**GUIDE ON THE CONSIDERATION OF SESSIONAL PAPER ON  
PRIVATIZATION OF KENYA PIPELINE COMPANY LIMITED (KPC)**

**Honourable Members,**

1. I wish to bring to the attention of the House that the National Treasury and Economic Planning has submitted to the National Assembly a Sessional Paper proposing the Privatization of the Kenya Pipeline Company Limited (KPC). The decision to privatize the KPC through an Initial Public Offer (IPO) on the Nairobi Securities Exchange aligns with the Government's broader economic reform agenda to enhance efficiency, competitiveness and financial sustainability in key state-owned enterprises.
2. The Sessional Paper was prepared in accordance with the Privatization Act, 2005 and subsequently approved by Cabinet. The Cabinet Secretary for the National Treasury and Economic Planning now seeks the approval of the Sessional Paper by the National Assembly.
3. **Honourable Members,** I will allow the Leader of the Majority Party to lay the Sessional Paper on the Table of the House this afternoon when we reach Order No. 5. Thereafter, the Paper will stand committed to the **Departmental Committee on Energy and the Select Committee on Public Debt and Privatization** for joint consideration.

4. **Honourable Members**, to unlock the value and improve service delivery in the Kenya Pipeline Company Limited as intended through the privatization programme, I urge the two Committees to expedite the joint consideration of the Sessional Paper and table a report to the House, to enable its consideration.
5. The House is accordingly guided.

**I thank you!**

  
**THE RT. HON. (DR.) MOSES F. M. WETANG'ULA, EGH, MP**
