c) On Allegations Made Concerning the Operations of Certain Committees of the Senate

“Honourable Senators,

I have the following Communication to make.

This Communication relates to the series of allegations that have been circulating in the media concerning the operations of certain Committees of the Senate, specifically the County Public Accounts Committee and the County Public Investments and Special Funds Committee.

As Honourable Senators may be aware, this matter began on Monday, 9th February, 2026 with a Press Statement issued by the Council of Governors purportedly demanding for the re-constitution of the County Public Accounts Committee, on the basis of claims of political witch-hunts, harassment, extortion and intimidation, allegedly involving four unnamed Members of the Committee. A position was taken by the Council of Governors to suspend appearances before the County Public Accounts Committee until a structured engagement is held between its leadership and that of the Senate and to limit appearances before the County Public Investments and Special Funds Committee to once per audit cycle.

Subsequently, in a Press Statement which I issued on Tuesday, 10th February, 2026, I reiterated the Senate’s oversight role over county governments and its firm anchorage in the Constitution. Honourable Senators, as you are aware, Article 96(3) of the Constitution of Kenya, 2010 provides that *“the Senate determines the allocation of national revenue among counties, as provided in Article 217, and exercises oversight over national revenue allocated to the county governments.”*

Further, Article 96(1) states that *“the Senate represents the counties and serves to protect the interests of the counties and their governments.”*

I further reiterated that in executing this mandate, the Senate’s audit Committees are guided by Article 229 of the Constitution, which requires Parliament to consider and dispose of audit reports within three months of their receipt from the Auditor-General by 31st March of each year. Compliance with this constitutional timeline is not optional and any actions that impede the audit process undermine accountability and prudent use of public resources.

I emphasized that the Senate remains committed to fulfilling its constitutional mandate and ensuring that oversight over public funds allocated to county governments remains robust, objective and timely and informed the Council of Governors that should the Council have concerns regarding the conduct or operations of Senate Committees, established and legitimate institutional channels exist through which such concerns may be formally raised and addressed, noting that while the Senate remains open to structured and constructive dialogue with devolution actors, recourse to public mudslinging and unsubstantiated allegations in the media, unsupported by evidence, is neither appropriate nor conducive to intergovernmental cooperation.

Honourable Senators,

Subsequently, my Office has received two letters, Ref. COG/6/10 Vol. 13(84), dated 9th February, 2026 and Ref. COG/6/10 Vol.13(85), dated 11th February, 2026.

The purpose of the two letters from the Council of Governors is stated as being-

- 1) To bring to my attention the Council of Governors’ concerns and resolutions on the matter of appearances by Governors before the County Public Accounts Committee and the County Public Investments and Special Funds Committee; and
- 2) To request for an engagement with the leadership of the Senate, at the earliest opportunity, to address the concerns raised with a view to developing an engagement framework with the two Committees.

In the letters, the Council of Governors further communicates the resolutions of the Council that-

- (a) Governors shall, with immediate effect, not appear before CPAC until the concerns raised about the Committee are adequately and conclusively addressed; and
- (b) Four Senators, whom you have named, be removed from the affected Committees as a pre-requisite to restoring confidence, integrity and fairness in the oversight process.

Honourable Senators,

As you are aware, Article 125 of the Constitution provides that-

- (1) Either House of Parliament and any of its committees, has power to summon any person to appear before it for the purpose of giving evidence or providing information.
- (2) For the purposes of clause (1), a House of Parliament and any of its committees has the same powers as the High Court-
 - (a) to enforce the attendance of witnesses and examine them on oath, affirmation or otherwise;
 - (b) to compel the production of documents; and
 - (c) to issue a commission or request to examine witnesses abroad.

As you are further aware, pursuant to Article 96 of the Constitution, the Senate represents counties, serves to protect the interests of the counties and their governments and exercises oversight over national revenue allocated to county governments.

Honourable Senators,

The thrust of the foregoing provisions and indeed the totality of the constitutional architecture, is to vest in the Legislature the power and mandate to exercise oversight over all State organs and State officers in the performance of their constitutional and statutory functions. No organ, authority or person, not least the Senate, has the power to suspend, compromise, vary or waive the Legislature's mandate.

Consequently, the resolution by the Council of Governors that Governors will not appear before CPAC until the concerns raised in their letters are addressed through a structured engagement between the leadership of the Senate and the Council of Governors is untenable.

Equally, the resolution by the Council of Governors that Governors will only appear once for every audit cycle to respond to any queries before CPISFC comprehensively, is untenable. The constitutional oversight mandate is exercised by the Senate as often as whenever the Senate in its judgment considers appropriate and any purported restriction or limitation of this mandate, such as proposed, is unconstitutional. This is further underlined by the decision of the ***High Court in the case of Hesbon Mole Agwena and Jairus Musumba & 3 Others versus Nairobi City County & Office of the Auditor General, HCJR/E082/23*** where the court held that the constitutional timelines spelt out in Article 229(4) of Constitution (which requires that the Auditor General shall, within six months after the end of each financial year, audit and report, in respect of that financial year on the accounts of the national and county governments and all funds and authorities of the national and county governments) must be complied with and correspondingly that Parliament must debate and consider such

reports within three months after receipt of an audit report. This puts the cut-off date for the consideration of audit reports at 31st March of each year and severely constrains the programme of the Senate Watchdog Committees.

Article 124 of the Constitution vests in Parliament the power to establish its Committees and to make Standing Orders for the orderly conduct of its proceedings, including the proceedings of its Committees. The power to appoint members of Committees and to remove them from the service of the Committees is exclusively a power of the Senate and the Council of Governors' demand that certain Senators be removed from the service of any Committee is without constitutional anchor.

Honourable Senators,

The foregoing notwithstanding, the request by the Council of Governors for an engagement with the leadership of the Senate is consistent with the constitutional requirements of Articles 6(2) and 189 of the Constitution for consultation and cooperation between the two levels of Government and is welcome. Accordingly, I have invited the leadership of the Council of Governors to a meeting with the leadership of the Senate to be held on Thursday, 26th February, 2026 at 10:00 a.m. at the Mini Chamber, County Hall, Parliament Buildings, Nairobi.

In the meantime, I have made it clear to the Council of Governors that as a condition for going ahead with the meeting on the proposed date, the constitutional provisions on legislative oversight must be clearly understood to be in force and accordingly, any Governor invited or summoned to appear before any Committee of the Senate must do so, failing which the consequences provided for in the Constitution and the law shall follow.

I thank you”

7. **COMMUNICATION FROM THE CHAIR ON CONSIDERATION OF THE 2026 BUDGET POLICY STATEMENT BY THE SENATE.**

The Speaker conveyed the following Communication from the Chair:

“Honourable Senators,

I have a Communication to make relating to the budgeting process for the next financial year.

As you may have noted, the Senate Majority Leader has tabled the following documents: -

- i) the 2026 Budget Policy Statement;
- ii) the Medium-Term Debt Management Strategy – (2026/2027) – (2028/2029);
- iii) the Draft Division of Revenue Bill, 2026;
- iv) the Draft County Allocation of Revenue Bill, 2026; and
- v) the Draft County Governments Additional Allocations Bill, 2026.

As Honourable Senators are aware, Section 25 of the Public Finance Management Act and Standing Order 186 of the Senate requires the National Treasury to prepare and submit the Budget Policy Statement to Parliament by the 15th of February each year.

Honourable Senators,

The Budget Policy Statement is an important financial instrument that sets out the broad strategic priorities and policy goals that will guide the national government and county governments in preparing their budgets both for the subsequent Financial Year and over the medium term. It contains, among other things –

- i. an assessment of the current state of the economy and the financial outlook over the medium term, including the macro-economic forecasts;
- ii. the financial outlook with respect to government revenues, expenditures and borrowing for the next financial year and over the medium term;
- iii. the criteria used to allocate or apportion the available public resources among the two levels of Government and various programmes and projects.
- iv. the proposed expenditure limits for the national government, including those of Parliament and the Judiciary and indicative transfers to county governments;
- v. the fiscal responsibility principles and financial objectives over the medium-term including limits on total annual debt.

Honourable Senators,

As you are also aware, Section 25 (7) of the Public Finance Management Act provides as follows-

“Parliament shall, not later than fourteen days after the Budget Policy Statement is submitted to Parliament, table and discuss a report containing its recommendations and pass a resolution to adopt it with or without amendments.”

With respect to consideration of the Budget Policy Statement in the Senate, Standing Order 186(4) states that -

“upon being laid before the Senate, the Budget Policy Statement shall be committed to each Standing Committee to consider and submit its recommendations to the Standing Committee on Finance and Budget within 7 days.”

Pursuant to Standing Order 186 (5), the Standing Committee on Finance and Budget is required *“within twelve days following the tabling of the Budget Policy Statement, consider the Budget Policy Statement and the recommendations received under paragraph (4) and table a report for consideration, in accordance with Section 25(7) of the Public Finance Management Act.”*

Honourable Senators,

Cognizant of the importance of the Budget Policy Statement and the above timelines, I direct that, the Budget Policy Statement be considered by all Standing Committees. Each Committee is expected to concentrate on matters that fall under its mandate and highlighting any policy and financial recommendations thereof. These

recommendations must be forwarded to the Standing Committee on Finance and Budget on or before Friday, 20th February, 2026.

Thereafter, the Standing Committee on Finance and Budget will be required to consider the recommendations from the other Standing Committees, as well as to consult the institutions referred to under Standing Order 186(6) in finalizing its report on the Budget Policy Statement. The Standing Committee will be required to table its report on or before Tuesday, 24th February, 2026.

Subsequently, the Senate will be required to consider and make a determination on the report by the Standing Committee on Finance and Budget by Thursday, 26th February, 2026.

Honourable Senators,

In a nutshell, it means that any proposal that Senators have regarding the Budget Policy Statement, the draft Division of Revenue Bill, 2026 the draft County Allocation of Revenue Bill, 2026, the draft County Governments Additional Allocations Bill, 2026 and the financing structure therein among other recommendations, must be canvassed and forwarded to the Cabinet Secretary for the National Treasury and Economic Planning for consideration when finalizing the budget for the relevant Financial Year. This is a requirement pursuant to Section 25 (8) of the Public Finance Management Act and Standing Order 186 (9) of the Senate.

In conclusion, I urge all Standing Committees to prioritize the scrutiny of the Budget Policy Statement taking into consideration our most important function of protecting the interests of counties and their governments and safeguarding devolution.

I thank you.”
