I. MOTION - WELFARE OF INTERNS WORKING UNDER THE PUBLIC SERVICE COMMISSION (PSC)

(Sen. Samson Cherarkey, MP)

THAT, AWARE THAT, the Public Service Commission has provided internship opportunity to many youths in various government Departments and Agencies for a period not exceeding one year pursuant to Guidelines on Management of the Public Service Internship Programme of October, 2019;

APPRECIATING THAT, since its inception, the internship programme in Kenya has been instrumental in providing practical experience to graduates, enhanced employability, offered networking opportunities and has on a number of occasions led to full-time jobs to graduates;

CONCERNED THAT, internship opportunities are limited in number, skewed in distribution across government Departments and Agencies, lack clear pathway to permanent employment, have inadequate opportunities for skill development due to the short duration that they are offered and that the stipend offered to PSC interns is insufficient with an average stipend ranging from Ksh. 15,000 to Ksh. 30,000 per month which is not sustainable especially to interns living in major cities like Nairobi, Mombasa and Kisumu where the cost of living is too high;

NOW THEREFORE the Senate resolves that the Cabinet Secretary for Public Service and Human Capital Development in consultation with the Public Service Commission reviews the Guidelines to the Public Service Internship Programme of October, 2019 with a view to: -

1. increase the stipend offered to interns to cushion them against the high cost of living; and

F. MOTION - ESTABLISHMENT OF NATIONAL TEACHING AND REFERRAL HOSPITALS IN KENYA

(Sen. Johnes Mwaruma, MP)

THAT, AWARE THAT Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

NOTING THAT in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

CONCERNED THAT the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

FURTHER CONCERNED THAT many Kenyans with critical health conditions travel long distances in order to access specialized services in Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and

Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

NOW THEREFORE the Senate urges-

A. MOTION - INSTALLATION OF CCTV CAMERAS IN ALL POLICE STATIONS, CELLS AND POLICE REPORTING DESKS

(Sen. Karen Nyamu, MP)

AWARE THAT Article 51 provides that a person who is detained, held in custody or imprisoned under the law, retains all the rights and fundamental freedoms in the Bill of Rights, except to the extent that any particular right or a fundamental freedom is clearly incompatible with the fact that the person is detained, held in custody or imprisoned;

FURTHER AWARE THAT the National taskforce on improvement of the terms and conditions of service and other reforms for members of the National Police Service and Kenya Prison Service recommended adequate Government funding for the National Police Service to modernize its facilities, equipment and gear, and enhance its logistical and technological capabilities for National Police Service officers in order to enable the Service discharge its mandate efficiently and effectively;

COGNIZANT THAT the Bill of Rights provides for protection of human rights, prevention of abuse and upholding of the rule of law within detention facilities and police stations;

CONCERNED THAT there has been increasing reports of human rights violations, abuse, unexplained injuries, and deaths in custody, as well as security breaches and escapes from police cells across the country;

FURTHER CONCERNED THAT despite the recommendations by the Justice Maraga task force, little or no efforts have been made to ensure modernization of police cells by installation of Closed-Circuit Television (CCTV) cameras and police reporting desks thereby affecting public trust and accountability on what happens to persons in police custody;

NOW THEREFORE, the Senate resolves that the National Government, through the Ministry of Interior and National Administration:

1. installs functional and tamper-proof CCTV cameras in all police stations, cells and police reporting desks across the country;

2. ensures that all CCTV systems are monitored in real-time and that footage is securely stored and made accessible during investigations, judicial processes; and
3. provides the necessary resources, technical support, and training to law enforcement officers for the effective operation and maintenance of CCTV systems and continuous digitization of Occurrence Book platforms.

B. MOTION – PROVISION OF IFMIS REPORTS FOR COUNTY GOVERNMENTS TO THE SENATE

(Sen. Andrew Omtatah Okoiti, MP)

THAT, AWARE that, Article 96 of the Constitution provides that the Senate represents the counties, and serves to protect their interests, determines the allocation of national revenue among counties, as provided in Article 217, and exercises oversight over national revenue allocated to the County Governments;

FURTHER AWARE THAT, in the case of The Senate, the Council of Governors and 6 others Petition No. 24 and 27 of 2029 (consolidated) 2022 KESC No. 57(KLR), the Supreme Court affirmed that the Senate’s oversight authority extends to both nationally allocated and locally generated revenue;

CONCERNED THAT, that Senators are constrained by lack of access to real time to data from the IFMIS system for the respective counties they represent, thus affecting effective oversight of County Governments;

FURTHER CONCERNED THAT, in some instances data and information presented to the Senate by the Auditor-General and the Controller of Budget are received and considered late as a result of the backlog resulting into too much information not getting properly reviewed by Senators;

NOTING THAT, as a result of unchecked financial information and systems, County Governments have continued to accumulate pending bills resulting from unplanned expenditures, unaccounted for and inflated cost of projects;

NOW THEREFORE, the Senate resolves, that the Cabinet Secretary in charge of the National Treasury shall on a monthly basis forward to the Clerk of the Senate all IFMIS transactions and reports for each County Government for onward transmission to the respective Senator for information on accountability and transparency, in order to strengthen their constitutional oversight and promote good governance in the management of public finances.

C. MOTION - MAINSTREAMING GENDER PERSPECTIVES IN LEGISLATIVE AND POLICY PROCESSES

(Sen. Veronica Maina, MP)

THAT AWARE THAT, Article 27 of the Constitution of Kenya guarantees the right to equality and freedom from discrimination, with Article 27(3) providing that women and men have the right to equal treatment, including the right to equal opportunities in political, economic, cultural and social spheres;

FURTHER AWARE that Article 27(8) obligates the State to take legislative and other measures to redress any disadvantage suffered by individuals or groups as a result of past discrimination, and to ensure that not more than two-thirds of members of elective or appointive bodies shall be of the same gender;

COGNIZANT THAT mainstreaming gender perspectives in all aspects of governance is essential to achieving inclusive development and safeguarding the rights and welfare of all citizens, particularly women, girls and other marginalized groups;

CONCERNED THAT the integration of gender considerations remain inconsistent across the two levels of government and that legislative processes have often resulted to policies that do not adequately address gender-specific needs and realities;

NOW THEREFORE, the Senate:

- a) urges Parliament, County Assemblies and their respective legislative committees to incorporate a gender analysis in the scrutiny of legislation, policies, programmes and budgets before them, including through the use of gender impact assessments and consultation with gender-focused stakeholders to ensure gender-responsive governance;
- b) recommends that the National Gender and Equality Commission and the State Department for Gender develops clear guidelines and tools to support the integration of gender perspectives in legislative, policy and budgetary analysis, and ensures these are disseminated and adopted by relevant government and legislative bodies;
- c) further urges the National Gender and Equality Commission and State Department for Gender to collaborate with the Kenya Law Reform Commission, and County Assembly Service Boards to build capacity for gender analysis among technical and legislative staff;

- d) urges the State Department for Gender to submit to Parliament a comprehensive biannual report detailing actions taken by Ministries, Departments and Agencies to promote gender mainstreaming, key achievements, emerging challenges, and proposed interventions; and
- e) resolves that the Standing Committee on Labour and Social Welfare continuously monitor the implementation of these resolutions and tables biannual report on the status of implementation.

D. MOTION - ESTABLISHMENT OF A POLICY TO REGULATE ARTIFICIAL INTELLIGENCE (AI) AND INNOVATION IN KENYA

(Sen. Karungo Wa Thang'wa, MP)

THAT AWARE THAT, the Fourth Industrial Revolution is redefining economies globally through emerging technologies such as Artificial Intelligence (AI), blockchain, and financial technology (Fintech);

FURTHER AWARE THAT Kenya has made commendable strides in digital infrastructure and mobile innovation, positioning itself as a potential leader in Africa's tech-driven future;

NOTING THAT in a landmark decision, the African Union Executive Council endorsed the Continental AI Strategy during its 45th Ordinary Session in Accra, Ghana, on July 18-19, 2024 to underscore Africa's commitment to an Africa-centric, development-focused approach to AI, promoting ethical, responsible, and equitable practices;

COGNIZANT THAT the Continental AI Strategy calls for unified national approaches among AU Member States to navigate the complexities of AI-driven change, aiming to strengthen regional and global cooperation and position Africa as a leader in inclusive and responsible AI development;

APPRECIATING THAT the Ministry of Information, Communications and the Digital Economy recently formulated and launched the Kenya National Artificial Intelligence (AI) Strategy 2025-2030;

RECOGNIZING the need to align Kenya's development with global standards in AI adoption while also safeguarding national values, inclusivity, and employment;

CONCERNED THAT currently there is no comprehensive legislative or policy framework to guide the governance, development, or ethical use of AI in Kenya

a phenomenon that is potentially likely to affect innovation among local startups and youth-led tech enterprises;

NOW THEREFORE, the Senate resolves that the Ministry of Information, Communication and Digital Economy develops a Policy on Artificial Intelligence and emerging technologies with particular emphasis on:

- i) promoting research and development of locally relevant AI solutions;
- ii) establishment of ethical guidelines to prevent misuse and ensure responsible application of AI;
- iii) establishment of regulatory ‘Sandboxes’ for supervised testing of AI and emerging technologies;
- iv) strengthening public-private partnerships to build digital skills; and
- v) integrating AI and coding into the education curriculum.

E. MOTION – TO DELINK JUNIOR SECONDARY SCHOOLS FROM PRIMARY SCHOOLS

(Sen. Mwenda Gataya, MP)

THAT, AWARE that, the Ministry of Education in Kenya, introduced Junior Secondary Schools (JSS) as part of the Competency-Based Curriculum (CBC) implementation marking a major milestone for the country’s education system, and a key opportunity to improve the quality of education available to students;

APPRECIATING THAT, the Junior Secondary Schools program play a vital role in shaping the academic trajectory of learners by providing students with a strong foundation in core subjects, helping them develop essential skills and offering them opportunities to participate in extracurricular activities promoting greater social inclusion;

CONCERNED THAT, the integration of Junior Secondary Schools within primary school setups has posed major challenges for Junior Secondary teachers, including inadequate training on the new competency-based curriculum, limited opportunities for career advancement, conflict in leadership, decision-making and resource allocation leading to strained relationships with head teachers;

FURTHER CONCERNED THAT, Junior Secondary Schools (JSS) face critical shortages in essential infrastructure such as laboratories, libraries, ICT hubs, and science equipment necessary for the implementation of the JSS

curriculum, coupled with inadequate access to approved learning materials and teaching resources, resulting in inconsistencies in curriculum delivery hindering effective teaching, learning, and overall student development;

NOW THEREFORE, the Senate resolves that the Ministry of Education, the Teachers Service Commission and the Kenya Institute of Curriculum Development should: -

1. Provide for an independent administrative and operational framework for Junior Secondary Schools to enhance governance, streamline management, and create a more focused learning environment for the learners;
2. Allocate adequate funds for the construction and equipping of Junior Secondary Schools with essential facilities such as science labs, libraries and ICT rooms, and provide adequate learning materials relevant with the curriculum;
3. Offer professional development programs for Junior Secondary School teachers to help them specialize in specific subjects to effectively implement the JSS curriculum;
