

THAT, aware that, Article 43(1)(a) of the Constitution provides for the right of every person to access the highest attainable standard of health; further aware that, poor quality of health services especially maternal care has been a recurring concern among women in the country; noting that, there is increased pre- and post-partum mistreatment and dehumanized care of women by healthcare providers, also known as *obstetric violence (OBV)*; further noting that, obstetric violence includes, but is not limited to, disrespectful and abusive behaviour, physical and verbal abuse, neglect, forced medical procedures, humiliation and assault in healthcare settings; concerned that, sustained class-based disparities shape different maternal and infant health outcomes with women of low socio-economic status experiencing greater levels of obstetric violence; further concerned that, this not only affects women's physical and mental health, but also impacts on the overall health outcomes of mothers and their newborns, significantly contributing to high maternal mortality rates; cognizant of the fact that, there exists no national policy or framework to address and prevent obstetric violence; now therefore, this House **resolves** that, the National Government, through the Ministry of Health, develops a policy on prevention of obstetric violence in healthcare facilities in the country and provides a framework for regular monitoring and reporting of cases to curb incidences of pre- and post-partum mistreatment of women seeking health services.

23*. MOTION: 044/2023 – FORMULATION OF A LAND USE POLICY ON ZONING OF LAND FOR AGRICULTURE AND BUILT DEVELOPMENT
(The Hon. Timothy Wanyonyi, M.P.)

THAT aware that land is a critical but limited factor of production that supports human habitation and food production; noting that, agriculture is Kenya's main economic mainstay; appreciating that, that the Central Bank of Kenya (CBK) *Monetary Policy Committee Agriculture Sector Survey 2022* estimated the contribution of the agriculture sector to the country's Gross Domestic Product (GDP) to be 22% directly and 27% indirectly, through its linkages with other sectors; further appreciating that, the Survey showed that the sector employs over 40% of the

…...../23(Cont'd)*

Kenya's total population; concerned that, in the *Land Reform, Vol. 3* publication, the Kenya Land Alliance Land estimated that only 17% of the country's land mass is classified as suitable for rain-fed agriculture land while the remainder is either semi-arid or arid; further concerned that, the country's agricultural productivity has been decreasing over the years; cognizant of the fact that, the decline in agricultural productivity is partly attributable to the shrinking agricultural land due to unplanned settlements that encroach on agricultural lands; further concerned that, agricultural lands in rural areas are continually being subdivided into small portions for built development, thereby diminishing the size of land available for agriculture; noting that, there is need to put in place measures for effective land use in the country in order to guarantee optimal use of agriculture; now therefore, this House **resolves** that, the Government, through the Ministry of Lands, Public Works, Housing and Urban Development puts in place a policy framework for effective land use in rural areas by consolidating and designating zones for built development for commercial and residential developments with shared public utilities and separate zones for agricultural use in order to arrest further diminishing of agricultural land and steady the country's agricultural productivity.

24*. MOTION: 039/2023 – FORMULATION OF A REGULATORY FRAMEWORK ON ARTIFICIAL INTELLIGENCE IN THE COUNTRY
(The Hon. Marianne Kitany, M.P.)

THAT, aware that the world is rapidly embracing Artificial Intelligence (AI), which is the use of a digital computer or computer-controlled robots to perform tasks commonly associated with intelligent beings; acknowledging that, the 2022 Government Artificial Intelligence Readiness Index report ranked Kenya fifth in Africa and 90th globally in readiness to adopt Artificial Intelligence (AI); further acknowledging that the Oxford Insights Survey 2022 pegged Kenya's readiness to adopt AI at 40.3%; appreciating that AI has brought forth positive benefits that have increased efficiency in different sectors such as healthcare, manufacturing and robotics; concerned that, the exponential rate at which Artificial Intelligence is being embraced in the society without proper regulatory mechanisms has caused various negative consequences such as rising cases of disinformation and fake news; noting that there is need to protect Kenyans from the potential AI-instigated harms such as privacy breaches, AI-powered fake technology algorithms, algorithmic discrimination, autonomous weapons, job displacement and economic inequality, social manipulation and misinformation, financial market manipulation, and privacy invasion; now therefore, this House **urges** the Government, through the Ministry of Information, Communication and the Digital Economy to:

(a) formulate a regulatory framework and ethical guidelines for implementation of Artificial Intelligence (AI) in the country to control its potential misuse; and,

(b) develop and execute a public awareness programme on Artificial Intelligence to raise understanding of AI, foster transparency and promote responsible use of AI for the benefit of all.

25*. MOTION: 045/2023 – REVIEW OF THE ELIGIBILITY AGE FOR ENROLMENT OF OLDER MEMBERS OF SOCIETY TO THE INUA JAMII CASH TRANSFER PROGRAMME

(The Hon. Majimbo Kalasinga, M.P.)

THAT, aware that Article 57 of the Constitution provides that the State shall take measures to secure the rights of older persons to live in dignity and to receive reasonable care and assistance from the State; noting that to actualize the provisions of Article 57 of the Constitution, the Government rolled out the *Inua Jamii* Cash Transfer Programme in 2015 to provide regular and predictable cash transfers to older persons aged seventy (70) years and above and who are not in receipt of a civil service pension; appreciating the success that the programme has recorded in alleviating poverty and suffering among older members of the society since its inception; noting that the government intends to progressively net more vulnerable and under-privileged members of the society with a view to reaching 2.5 million beneficiaries in the next three (3) years; concerned that, with respect to eligibility to the programme for older members of society, the guidelines requires them to have attained the age of seventy years; noting that, Article 260 of the Constitution defines an "older member of society" as one who has attained the age of sixty (60) years; concerned that capping the eligibility for enrolment to the *Inua Jamiii Programme* at the age of seventy years is discriminatory to the older members of society and negates the spirit of the Constitution entitling support to older members of the society; **now** therefore, this House **urges** the national Government, through the Ministry of Labour and Social Protection, to revise the age requirement for eligibility of elderly members to be enrolled to the *Inua Jamiii Programme* from seventy (70) years to sixty (60) years in line with the Constitution.

26*. MOTION: 001/2024 – FORMULATION OF A REWARD SCHEME FOR ACCOMPLISHMENTS BY SPORTS PERSONS IN INTERNATIONAL COMPETITIONS

(The Hon. Charles Ngusya, M.P.)

THAT, aware that, sports play an integral role in promoting cultural heritage, national identity, national development, the well-being of the people and sustenance of livelihoods, particularly of the youth; appreciating that, *Sessional Paper No. 3 of 2005* provides a framework for sports development and operationalization in the country; further appreciating that the *Sector Plan for Sports, Culture and Arts – 2018* by the Ministry of Sports, Culture and Arts mainstreamed sports development in the Third Medium Term Plan (MTP III) for 2018-2022, under Kenya's Vision 2030; recognizing that, the Vision 2030 aims at capitalizing on the country's international reputation as a world-class sports powerhouse whose sportsmen and women have won international accolades and recognition, especially for their prowess in athletics; concerned that, despite bringing honour and national pride to the country, most sports men and women face a myriad of challenges such as lack of psychosocial support and social protection, hence pushing many to alarming levels of mental health challenges during their careers and even after retirement; noting that

……/26*(Cont'd)

Sessional Paper No. 3 of 2005 contemplated motivation of sportspersons by the State through cash and material prizes, conferring State Honours, appointments as goodwill ambassadors and establishing contributory insurance and savings schemes among other forms of motivation; cognizant of the fact that, the prospect of receiving State recognition, financial grants, and other perks inspires sportsmen to push their limits in attaining their full potential as well as fostering a collective sense of pride in sporting achievements; now therefore, this House **urges** that the Government, through the Ministry of Youth Affairs, Sports and Arts, develops a policy and standardized sports reward scheme for recognizing the achievements made by sports persons in internationally recognized competitions, through–

(i) financial rewards of Kshs. 6 million for setting new world records; Kshs. 4 million for Gold medalists; Kshs. 3 million for Silver medalists and Kshs. 2 million for Bronze medalists;

(ii) non-financial motivation, including facilitation with issuance of diplomatic passports for established sportsmen and women, appointment as goodwill ambassadors and conferring national honours and privileges; and,

(iii) establishing medical cover and a post-retirement social protection scheme, including establishing contributory insurance and savings schemes to support sports persons who retire from active sporting due to injuries or age.

27*. MOTION: 002/2024 – EXPANSION OF MAJOR ROADS IN THE COUNTRY TO DUAL CARRIAGEWAYS

(The Hon. Faith Gitau, M.P.)

THAT, aware that the Kenya Roads Act, 2007 provides for the establishment of road authorities responsible for, among other functions, the management and development of roads under their respective purview and for developing and providing adequate transport infrastructure that guarantees safe and efficient movement of people, goods and services across the country and beyond; further aware that the First Schedule of the Kenya Roads Act provides for the classification of national trunk roads into Classes A, B and Class C; recognizing that the Fourth Schedule to the Constitution assigns to the national government the function of the construction and operation of national trunk roads; noting that a significant portion of highways in the national trunk road network are currently single carriageways; concerned that single carriageway roads pose multifaceted challenges including traffic congestion during peak periods which limits movement of people, goods and services across regions and increases vulnerability to road accidents; further concerned that the lack of footbridges and safe pedestrian crossing areas on these high-traffic roads has been a leading contributor to the surge in road accidents in the recent past; cognizant of the duty of the government to provide a reliable transport system for efficient traffic management, economic development and bolstering interconnectivity among all regions in the country and beyond; now therefore, this House **resolves** that the government, through the Ministry of Roads and Transport, undertakes an expansion programme of national trunk roads with a view of upgrading all classes A, B and C roads in the country from two-way lanes to dual carriageway (one-way roads) with the necessary infrastructure that include footbridges, safe crossing zones at regular intervals, proper drainage systems, and other requisite infrastructure for their optimal operation.

28*. HOJA: 003/2024 – UUNDAJI WA SERA ZA KUSHUGHULIKIA MATUKIO YA UBAGUZI DHIDI YA WANAFUNZI WA DINI MBALIMBALI KATIKA TAASISI ZA ELIMU NCHINI
(Mhe. Mohamed Ali, M.P.)

KWAMBA, tukifahamu kuwa, Ibara ya 27(5) ya Katiba inaeleza kwamba hakutakuwepo na ubaguzi wa moja kwa moja au kwa njia isiyokuwa ya moja kwa moja dhidi ya mtu yeyote kwa msingi wowote, ikiwemo misingi ya dini; tukitambua kwamba taasisi za elimu za kidini kote nchini zinatekeleza wajibu muhimu katika utoaji wa elimu kwa wanafunzi wa imani mbalimbali za kidini; tukiwa na shauku kuwa kumekuwepo na ripoti za wanafunzi wa dini tofauti katika taasisi fulani za kielimu za kidini kukabiliwa na desturi za ubaguzi wa kidini, ikiwemo kushurutishwa kuhudhuria ibada zisizolingana na dini zao; tukiwa na shauku zaidi kwamba pia kumekuwepo na matukio ya wanafunzi Waislamu kukatazwa kuvaa kulingana na mahitaji ya imani zao za kidini ambako kunawaathiri wanafunzi hawa kwa njia hasi, ikiwemo kukwazika katika kaida zao za kiimani, kuathirika kwa utendaji masomoni na mfadhaiko wakisaikolojia; tukitambua kuwa ni muhimu kuunda mazingira jumuishi ya elimu na yenye heshima ambapo wanafunzi wote wanaweza kufanikiwa bila hofu ya chuki; pia tukitambua kwamba shule haziruhusiwi kuunda au kutekeleza kanuni zinazokiuka uhuru wa kuabudu, kama ilivyobainishwa katika Katiba; tukitambua ukweli kwamba hakuna sera ya kitaifa au mfumo wa kushughulikia na kuzia ubaguzi wa dini dhidi ya wanafunzi wa dini mbali mbali katika taasisi za kielimu za Kidini; hivyo basi sasa, Bunge hili **linaamua** kwamba Serikali ya Kitaifa, kupitia kwa Wizara ya Elimu, iunde sera ambayo itaharamisha kwa njia bayana ubaguzi kwa msingi wa dini na kuhakikisha heshima kwa uanuwai wa dini kwa shule zote nchini na kutoa mfumo wa kufanya ukaguzi wa mara kwa mara na kuripoti matukio ili kushughulikia hali za ubaguzi na kuhakikisha ulinzi wa haki za wanafunzi.

29*. MOTION: 005/2024 – INTRODUCTION OF MANDATORY COMMUNITY SERVICE TO ALL LEARNERS UPON COMPLETION OF SECONDARY SCHOOL EDUCATION
(The Hon. Amos Mwago, M.P.)

THAT, aware that there are minimum requirements for enrolment of students to tertiary education in the country; further aware that not all students qualify for university or Technical and Vocational Education Training (TVET) institutions due to lack of minimum grades for direct enrolment or financial constraints; acknowledging that there is need to provide technical skills to students who do not progress to university to reduce the ever-increasing unemployment rate among the youth; cognizant of the fact that the lack of advanced education has led to a high rate of unemployment among the youth; appreciating that mandatory community service for all students upon completion of secondary school education would equip them with technical and life skills for the marketplace; further noting that the community service training will encourage learners to develop an understanding of civic responsibility to support and strengthen communities; this

…...../29(Cont'd)*

House therefore **resolves** that the government through the Ministry of Education introduces mandatory community service to all learners upon completion of secondary school education.
