

REPUBLIC OF KENYA

THIRTEENTH PARLIAMENT – (FIFTH SESSION)

THE SENATE

ORDER PAPER

MORNING SITTING

WEDNESDAY, JUNE 03, 2026 AT 9.30 AM

PRAYER

1. Administration of Oath
2. Communication from the Chair
3. Messages
4. Petitions
5. Papers
6. Notices of Motion
7. Questions and Statements (as listed in the Appendix)
8. **MOTION - REPORTS OF THE STANDING COMMITTEE ON HEALTH ON THE COUNTY OVERSIGHT AND NETWORKING ENGAGEMENTS IN KITUI, MAKUENI, MACHAKOS, KIAMBU BUNGOMA AND KAKAMEGA COUNTIES**  
(The Chairperson, Standing Committee on Health)

**THAT**, the Senate adopts the Reports of the Standing Committee on Health on the County Oversight and Networking Engagements in Kitui, Makueni and Machakos Counties, laid on the Table of the Senate on Thursday, 26<sup>th</sup> February, 2026; Kiambu County laid on the table of the Senate on Thursday, 19<sup>th</sup> March, 2026; Bungoma and Kakamega Counties, laid on the Table of the Senate on Tuesday, 21<sup>st</sup> April, 2026.

*(Resumption of debate interrupted on Tuesday, 2<sup>nd</sup> June, 2026)*

9. **MOTION - MAINSTREAMING A FRAMEWORK FOR CLEAN COOKING IN KENYA**  
(Sen. Hamida Kibwana, MP)

**THAT AWARE THAT**, Article 42 of the Constitution guarantees every person the right to a clean and healthy environment, which includes access to safe energy options;

...../Motions

**FURTHER AWARE THAT**, over 900 million Africans, including more than 90% of households in Kenya's rural areas, still rely on traditional biomass (firewood, charcoal, animal waste) for cooking, resulting in high levels of indoor air pollution that cause premature deaths, particularly among women and children;

**CONCERNED THAT**, in Kenya, indoor air pollution has been linked to over 23,000 annual deaths, with women and girls bearing the disproportionate burden of time spent collecting firewood and cooking, limiting their education and economic opportunities;

**NOTING THAT**, traditional cooking methods contribute significantly to deforestation, greenhouse gas emissions, and climate vulnerability at the county level, undermining national commitments under the Energy Act, 2019, the Climate Change Act, 2016, and Kenya's Nationally Determined Contributions (NDCs);

**RECALLING THAT**, the Africa Clean Cooking Summit (Paris, 2023) mobilized USD 2.2 billion in commitments for clean cooking, and the International Energy Agency has recommended urgent financing and policy action to achieve universal access by 2040;

**ACKNOWLEDGING**, the efforts of some counties, development partners, and private sector actors in piloting clean cooking projects, but recognizing that these remain small-scale and fragmented;

**NOW THEREFORE**, the Senate resolves that the: -

- i.) Council of Governors develops county-level policies, frameworks, and budgets that mainstream clean cooking into devolved energy and health functions;
- ii.) National Treasury and Ministry of Energy prioritize clean cooking in financing frameworks, including results-based financing and blended finance models to de-risk private investment;
- iii.) County Governments incorporate clean cooking targets in their County Integrated Development Plans (CIDPs) and ensure public institutions such as schools, health facilities, and prisons adopt clean cooking solutions;
- iv.) National Treasury and County Governments to fast-track letters of authorization to unlock carbon finance markets (Article 6.2 and CORSIA) for clean cooking projects; and
- v.) County Governments engage the private sector actors, and community organizations to expand clean cooking access, create local jobs, and reduce pressure on forest resources.

10. **MOTION - PROVISION OF IFMIS REPORTS FOR COUNTY GOVERNMENTS TO THE SENATE**

(Sen. Andrew Omtatah Okoiti, MP)

**THAT, AWARE** that, Article 96 of the Constitution provides that the Senate represents the counties, and serves to protect their interests, determines the allocation of national revenue among counties, as provided in Article 217, and exercises oversight over national revenue allocated to the County Governments;

**FURTHER AWARE THAT**, in the case of *Senate v Council of Governors and 6 others* (Petition 24 and 27 of 2019 (consolidated) 2022) KESC 57(KLR), the Supreme Court affirmed that the Senate's oversight authority extends to both nationally allocated and locally generated revenue;

**CONCERNED THAT**, that Senators are constrained by lack of access to real time to data from the IFMIS system for the respective counties they represent, thus affecting effective oversight of County Governments;

**FURTHER CONCERNED THAT**, in some instances data and information presented to the Senate by the Auditor-General and the Controller of Budget are received and considered late as a result of the backlog resulting into too much information not getting properly reviewed by Senators;

**NOTING THAT**, as a result of unchecked financial information and systems, County Governments have continued to accumulate pending bills resulting from unplanned expenditures, unaccounted for and inflated cost of projects;

**NOW THEREFORE**, the Senate resolves, that the Cabinet Secretary in charge of the National Treasury shall on a monthly basis forward to the Clerk of the Senate all IFMIS transactions and reports for each County Government for onward transmission to the respective Senator for information on accountability and transparency, in order to strengthen their constitutional oversight and promote good governance in the management of public finances.

11. **MOTION - DECLARATION OF ROAD TRAFFIC ACCIDENTS IN KENYA AS A NATIONAL DISASTER**

(Sen. Veronica Maina, MP)

**AWARE THAT**, Article 43 guarantees the right to the highest attainable standard of health, including emergency medical treatment and Article 21(1) of the Constitution obligates the State and all State organs to observe, respect, protect, promote and fulfil the rights and fundamental freedoms contained in the Bill of Rights;

**NOTING THAT**, Article 238 of the Constitution provides that national security includes the protection of the people of Kenya and their property against internal and external threats, which encompasses safety on national transport networks;

...../Motions

**COGNIZANT THAT**, road traffic injuries are among the leading causes of death in Kenya and constitute the leading cause of mortality among adolescents and adults in their most economically productive years, surpassing many communicable and non-communicable diseases resulting in significant loss of human capital and productivity;

**NOTING THAT**, in 2025 more than 4,400 Kenyans lost their lives with over 17,000 injuries from road crashes, a 3% increase over the previous year, while nearly 400 people were killed in road traffic accidents in January 2026 alone, representing an 11% increase compared to the same period in the previous year, illustrating a continuing trend of preventable loss of life;

**CONCERNED THAT**, beyond loss of life, road traffic accidents result in long-term disability, psychological trauma, family disruption and significant economic loss, with estimates suggesting losses amounting to billions shillings annually to the national economy, while placing severe strain on health facilities and emergency services;

**FURTHER CONCERNED THAT**, despite the existence of the National Road Safety Action Plan (2024–2028) and other statutory measures, road carnage persists due to preliminary causes including over-speeding, impaired and distracted driving, non-compliance with traffic laws, inadequate driver training, unsafe road infrastructure, unroadworthy and overloaded vehicles, as well as systemic challenges arising from inadequate investment in road safety infrastructure, weak coordination among transport, enforcement, health and county authorities, and limited emergency medical response capacity;

**NOW THEREFORE, THE SENATE** resolves that:

- i.) Road traffic accidents in Kenya be declared a National Disaster, requiring urgent, coordinated and sustained multi-sectoral intervention across prevention, emergency response, rehabilitation and long-term systemic reform;
- ii.) The Ministry of Roads and Transport and the Ministry of Health in conjunction with the National Transport and Safety Authority, the National Police Service and the Council of Governors, urgently strengthen the implementation of the National Road Safety Action Plan (2024–2028), including enhanced enforcement of traffic laws, safer road design, public education, data-driven interventions and improved emergency response capacity;
- iii.) The Ministry of Health in collaboration with the County Governments to set aside adequate resources to support road safety interventions, emergency medical services, trauma care systems and post-crash rehabilitation services; and
- iv.) The National Treasury in collaboration with the Ministry of Roads and Transport establishes a Road Safety Disaster Response Fund to support road safety interventions, victims and families affected by the road accidents.

-----

...../Notice

**NOTICE**

The Senate resolved on 11<sup>th</sup> February, 2026 as follows: -

**THAT**, pursuant to Standing Order 111 (1), the Senate resolves that debate on a Motion not sponsored by the Majority or Minority Party or a Committee shall be limited in the following manner: -

A maximum of three hours with not more than twenty minutes for the Mover, twenty minutes for the Majority Party Official Responder, twenty minutes for the Minority Party Official Responder and fifteen minutes for each other Senator speaking and that fifteen minutes before the time expires, the Mover shall be called upon to reply.

-----**XXX**-----

**APPENDIX**

**QUESTIONS AND STATEMENTS**

**QUESTIONS**

**Question No. 010    The Senator for Kisumu County (Sen. (Prof.) Tom Ojienda, SC, MP) to ask the Cabinet Secretary for Mining, Blue Economy and Maritime Affairs:**

- a) Could the Cabinet Secretary provide details on the status of all blue economy programmes undertaken by the National Government in Kisumu County since 2022, and indicate timelines for completion of all pending projects?
- b) What is the current infrastructural condition and operational status of landing sites, cold-chain facilities and other key blue economy infrastructure in Kisumu County?
- c) What impact have the blue economy interventions implemented by the National Government had on the income levels and livelihoods of the fishing community in the county since 2022?
- d) What measures has the Ministry put in place to ensure that funds set aside for blue economy interventions in Kisumu County are fully utilised and translate to tangible economic benefits for the local communities?
