24. **MOTION - DECLARATION OF ROAD TRAFFIC ACCIDENTS IN KENYA AS A NATIONAL DISASTER**

(Sen. Veronica Maina, MP)

AWARE THAT, Article 43 guarantees the right to the highest attainable standard of health, including emergency medical treatment and Article 21(1) of the Constitution obligates the State and all State organs to observe, respect, protect, promote and fulfil the rights and fundamental freedoms contained in the Bill of Rights;

...../Motion

NOTING THAT, Article 238 of the Constitution provides that national security includes the protection of the people of Kenya and their property against internal and external threats, which encompasses safety on national transport networks;

COGNIZANT THAT, road traffic injuries are among the leading causes of death in Kenya and constitute the leading cause of mortality among adolescents and adults in their most economically productive years, surpassing many communicable and non-communicable diseases resulting in significant loss of human capital and productivity;

NOTING THAT, in 2025 more than 4,400 Kenyans lost their lives with over 17,000 injuries from road crashes, a 3% increase over the previous year, while nearly 400 people were killed in road traffic accidents in January 2026 alone, representing an 11% increase compared to the same period in the previous year, illustrating a continuing trend of preventable loss of life;

CONCERNED THAT, beyond loss of life, road traffic accidents result in long-term disability, psychological trauma, family disruption and significant economic loss, with estimates suggesting losses amounting to billions shillings annually to the national economy, while placing severe strain on health facilities and emergency services;

FURTHER CONCERNED THAT, despite the existence of the National Road Safety Action Plan (2024–2028) and other statutory measures, road carnage persists due to preliminary causes including over-speeding, impaired and distracted driving, non-compliance with traffic laws, inadequate driver training, unsafe road infrastructure, unroadworthy and overloaded vehicles, as well as systemic challenges arising from inadequate investment in road safety infrastructure, weak coordination among transport, enforcement, health and county authorities, and limited emergency medical response capacity;

NOW THEREFORE, THE SENATE resolves that:

- i.) Road traffic accidents in Kenya be declared a National Disaster, requiring urgent, coordinated and sustained multi-sectoral intervention across prevention, emergency response, rehabilitation and long-term systemic reform;
- ii.) The Ministry of Roads and Transport and the Ministry of Health in conjunction with the National Transport and Safety Authority, the National Police Service and the Council of Governors, urgently strengthen the implementation of the National Road Safety Action Plan (2024–2028), including enhanced enforcement of traffic laws, safer road design, public education, data-driven interventions and improved emergency response capacity;

...../Motion

- iii.) The Ministry of Health in collaboration with the County Governments to set aside adequate resources to support road safety interventions, emergency medical services, trauma care systems and post-crash rehabilitation services; and
- iv.) The National Treasury in collaboration with the Ministry of Roads and Transport establishes a Road Safety Disaster Response Fund to support road safety interventions, victims and families affected by the road accidents.

i) **REPORT OF THE STANDING COMMITTEE ON LABOUR AND SOCIAL WELFARE ON A PETITION TO THE SENATE REGARDING THE WINDING UP AND LIQUIDATION OF TECHNICAL UNIVERSITY OF KENYA STAFF RETIREMENT BENEFIT SCHEME**

(The Chairperson, Standing Committee on Labour and Social Welfare)

THAT, the Senate adopts the Report of the Standing Committee on Labour and Social Welfare on a Petition to the Senate regarding the winding up and liquidation of Technical University of Kenya Staff Retirement Benefit Scheme, laid on the Table of the Senate, on Wednesday, 7th October, 2026.

ii) **STRENGTHENING SOCIAL PROTECTION AND SUPPORT FOR CAREGIVERS AND PARENTS OF PERSONS WITH DISABILITIES**

(Sen. Joyce Korir, MP)

AWARE THAT Article 54 of the Constitution guarantees the rights of Persons with Disabilities (PWDs), including the right to be treated with dignity and respect, to access educational institutions and facilities and to receive reasonable accommodation in all spheres of society;

FURTHER AWARE THAT the care and support of persons with severe disabilities, particularly children, falls heavily on their parents and caregivers, who often face extreme emotional, physical, and financial strain;

CONCERNED THAT the Support Needs Assessment Report for Persons with Disabilities by the Ministry of Labour and Social Protection highlighted that 98% of the primary care givers require financial support in order to perform their duties;

RECOGNIZING THAT the existing social protection mechanisms, such as the Inua Jamii Cash Transfer for Persons with Severe Disabilities (PWSD-CT), primarily target the individual with the disability and do not adequately account for the economic loss, mental health toll, and care burden borne directly by the caregivers;

...../Appendix

APPRECIATING THAT Section 4(p) of the Persons with Disabilities Act, 2025 obligates the National Government to develop programmes for caregivers of persons with disabilities on specialized training, counselling and economic development;

NOTING WITH CONCERN the inadequate access to specialized affordable healthcare, therapy services, assistive devices, and inclusive educational facilities in rural and informal urban settlements, which compounds the burden on caregivers;

NOW THEREFORE, the Senate urges –

1. the National Government, through the Ministry of Labour and Social Protection and the Ministry of Health, to;
 - a) formulate a policy framework to implement Section 4(p) of the Persons with Disabilities Act, 2025 to economically uplift full-time parents and caregivers of persons with severe disabilities for the care burden borne directly and to mitigate their economic loss for engaging in viable economic activities;
 - b) review and scale up the Inua Jamii Program to ensure universal coverage for households caring for children and adults with severe disabilities, eliminating the current administrative bottlenecks and delays; and
2. the County Governments to establish counseling, mental health services, and respite care centers within Level 4 and Level 5 public hospitals to support caregivers well-being.
