AWARE THAT, the Constitution of Kenya under Article 43(1) (f) guarantees every citizen the right to education, and Article 53 (1) (b) provides that basic education is free and compulsory;

FURTHER AWARE THAT, the government of Kenya launched the New Education Funding (NHEF) model in 2023, primarily targeting University and Tertiary and Vocational Education and Training (TVET) students, leaving a significant gap in the financial support for students in Diploma and Certificate Teacher Training Colleges (TTCs);

CONCERNED THAT, students enrolled in Public Teacher Training Colleges are discriminated against and not expressly and fully provided for under the prevailing higher education financing framework, thereby limiting or excluding their access to structured government support for tuition and accommodation;

COGNIZANT THAT, the transition to the Competency-Based Curriculum (CBC) requires a highly skilled teaching workforce, and that the financial burden on teacher trainees, many of whom come from marginalized backgrounds, threatens the sustainability of the teacher supply chain;

NOW THEREFORE, the Senate urges the Ministry of Education, in conjunction with the Higher Education Loans Board (HELB) and the Universities Fund (UF), to:

- i) formally integrate Teacher Training College students into the New Funding Model to ensure equity, quality and inclusivity in the education sector; and
- ii) develops regulations and guidelines to define the eligibility criteria for Teacher Training College students covering tuition and reasonable accommodation and upkeep costs.
